Student calls for revolution in China

HONG KONG (AP) — Wu'er Kaixi, the student leader who was smuggled out of China, called for the overthrow of the "wild beasts" of communism, and he predicted the current government would fall.

In a defiant videotaped message made after he fled, the raspy-voiced leader of a movement for freedom choked back tears as he accused authorities of crushing students with tanks and burning bodies on Tiananmen Square.

"Those of us who remain alive, our lives are no longer our own," he said on the tape. "The lives of those classmates and countrymen who died for democracy, for freedom and for our beautiful motherland have melted into ours. We must focus our will and continue the great, patriotic democratic movement to the end."

A Hong Kong activist showed the tape to The Associated Press on Wednesday, then distributed it to other news organizations.

Wearing a T shirt from his school, Beijing Normal University, the 20 years old freshman who had gone into hiding looked pale and drawn during the videotape, which was shot

E. Germany throws open its borders with the West

Citizens dance atop the Wall

BERLIN (AP) — East Germany opened the Berlin Wall and its other borders Thursday, and its cheering citizens crossed freely to the West for the first time since 1961. Hundred of people danced on the wall.

Late Thursday and early Friday, exultant East Germans coursed through Berlin Wall checkpoints and others entered West Germany at other border crossings.

Near Brandenburg Gate, East Germans raced through streams of police water cannon and were pulled up the wall by the young East Germans atop it. Some Germans used hammers to chip away at the barrier for keepsakes or in their own small way try to destroy the infamous symbol of East-West division.

The sight of jubilant people prancing and dancing atop the wall, so heavily guarded for years, had been unthinkable only hours earlier.

About 100 East Berliners at the Brandenburg Gate chanted: "Open the gate! Open the Gate!"

DEDICATION THE 1990 ORACLE IS DEDICATED TO MR. JAMES H. PIKE

James Haleston Pike was born on December 13, 1937 in Houlton, Maine. He graduated from Houlton High School, where he was a member of the National Honor Society and he was voted "Best Dancer" in the Senior Superlatives. He received his B.A. from Richer College and his Master's Degree from the University of Maine. Mr. Pike's first teaching job was in 1960 in Lincoln, Maine. He then taught for five years at Fort Kent. In 1966, he came to Bangor High School, where he taught English and directed his first play at B.H.S., *Our Town*. He eventually moved from the English Department to the Fine Arts Department, where he developed and taught Theater Arts classes. In 1969 and 1970, Mr. Pike directed summer plays at Skitikuk in Orono, Maine. He has directed summer theater in Castine, Maine, and he has directed such plays as *See How They Run*, *Gigi*, and *Kiss Me Kate* for Bangor Community Theater.

Mr. Pike resides in Bangor, Maine with his wife, Michele. He has four children: Sean, Joe, Kimberly, and Matthew, and four grandchildren; Nathan, Libby, Christopher and Jamie.

Mr. Pike has brought much pride to Bangor High School with the countless number of plays he has dedicated himself to producing. He is a very special person to many students, for he is not only a teacher, but a friend. Mr. Pike cares a great deal for his students. In turn, his students have a deep respect for him.

We are proud to dedicate the 1990 *Oracle* to Mr. James Pike.

Dear Members of the Class of 1990:

June will signal that yearbooks have once again arrived. The ORACLE will help to serve as a pleasant reminder of the many events and experiences of the past four years of your high school life.

As time marches on, the ORACLE will probably become more meaningful as you try to recall and rekindle old memories. The ORACLE will help to recall people, places, and events of the past with accuracy.

For the staff and advisor of the ORACLE, the book is the completion of a tremendous effort. We all salute you for a job well done.

To the Class of 1990, we wish success, good health and a promising future.

SENIORS AND FRESHMEN

THE DIFFERENCE IS CLEAR

Knowledge/naivete. Senioritis/perky. Worshipped/insulted. The differences between Seniors and Freshmen abound, and will always exist. The Oracle's special research team has studied the age-old subject, and now presents the results:

Freshmen:

- Keep the hairspray industry in business
- Shake and beg before Mr. Bussiere
- Actually study for mid-terms and finals
- Attend class regularly
- Pay attention in class
- Either join every club in school, or join none
- Know what sleep means
- Have Mom and Dad drive them to school
- Spend hours on the phone talking about each other
- Represent the future of B.H.S.

