Student Council

The primary contribution of an efficient Student Council lies in the area of "teaching good citizenship by providing the means whereby students may exercise self-directing privileges and responsibilities with well-defined limits under faculty guidance." The council attempts to develop the character of its members in a number of ways. They learn how to accept responsibility while still maintaining a proper respect for constituted authority. They also gain practice in self-direction and leadership. We are sure that we have benefited from the development of these high ideals of personal conduct, and we hope that in doing so we have benefited the rest of the school community as well.

The Boyfriend

The Boyfriend is a tender tale of young love. Concealed identities, nosey friends, and interfering parents add to the lovers' problems. In the end, however, Tony and Polly find each other and Polly's father is reunited with Mme. Dubonnet. Everything ends happily in the musical of the twenties.

The play, directed by James Pike, was successful in several contests and was chosen runner-up in the State competition. David Emery was awarded the All-Maine Actor Award for the second year in a row. Bangor represented Maine at the New England Festival in Lyndon, Vermont. Louise Sawyer and David Emery, named to the All New England Cast, distinguished Bangor's production.

Debate Club 1968-9

This year Bangor High School's Debate Club, under the guidance of G. Craig Abbott, has developed effective techniques of debate and discussion. The topic, "Resolved: that the U.S. should establish a system of compulsory service by all citizens," carried the teams to tournaments at Dartmouth College, the University of Maine, Bates, and the annual Penobscot Valley Conference tournament. The team of Phil Vielleux and Tom Halkett ranked among the top teams in Maine with their record of 16 wins and 3 losses.

Dear Faculty Members, Fellow Students, and Friends,

. . . Remember that one word problem — peace? Well, I'm going to introduce a one word solution — **YOUTH**. Again, very simple: **YOUTH**.

That is the message I bring to you all today. **You** are the world leaders of tomorrow. Today you are the leaders in your school and community; tomorrow, your state, your country; who knows?

The point is, AFS doesn't send adults abroad. It sends teenagers. That should tell us something. Namely, the challenge is ours. And ours alone.

The time has come to **stop talking** about world peace and start **doing something** about it!

I am reminded of the inspirational words in front of the United Nations building in New York:

"They shall beat their swords into plowshares,

And their spears into pruning hooks;

Nation shall not lift up sword against nation.

Neither shall they learn war any more." Isaiah 2:4

That, friends, should be our goal.

We cannot achieve it in a day. We won't achieve it in a year. In all probability, it won't be achieved during our own short lives. But this cannot stop us. The time to start is now — not only for our sake, but for the sake of our little brothers and sisters, and for the sake of our own unborn children.

With enough bombs on the earth today to destroy the human race ten times over in the event of a nuclear war, tomorrow may be too late.

Friends, the eyes of the people of the world are turned upon us all. Their confidence is in us. Their prayers are with us. Their every hope — and, in fact, their last hope, lies in the youth of today.

It is time for us to hear the peoples' cry. **That** is the challenge I offer you today. Let us — the youth of the world — let **us** answer the peoples' cry.

Believe me, when you hear the whimpering of a starving child, you'll do everything you can to help alleviate this despair.

Please don't think I write this with a heavy heart. I write it with a hopeful one. These are not grievous times; these are changing times. Times to be aware. This is the New Generation. **Yours** and **mine**. **Let us lead the world into peace.**

Men have said, "That is impossible." I say, "**Nothing** is impossible for the youth."

