IN DEDICATION TO . . .

RAYMOND GIROUX

The 1982 Crusader staff dedicates this yearbook to Raymond Lee Giroux, vice principal and disciplinarian. He has been dedicated and faithful to the school for many years. His job as disciplinarian puts him on the spot with the students, but he always acts fairly.

He has been our disciplinarian for five years and has received little credit for a job very well done. He is a strong factor in upholding the statutes on which our school is based. He grew up in Waterville, went to high school in New Brunswick then to college at New England College in Biddeford and the University of Maine at Portland. He received a B.A. in Liberal Arts.

He is advisor of Key Club. His hobbies are hockey, motorboat cruising, and salt and fresh water fishing. He teaches Latin I, French I and French II, along with his vice principal and disciplinarian duties.

Thank you for your dedication to our faculty and student body over the years and we hope you stay with us for many years to come.

The 1982 Crusader Staff

IN APPRECIATION OF . . .

BRANDI

For the years of hard work in keeping our school's money in order, we form this 1982 yearbook in appreciation of Marianne "Brandi" Hall, and her dedication to our school.

She is always willing to lend her talent for singing to our assemblies and meetings. She also sings with the St. John's Church choir.

This year she took on more responsibilities. She is now co-advisor, with Louise Hand, for the cheerleaders. She leads the Glee Club and is producing the annual musical.

She also sells the student body and faculty all of the junk food we Americans thrive on.

Where would we be without Brandi?

Hope we never have to find out! Thanx!

LAND OF THE GLASS PINECONES
— Human Sexual Response
Land of the glass pinecones
They only grow for the full moon
The farmers never gather them
The magic cones are heavensent
Land of the glass pinecones
Their seeds are made of rhinestones
The squirrels never scatter them
They know what rhinestone seeds portend
Land of the glass pinecones
The eye now sees what the tree knows
The splinters burn but then we learn
That when we spend we have to bend
It's all a part of nature's plan
Land of the glass pinecones

FORUM

Last year, the John Bapst Dramatics Club performed A Funny Thing Happened on the Way to the Forum. Under the direction of William Trowell, the John Bapst Players produced an outstanding play. There were many tremendous performances but definitely the first year performance by Scott Warren impressed all of those who either watched the show, or worked in the production with him. More outstanding performances were given by veterans Ted Dunbar, John Levesque, Cathy Livingston, Kevin O'Connell, Leo Ardine, Andre Chasse, Tim Bate, and Linette George. This year, the Dramatics Club is producing Damn Yankees under the direction of Brandi Hall. Surely it will also be an outstanding play on the part of all of those involved.

The 1981 football season was successful in that it was an improvement over the previous season. The JB Crusaders sported a 2 and 6 season playing in the Little Ten Conference. The Crusaders were coached by the first year head coach, Robert Clukey and assisted by coach Maynard Corey and coach Brian Otterson. Several outstanding members of the team were: Mark Sullivan, Craig Babin, David Bartlett, Tom Mooney, Bill Perry, Scott Warren, Jim Gildart, and Danny Baker.

The JV football team was very successful with their 8 and 0 record led by coaches Brian Otterson and Maynard Corey. This promises to be an outstanding group of varsity football players for next year.

STATE CHAMPS

This title tells it all! Our season had its ups and downs but our coach, Bill MacManus never let us give up. He was a terrific leader to us not only in basketball but in our everyday lives. He cared for us. He put everything he had into helping us become the team that won the State. He made us *one* — we played as a team and to be the best we could be. Coach, parents, and fans, pulled us through the State, and got the Sportsmanship banner for us. With their support we made it through a tough beginning season. We thank everyone for their support.