Seniors:

- Take a relaxed attitude towards hair (and clothes)
- Smile and chat with Mr. Bussiere
- Power cram ten minutes before mid-terms
- Skip class whenever possible
- Do other homework or sleep in class
- Join every club in school, but never attend meetings
- Have only a passing acquaintance with sleep
- Drive Mom and Dad's Volvo to school
- Spend minutes on the phone complaining about themselves
- Think that the future of B.H.S. looks bleak

SOARING TO REACH YOUR GOAL

BANGOR HIGH STUDENTS FIND UNIQUE WAYS TO REACH NEW HEIGHTS

Striving to reach a goal is something to take pride in. Goals come in all shapes and sizes, all colors and forms. Soccer and field hockey players score to achieve their goals, while academicians score highly on tests to reach

theirs. Passing a driver's test is a major accomplishment achieved by most, and feared by many. Foreign exchange students reach new heights in a distant land as they study at Bangor High. Others have their own ideas about reach-

ing individual goals. Whatever the goal is, the joy lies in the struggle to make the dream a reality.

Watch out — I'm gonna score!

This is one for the refrigerator!

Don't try to stop me, it's going in!

Q: What are your Goals for the Future?

A: I want to be an actor. Maybe I'll start off-Broadway and work up to the big screen.

A: My goal is to become the President of the USA in order to better serve my country.

A: After going to college I would like to pursue a career in nursing.

Soaring in America!

I hope I pass the test!

WHO IS THAT MASKED MAN?!

BHS STUDENTS CELEBRATE SPIRIT WEEK

The halls of Bangor High were not filled with typical students the week of October 2-6, 1989. Ferocious-looking monsters took over the school on Monday, Romans wearing togas walked the halls on Tuesday, Cowboys and Indians from the Wild West roamed the plains on

Wednesday, various musicians direct from MTV appeared live at Bangor High on Thursday, and spirited underclassmen dressed in red and white displayed their school spirit on Friday, as zany Seniors decorated the halls as storybook characters.

Spirit Week festivities climaxed with the Homecoming game on October 6. The enthusiasm was strong as the school body gathered at the Bonfire Thursday night, October 5. On Friday, October 6, the students showed their tremendous support at the pep rally, where Richard Rygalski and Elizabeth Russell were announced as the Homecoming King and Queen. The excitement con-

tinued as each class decorated a float for the parade. This spirited procession left school and wove through the streets of Bangor until it reached Garland St. Field, the site of the game. The game was a heated battle of the Rams vs. the Rams, as Bangor and Cony strove for victory. This resulted in a victory for Bangor, bringing a fun-filled week to a glorious conclusion.

Working hard and playing hard is characteristic of the Bangor High School student. Never contented to let the world pass by, the BHS student is determined to participate, to achieve, to leave a mark on the world. Whether a musician or a mathematician, the student at Bangor High is committed to excellence.

New groups are flourishing at Bangor High this year: the Newspaper taps the skills of aspiring journalists, the Spanish and

Latin Clubs explore the cultures of different countries and distant centuries, and Amnesty International writes letters on behalf of political prisoners throughout the world. Key Club and National Honor Society continue their tradition of leadership and service to their community and their school, while the members of the Peer Support Group encourage students to sign Contracts for Life, reminding their friends about the imminent dangers of mixing Bacardi and BMWs.

The Speech and Debate Teams stumble on to the bus at 4:30 a.m. on Saturday mornings to compete at schools around the state, and stumble off the bus at 10:00 p.m. that night. Writers at the Lit House produce a literary magazine to rival The New Yorker, and actors practice daily and invoke the muse to perform "A Funny Thing Happened on the Way to the Forum." Orchestra, Chorus and Band practice and perform an impressive repertoire, fine tuning their mu-

sical skills. And Student Council, meeting students' needs, schedules dances to raise money for charities.

So when the classrooms at Bangor High School are empty of students, chances are they shift their focus and their energy to outside pursuits. They can be found exploring new horizons, using their talents, participating in all manner of activities; in short they are

At each meet there are five topics on which the student is to concentrate. This provides an opportunity for the student to look at topics in math, such as triangles, which he/she has studied in more than one course. The meets also provide an opportunity for students to enjoy competing against others.