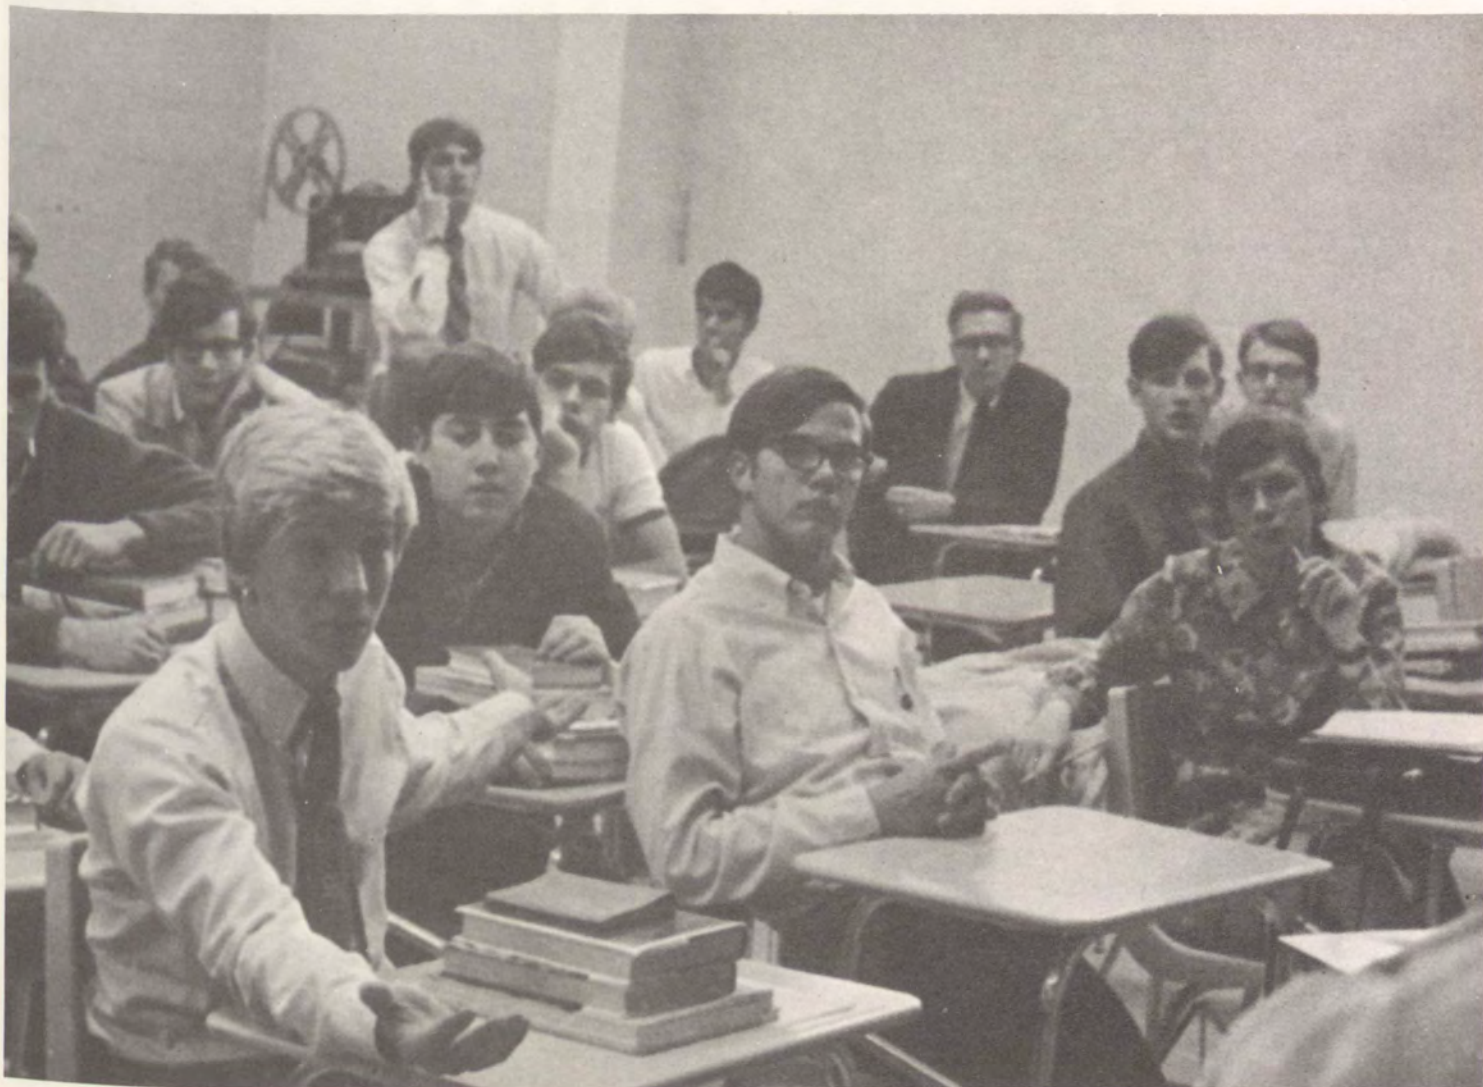

If we can't end all wars or alleviate all prejudice, at least we can **start**. If we can't save every child dying of disease, of starvation, we can save some.

That, then, is my message to you today, and I'd like to end it with this simple prayer:

Dearest God: Help the youth of the world to accept this challenge of peace. Help us increase our knowledge of the earth and its people. Help us seek to understand each others problems and through this understanding strive for a community of nations living in peace. Let us clasp hands, and, with your help, Lord, begin now . . . Amen.

Yours for a peaceful world,
Glenn Warner

Community Relations Forum

The purpose of the CRF is to promote better relations among students, faculty, and the community.

Some areas of interest to the CRF were the demerit system, ROTC, the hair and dress code at BHS and projects to help the poor.

Although this organization started out with much enthusiasm and many members, enthusiasm has waned.

National Honor Society

"Let me call you sweetheart . . ."

National Honor Society, the most highly selective academic organization at Bangor High School, is dedicated to the ideals of scholarship, leadership, service, and character. Only fifteen percent of the senior class and five percent of the junior class are rewarded with membership.

NHS members were busy this year raising money for a graduation scholarship. Singing valentines and dances served as major projects.

Dirigo Boys and Girls State

Dirigo Boys and Girls State are one week training programs in local and Maine government sponsored by the American Legion. While there are lectures by specialists in government, most of the learning is accomplished by doing. There are political parties, campaigns, elections and legislative bodies. Additionally, a wide range of extra-curricular activities exist.

This year's candidates to Boys State at U of M are Stuart Chason, Stuart Cohen, Randy Hawkes, Phil Higgins, Bob McKernan, and alternates Verne Adams and Gary Downes. Girls State delegates going to Colby College are Karen Boulter, Mary LeClair, Beth Wood, and alternates Jane Bradbury, Nancy Davis, and Mary Fellows.