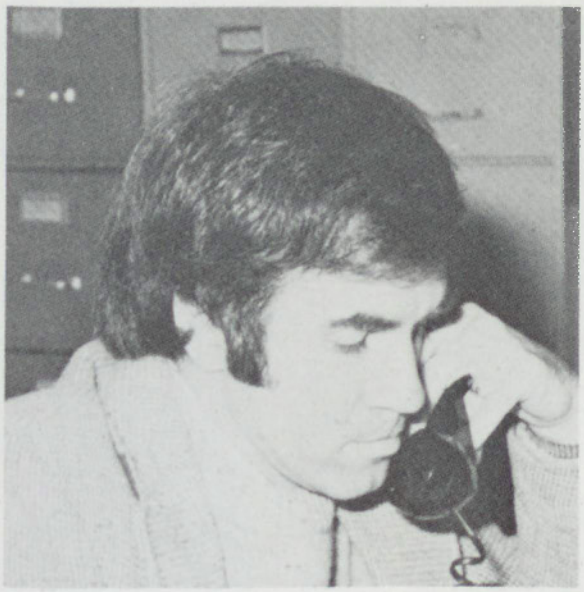
VARSITY



Through constant practice, patience, and the instructions of their coach, the girls varsity team became class "D" State Champions in February of 1981.

After losing three starting players to graduation, the Lady Crusaders chances looked slim, but despite the odds they showed the characteristics of true champions. Instead of giving up they made the necessary adjustments and continued in their winning ways.

The crusaders, now sporting a 12-3 record, are led by co-captains Giggett and Lisa O'Donnell. Through their determination to be the best, the team put skill, hard work, and a little luck, together in a mixture that spells s-u-c-c-e-s-s-.

The players themselves have a lot to do with the success of a team but most of the credit has to go to the coach. His is often a thankless job, and one that receives little respect. The girls varsity team would like to say thanks "Fred" for all your *patience*, time, and hard work, that have made this team the best in the state.

This years Cross Country team did a surprisingly good job. They were a young team, in a building year, with a lot of promising underclassmen. Senior runners Mimi Walsh and Margaret Purvis also contributed their running skill to the young team. Junior sensation Jody Norton led the boys to a very good record.

EASTERN MAINE CLASS CHAMPIONS

The 1981-82 girl's Cross Country team won the Eastern Maine class "C" championship. Lead by sophomore Lynne Vickery and freshman Debbie Hanscom the girl's gave an impressive performance at the regionals and throughout the season. Congratulations.

The Baseball Team did not win a game in the B division of the Penobscot Valley Conference. The team composed entirely of underclassmen will compete next year in the C division. The hopeful addition of a much needed pitching machine should go a long way to improve the Crusader baseball fortunes and the move to class C should make the team more competitive in the future. The team's leading hitter was Scott Warren with a .342 batting average. Jim Gildart and David Bartlett lead the way in innings pitched followed closely by Jeff Higgins. The left side of the infield was anchored down by Robbie Stone and Peter Higgins. The outfield was solid with Terry Burns having an outstanding year in centerfield defensively. The 1982 team has a brighter outlook considering the move to class C.

The Softball Team was coached by Jim Defredrico. The team improved with every game and considering the many obstacles they faced due to the lack of returning letterman, the girls played well, never concerned with the score just with the idea of improvement.

The girls with the most successful season came up with a 3-3 record. The boys posted a 1-5 record. The boys 440 relay team, made up of Scott Smith, Mark Sullivan, and Eric Smith, placed first in Eastern Maine and sixth at the State meet.

The mile relay team consisted of Scott Smith, Mark Sullivan, Joe Mcklusky, Eric Smith placed second in the state and Eastern Maine meets. Individual recognition goes to Jody Norton, Mark Sullivan, and Scott Smith for outstanding performances at the state meet. MVP award was received by Mark Sullivan, and MIP award was awarded to Eric Smith.

ON LAND AND ON SEA, THIS CROWD OF SURVEYORS SEEMS TO BE PUTTING INTO FEVERISH PRACTICE THE ADVICE CONTAINED IN THE GERMAN WORK FROM WHICH THE ENGRAVING COMES: LEVINUS HULSIUS'S THEORY AND PRACTICE OF THE GEOMETRIC QUADRANT ETC. . . .