A FUNNY THING HAPPENED ON THE WAY TO THE FORUM

The staff of the 1990 *Oracle* would like to extend their congratulations on a job well done to the cast and crew of *A Funny Thing Happened On The Way To The Forum*. As usual, the cast and crew worked endlessly to produce one of the most entertaining shows seen in recent history at B.H.S. In his final year as director and friend of the annual musical presentation, Mr. James Pike brilliantly led a talented group of actors through grueling rehearsals and two magnificent performances on January 12th and 13th. His guidance and support of the theater will be greatly missed.

GIRLS' STATE

Bangor High's six delegates to Dirigo Girls' State actively participated in a week spent learning about state and local government. Each girl learned the true meaning of patriotism and citizenship. Robyn Allen and Stephanie Goff were elected to the House of Representatives, where Stephanie was elected Speaker of the House. Kim Crichton, Elizabeth Russell, and Ula Solomon were elected to the Senate, where

Elizabeth was elected to serve as President. Robin Fort brought great honor to Bangor High when she was elected Governor of Girls' State. Robin went on to represent Maine's Girl State delegates at Girls' Nation held in Washington, D.C. Ula Solomon was selected as the Second Most Outstanding Girl and was therefore the first runner-up to attend Girls' Nation.

BOYS' STATE

Greg Ames — Senator

The Bangor High Delegation proved to be a major power at Dirigo Boys' State. Greg Ames ran a strong race for Governor, defeated only by a narrow margin. Greg transferred his energies to his senatorship, where he acted as chairperson of the Senate Committee on Taxation.

Alan Mosca served as a Political Action Committee member and a lobbyist. As members of the House of Representatives, Scott Kaiser, Jerome Wenniger, and Tom Messervey showed Bangor's power and leadership in intrastate affairs.

ATHLETES AT BHS CONTINUE A TRADITION OF EXCELLENCE

Once again, Bangor High students have been out pounding the streets, making waves, and tearing up the field. Outstanding varsity, J.V., and freshman teams distinguish themselves across the board. B.H.S. athletic teams include: soccer, football, field hockey, golf, cross country, swimming, indoor track, ice hockey, cheering, basketball, baseball, softball, track and field, and tennis. Bangor High's support and pride for its athletes can be seen by the numerous crowds attending the various games. The dedication and effort of Bangor athletes needs hardly be mentioned . . . the hours of practice on the road to excellence are notice enough of the drive, pride, and determination of Bangor High School athletes as they

The 1989 Varsity Football Team under the direction of second year head coach Bruce Morse, had their best season in three years, 6 wins and 3 losses. Despite losing the first two games, the Rams rebounded to win six straight games. The climax of the season was the Homecoming Victory against Cony, which included the most spirited rally in recent history. When it came down to deciding who would be in the playoffs, the Rams were tied with Lawrence and therefore had to flip a coin to see who would play. Unfortunately, they lost the coin toss. However, the steady improvement of the Rams Football Team had made Bangor a force in Football once again. The coaching staff, players, and boosters would like to thank the entire student body and faculty for their support.

BOYS' SOCCER: -THEY KNEW IT IN THEIR HEARTS-

The 1989 Boys' Soccer Team, under the direction of Coach Roger Reed and tri-captains Greg Ames, Chip Clark, and Jay Darling had high hopes for their fall season. With superior speed, brilliant ball control, and playoff dreams in their minds, these talented athletes had a season that few will ever forget. Strength and finesse challenged opposing players as the Rams went on to a 8-4-2 record, the best that this year's seniors had ever witnessed. With a controversial goal deciding a loss at Ellsworth, the long time Class B state champs and long time rivals of the Rams, the players' luck seemed to be headed for a downfall. And fall it did. The day before Bangor was supposed to play

the Hampden Broncos in the first game of the playoffs, word came to the athletes that they were to be eliminated from the playoffs and their record was to go from 8-4-2 to 0-14. The administration had been notified that a transfer student's eligibility requirements had not been met. Bangor High officials had no other choice but to enforce the eligibility rule and eliminate the young men from the playoffs. Although the team was devastated, they put no blame on the transfer student. Under most difficult circumstances, the administration acted admirably and did what they had to do. No matter what, the record books may show, the 1989 Boys' Soccer Team were winners because they

GIRLS' SOCCER: A SEASON OF PRIDE

The Girls' Soccer Team finished the season with a 6-7-1 record, however their losses were very close and their wins were decisive. Overall, they had a great season. A definite high point was the defeat of Caribou (1-0) for the first time in the history of Girls' Soccer at Bangor High School. The future of Bangor Girls' Soccer is bright as the J.V. team went undefeated.