French Club

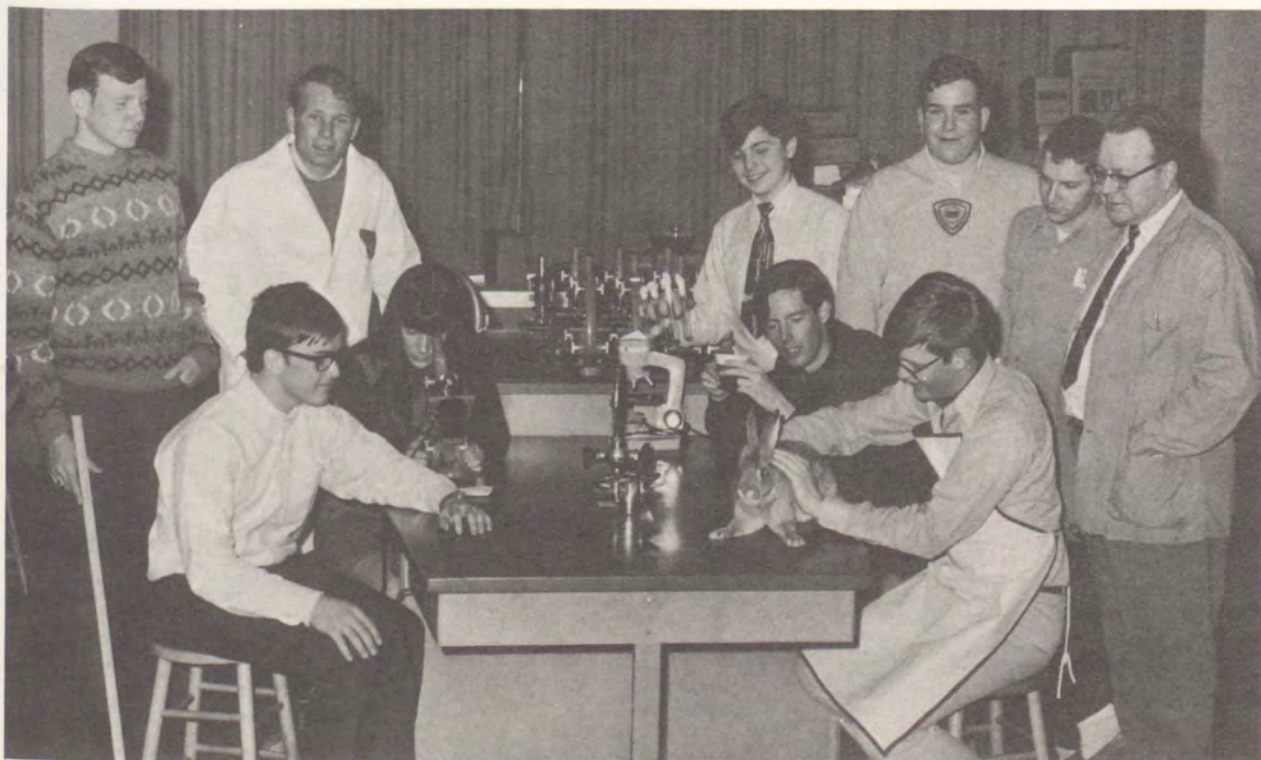

Language Clubs

The French Club is a meeting-place for students who wish to learn more about France. Guest speakers and films are a major part of its program.

The German Club seeks an exchange of ideas on anything and everything concerning Germany. Its informal meetings are often held outside of school.

German Club

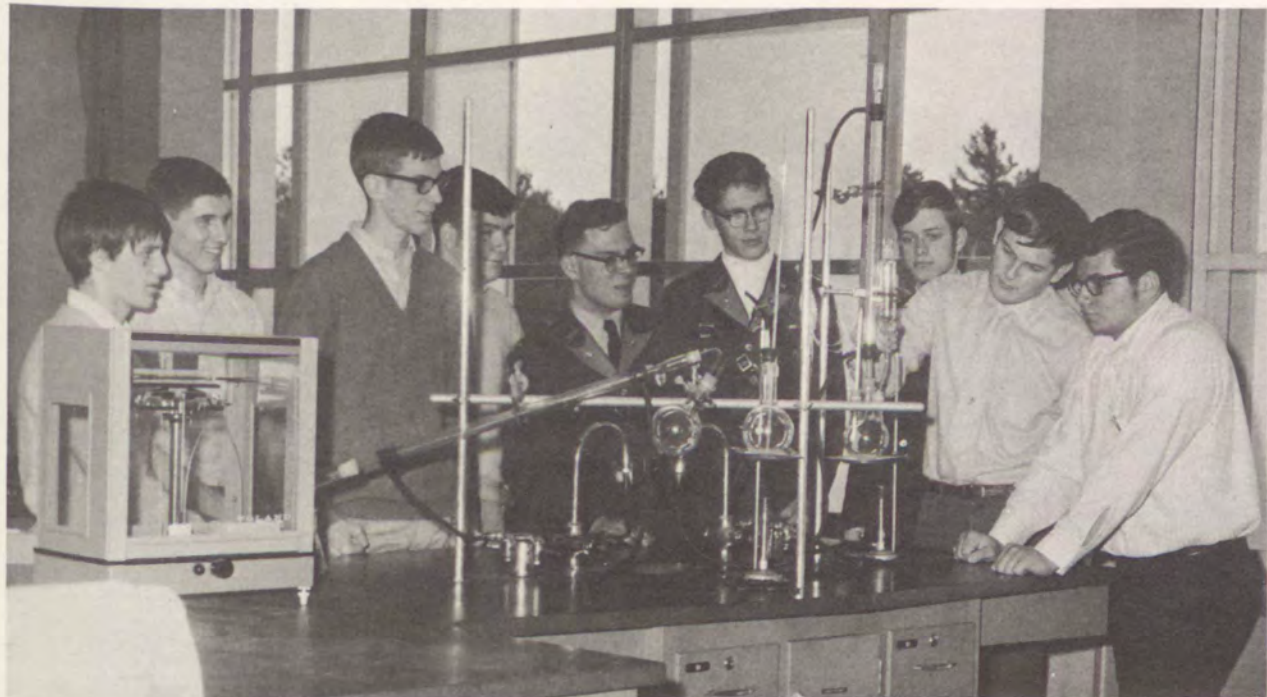

Science Seminar

The Science Seminar Society is a group attempting to bring new ideas and concepts to the surface which heretofore would not or could not have been discussed. No restrictions are placed on student "imagineering" in the belief that today's thoughts become tomorrow's reality. The club has been involved in a continuing research study of aquatic biology with one group specializing in marine biology at a coastal site while the other is doing a systematic study of a nearby fresh water pond.

This is a club that is going places and doing things, and through it all, managing to come out a little more knowledgeable, a little more open-minded, and a little more free.

This year the Future Teacher's Club has had many extra activities including a visit to the U. of M. Education Department, guest speakers from surrounding schools, individual visits to classrooms, a March supper at which two other F.T.A. chapters were invited, and a spring tea.

As the name suggest, S.O.S. assists the administrative staff of BHS.

Members of S.O.S. staff the attendance office every period in the day. They act as guides for visitors or for new students. They serve as messengers to all areas in the building. They assist in area meetings, conventions, and conferences, serving as timers, door tenders, desk clerks, typists, and receptionists.

The ROTC Department at Bangor High School stresses the development of leadership, oral and written expression of ideas, knowledge of military subjects, and the responsibility of citizenship. The Sophomore cadets get an opportunity to learn and participate in state and national service.

Basketball

The Bangor Rams completed the basketball season with a record of four wins and fourteen losses. Old Town, Brewer, and Waterville fell victims of Bangor's attack. Although the record was not as good as the fans would have liked, the Rams played sound basketball and showed great promise for next season.