Three girls on the team were chosen to All-P.V.C. teams: Tina Davenport and Rhonda Pelkey; first team, and Amy Robichaud; second team. One player, Rhonda Pelkey, was chosen to the all-state team.

FIELD HOCKEY:

A SEASON REBORN

Right, Moriah Coughlin

During preseason, when asked about the 1989 Varsity Field Hockey Team, many coaches said that it would be a "building season" for the Lady Rams. They weren't expecting much out of a group of girls who had only won three games the previous year. However, under the direction of first year coach Jeana Tuell, the former Orono assistant coach, and captains Stephanie Goff, Jennie Mason, Sue Murray, and Ula Solomon, these fine young athletes proved those coaches wrong. With determination, commitment, and a lot of hard work, the Lady Rams improved their record to the best that this year's seniors have ever had, 6-5-3. The

J.V.s, led by Coach Tammy Mason, had a nearly flawless season and should be commended for their support throughout the entire season. Perhaps the most memorable game before the field hockey players made it to the playoffs at Gardiner, was the victory against Old Town. In the pouring rain, the Lady Rams defeated the Class B state champions 1-0. This victory came after the devastating news that the boys' soccer team had been eliminated from the playoffs. On the bus ride to Old Town, the players chanted, "Let's do it for the boys' soccer team!!" And they did. That's what pride is all about.

BOYS' BASKETBALL: FROM GOOD TO BETTER TO THE BEST

The 1989-90 version of the Bangor Rams was both exciting and fast-paced. The Rams compiled an overall mark of 14-4 and retained the number one ranking heading into the Eastern Maine tournament for the second straight year. The Rams also compiled an 11-3 Big East record to capture the League Championship for the third consecutive year. This year's team was led by its eight Seniors and received considerable contributions from its five underclassmen. The Rams were coached this year by Head Coach Roger Reed, and assistants Larry Seeney and Jeff Ingalls. All three coaches deserve special recognition to the program and their care for the team.

GIRLS' BASKETBALL:

THE ODDS WERE AGAINST THEM BUT DETERMINATION PREVAILED

This season has been one of overcoming setbacks in order to be ultimately successful. When injury and sickness occurred, the team fought back hard and overcame it. A definite highlight of the season was defeating the then ranked number one Old Town Indians in order to help clinch a tournament spot. Throughout the season, the varsity basketball team was ranked no higher than 10th, but they refused to quit and entered the tournament seeded 7th. Regardless of the outcome of the tourney, the girls will always remember the team's sheer determination in the regular season.

This was a building year for the Bangor High School Hockey team. Their 5-14 record was disappointing for the team. This record was due to their lack of experience and cohesiveness. The team was composed of nine freshmen, five sophomores, and four juniors. All members will return next year. The team is in hopes of having a devastating contingent of players next season in a quest to reach the Eastern Maine Class A Tournaments.

BOYS' SWIMMING: THE TRADITION CONTINUES

STATE CHAMPS!!

Once again the Bangor High School Boys' Swim Team continued their dominance of Maine swimming. Seniors, graduating from their fourth year on the team are proud of a perfect record. This continues Bangor's domination of the Maine swimming circuit to 5 years, 52 wins and 0 losses. Led by captains Mike Cassidy and Jason Stern, the swimmers proved that they truly are the pride of Bangor High School. In the state meet, unexpectedly held at Husson College, Bangor's "home pool advantage" translated into 26 places in the finals and two victorious relays. Senior captain Jason Stern was awarded the Harold Paulson Award for outstanding swimmer of the meet, winning two individual events and one relay. Roland Simmons was the individual champion in Diving.

STATE CHAMPS!!

The 1989-90 Bangor High Girls' Swim team had a very successful season. It started with a strong win at the Maine Swim League Relay Carnival and persisted throughout the season. The strong depth of the swimmers led them to a 9-1 winning

season, including the State Meet, February 17, 1990, at Husson College and PVC Swimming and Diving Championship. Not only did the swimmers conquer the scoreboards, but they also broke many longstanding records.

BANGOR PRIDE

The 1989-90 Indoor Track team had a most exciting year. Both the boys' and girls' teams were very competitive throughout the season. The boys' team was led by the Senior sprinting and jumping trio of Matt Walkins, David Dow and Jim McKeen. With hard work and dedication, the team posted a 27-1 regular season meet record and a

third place finish in the Eastern Maine Championship meet. The girls' team was led by captains Jenny Mason and Tracy Giles in the sprinting and jumping events. With the emergence of several young runners this season, both teams look to be very competitive in the future.