The Class of '71

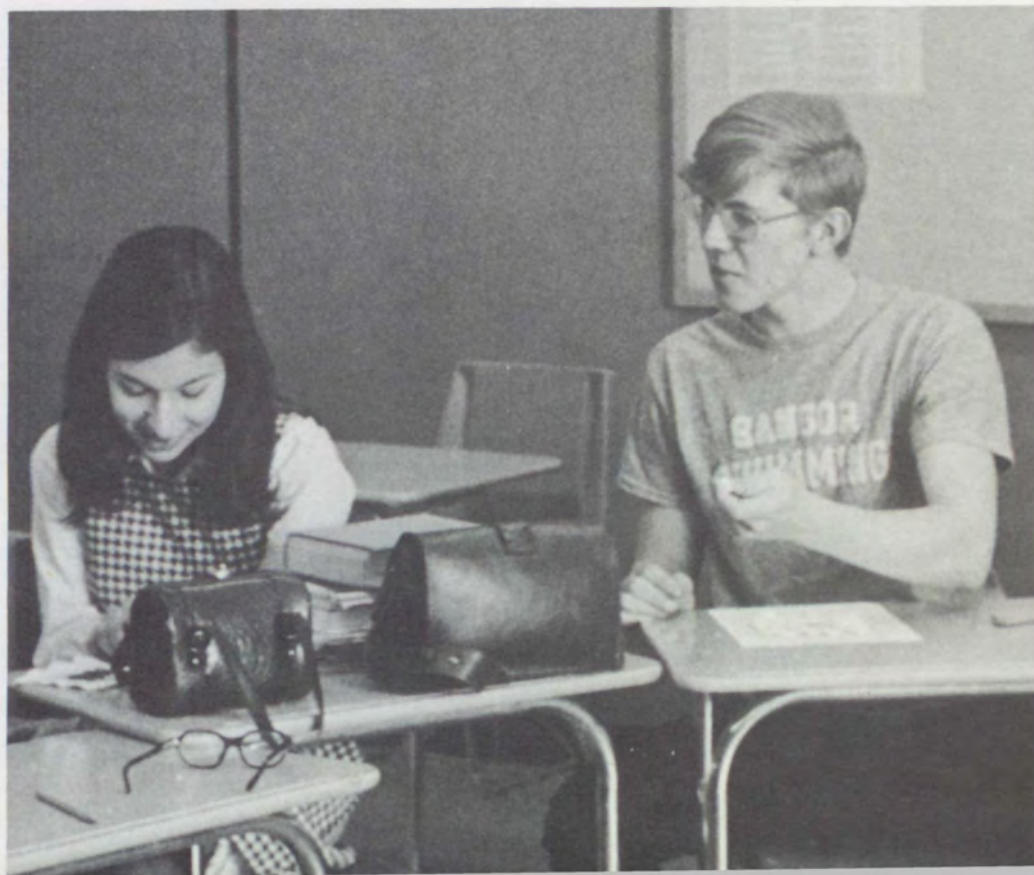

The wide range of talents which the Class of 1971 possesses has been a great asset to Bangor High School. The Student Council members worked tirelessly on their committees while the members of the Sophomore Council planned many activities for their class and school. Sophomores were members of the football, track, Junior Varsity basketball, swimming and baseball teams. They contributed to the Junior Varsity cheering squad, the cast of "The Boyfriend", and intramurals. Many sophomores proved their musical ability by joining band, orchestra, and chorus.

Already with a good start the Class of '71 promises to keep up the reputation of BHS with eagerness, vitality and spirit.

Many outstanding juniors head the list of leaders at Bangor High. Gathering strength at the first of the year, things rolled smoothly until unfavorable weather cancelled the Junior Winter Carnival for the second year in a row. This was an extreme misfortune for "Snow-bound 69" which was to be the greatest carnival ever at Bangor High.

The junior class was ably represented this year in all fields of endeavor. Tri-captains Dick Maidlow, Lou Synder, and Steve Vanidestine assure us that the Rams will be state football champs; Bill Magee and Bob McKernan express optimistic views of their next season in basketball. Juniors Marsha Stone and Alan Hess are hosts to our foreign exchange students. And the junior class council has led an eager group of juniors on the way to becoming the greatest class to graduate from Bangor High.

Jr. NHS Members.

The seniors are becoming what they will be. Each is beginning to "do his thing" after years of tutelage. Each will embrace circles of people beyond the confines of BHS. Just as Senator Edmund Muskie

has made an impact outside the circle of his homestate, each senior seeks to make his impact on and in the community, nation, and world.

Seniors

Class Council: Mike Bell, Ron Brown, Patty Carlisle, Zelda Chamoff, Sam Estey, Slyvia Foster, Dave Godfrey, Cathy Hammond, Sue Laeger, Larry McNally, Maria Miragliuolo, Joyce Peters, Chris Sanborn, Nan Sargent, Tom Sawyer, Terry Shean, Skip Sickles, Bill Stone, Benita Whitehouse.

Class Officers: Zelda Chamoff, treas.; Bill Stone, v. pres.; Cathy Hammond, sec.; Skip Sickles, pres.

There are about 375 faces around BHS that won't be here next year. These are the Seniors of the Class of 1969. Next year we will spread out all over the country in different colleges and businesses, but this year the seniors are one happy family who provide BHS with much of its vitality. It has been a hectic year; the Senior Council approached insanity in attempting to organize the last few weeks of the school year. But with all its conflicting viewpoints, money problems, and end-of-the-year sad reflections, the Class of '69 remains unique, ecstatic, and "inscrutable to the last."