SOARING INTO A NEW DECADE

In Hungary and Czechoslovakia, heroes reborn

The new Eastern Europe rose from the ashes of failed uprisings. Last June tearful Hungarians, attempting a reconciliation with a more liberal past, paid homage to Imre Nagy, the prime minister hanged after the Soviets crushed his efforts at reform in 1956. In October, on the anniversary of the crackdown, the government bowed to popular will and its own desire for Western aid by changing the nation's status from a Communist to an independent republic. That evening 100,000 celebrants flocked to Budapest's Parliament Square (top). Similarly, Czechs and Slovaks built their revolution around memory, harking back to the Prague Spring of 1968 when then party chief Alexander Dubček challenged Moscow and lost. In November Dubček was back, addressing crowds like

CONGRATULATIONS TO THE CLASS OF '90

“Blessed is the man who finds wisdom, The man who gains understanding for she is more profitable than silver and yields better returns than gold. She is more precious than rubies; Nothing you desire can compare with her. Long life is in her right hand; In her left hand are riches and honor. Her ways are pleasant ways, She is a tree of life to those who embrace her; Those who lay hold of her will be blessed.”

A MESSAGE FROM YOUR EDITOR

Memories. The past decade is full of them from new diseases to new drugs, to scandals, to countries becoming united; the Eighties was a time of discovery, adventure, excitement and astonishment. In essence, it was a turning point in history. Now we are heading into the last decade of the century, and we are filled with anticipation wondering what it will bring. Will it bring the long awaited cure for the deadly disease A.I.D.S.? Will it bring peace to troubled and oppressed countries? Whatever the case may be, we are beginning an historical era that will lead us into a new century.

This year's *Oracle* captures the memories of the past, but it also represents the change that a new decade is going to bring. Many new ideas were added, but many traditions were kept. This year's book is meant to serve as a reminder of many special moments and events, but more importantly, it is meant to serve as a symbol of the future.

The 1990 *Oracle* is the result of many hours, days, and months of hard work on the part of a great number of dedicated people, without whom the production of this book would not have been possible. I would especially like to thank the following people for their effort:

To Amy: I want to thank you for being my right hand throughout the production of the book. I could not have done it without you. Thank you for your help, your support, and most of all your friendship.

To Ula: There are not enough words to express my gratitude for the work you did on the *Oracle*. Your dedication and hard work enabled this book to be produced. Your sense of humor and attitude really kept everything together when things got crazy. Thanks for everything.

To Greg: Thank you for always coming through with the Ad pages. Your job was not an easy one and yet you managed to fulfill it, even with having many other responsibilities. But most especially Greg, thank you for the excellent cover you designed.

To Jason: I thank you for the great deal of time you put in making sure that we had excellent pictures for the yearbook. I appreciate your hard work and your determination to provide us with the best pictures possible.

To Stephanie: Thank you for your organization and work in selling the book.

To Scott: Thank you for your work and your willingness to do whatever I asked, even when it was on short notice. Knowing that I could count on you made my job a lot easier.

To Mike: Thanks for the help you gave us with the sports section.

To Julie: Thank you for the knowledge that you were there to do the work that needed to be done.

I would like to give special thanks to the people who could always be counted on when we were in a bind: Kim, Anne, Len, Liz, Christine, and Jen.

I would like to thank Mr. Nickerson, Mr. Bussiere, and Mr. Cousins for their cooperation and for complying with the changes that we made in this year's book. Thanks also to Mrs. Bassi for all her help, and to Mrs. Carlson for supplying us with the countless lists that we needed.

Last of all, I would like to thank you, Mr. Ames, for your dedication to us and the book: Your constant support really encouraged us when we were in the midst of many hectic deadlines. Knowing that you were always there to go to when any problems arose made my job a lot easier. Mr. Ames, I thank you on behalf of the entire yearbook staff for everything you did for us.

The 1990 *Oracle* is very special to us, the yearbook staff. We hope that you, the students and faculty, will be able to relive the memories of the past year and decade that are captured within this book as we soared from the Eighties into the Nineties.

With my best wishes for all of you,
Robyn J. Allen
Editor-in-Chief

The Staff of the Oracle would like to salute all of those who witnessed the making of history in the last decade, and all of those who will in the next.