— Skip Sickles

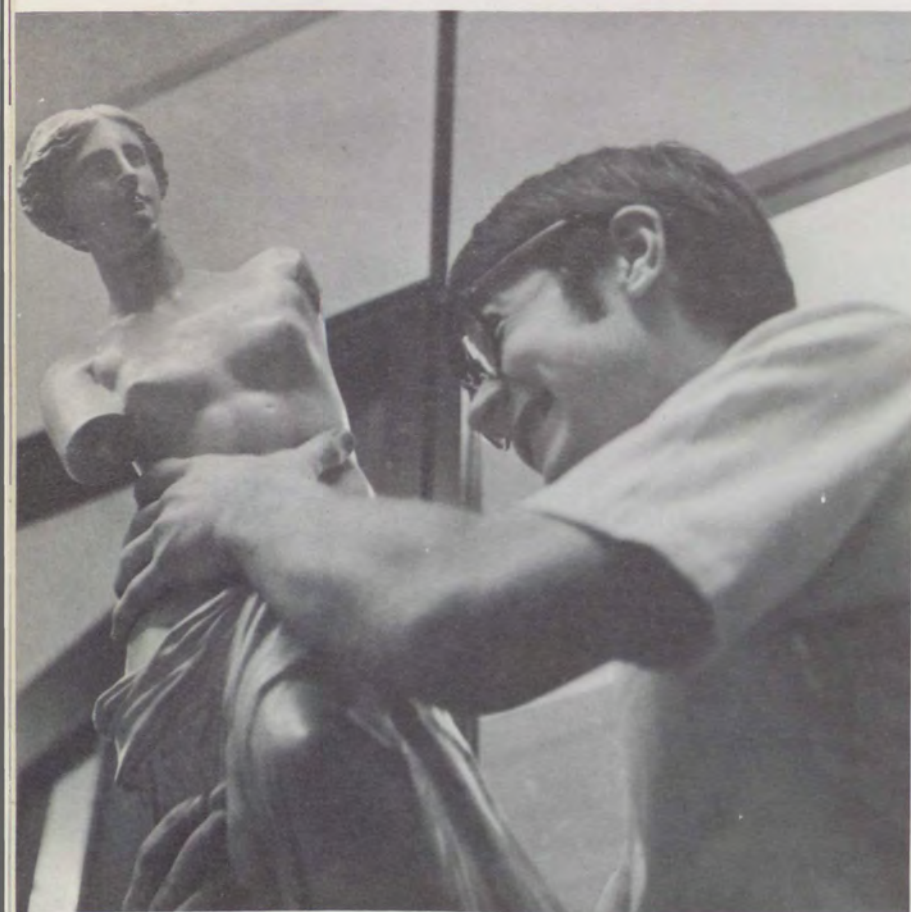

NHS Seniors

Forty seniors were inducted into National Honor Society at a spring assembly. These forty completed the fifteen per cent of the senior class who can be granted membership.

The highest recognition that can be attained at Bangor High was achieved by sixteen seniors. These students have maintained an 85 or better average for five semesters beginning in the sophomore year. All-Bangor Medals are presented to the All-Bangor Scholars at the Recognition Assembly in May.

What's the Company like anyway? Would I be proud to work there? Reputation for square dealing with employees? Pleasant surroundings?

Will I be working with others my own age? Are they friendly? Do they socialize after hours?

Will the boss be reasonable? Appreciate good, hard work, but won't explode if I make a mistake?

Will I make a decent week's pay? Have a chance for raises, advancement, more responsibility? How about fringe benefits?

Is the work challenging? I had what it takes to get through high school. Will they give me a chance to use my brains?

Note: Many young men and women in this area can answer "Yes" to these questions. They work for New England Telephone.

Why not talk with our employment interviewer soon . . . before you graduate? Ask your Guidance Counselor to tell you when and where to apply.

Bob Dylan

"We were talking — about the love
we all
could share — when we find it
To try out best to hold it there —
with our love
With our love — we could save the
world
— if they only knew.
Try to realize it's all within yourself
no-one else can make you change
And to see you're really only very
small,
and life flows on within you and with-
out you."
