Daniel J. Feeney -- Bishop of The Diocese of Portland. September 12, 1894
-- September 15, 1969.

IN MEMORIAM

The death of a man of such great dignity and determination, compassion, and concern, is always a shock to those with whom he was in contact. But rather than expressing sorrow for his departure, let us thank God for the life he gave us. In twenty-three years of dedicated service to his diocese, he proved a true proponent of Christian education with the founding of some twenty Catholic schools in the diocese. To his most valuable possessions -- his many accomplishments as head of this diocese -- we, the students of John Bapst High School, 1969-70, would like to add love and esteem. May he rest in peace.

The Most Reverend Peter L. Gerety, Bishop of Portland.

Succeeding to the bishopric of Portland after the death of Rev. Daniel J. Feeney, Bishop Peter L. Gerety has shown great interest in the people and problems of Maine. Since his transfer from his work with the segregated and underprivileged of New Haven, Connecticut, the most Reverend Gerety has exhibited a continuing crusade to end prejudice and extend true Christian attitude. Among his numerous accomplishments, he has established chaplaincies for hospitals and nursing homes and has fostered the growth of the Bureau of Human Relations established by Bishop Feeney. We, here at Bapst, hope and pray that in these turbulent times, Bishop Gerety may find the means to continue his worthy work.

CROSS COUNTRY LOOKS TO FUTURE

The fall of 1969 was hardly what could be termed a "successful" season for the Bapst Cross Country squad.

The lack of five strong runners kept the Crusaders from contending for any honors as a team. Individual performances, however, did show through. Senior, Mike Dumont ran well enough in the Regional meet to qualify for the State Meet at Colby. Early in the season, sophomore, Ed Hughes paced the Crusaders, placing well in the opening meets. Another fine effort was made by senior, Chris Spruce, adding another spark to the team.

Credit must be given to Coach Joe Sekera. He can look toward the future hopefully, as he has much potential among the frosh and sophomore runners.

Outstanding runner, Mike Dumont, chalks up another fine time.

Seniors lead the way!

THE SEASON'S OVER

John Bapst experienced one of the worst football seasons in the history of the school. A final record of 0-10 is not one to praise. However, considering the lack of experience and size of the team, just showing up for the game was an accomplishment.

One of the downfalls of the Crusaders might have been a lack of self-confidence. In sports, this in itself is a tremendous obstacle to overcome.

A feeling to hit harder, "to eat the opponent up," is essential for victory. Unfortunately, this vital enthusiasm was very seldom present. The John Bapst tradition has always been "never give up." To the spectators, this might not have appeared to be the case. But it takes a certain type of individual to play football. It also takes experience which only a few boys had. Now it is in the hands of the underclassmen to regain the true John Bapst tradition.

BACKBONE FORMED FOR '70

Steve Ford gets congratulated.

Last year's track team was dominated by two outstanding individuals. Sandy Miller, a senior, made an excellent showing in the discus javelin, 100 yd. dash, and low hurdles. For his efforts he was second in the State for the javelin. The other outstanding track member was the ace distance man, Steve Ford, who went undefeated on the season in the two mile and was rewarded with first place in the state meet while breaking a record which he had set before.

The rest of the team is filled with very promising athletes who are Ed Hughes, Jack Quirk, Mike Dumont, Tom Lynch, Pat McCoy, Frank Moore, and Don Moore. Coach Sekera looks forward to a promising future.

GIRLS' BASKETBALL WINDS UP

Although low on victories, the girls' team would have won every game had spirit counted. Under the direction of Miss Dale Ouellette, a junior physical education major at the University of Maine, the inexperienced girls completed the season with a 3-9 record. Led by co-captains Cheryl Higgins and Julie Brennan the team improved with every game.

In a post season tournament at Husson College, the John Bapst team came on strong beating Bangor, Ellsworth, and previously undefeated Orono, losing to Bucksport, in the final game. Outstanding in the tournament were Cindy Higgins, Pam Stover, Valerie Higgins, Mary Dunn, Margaret Hayden and captains Julie Brennan and Cheryl Higgins.

CRUSADERS CONCLUDE 1970 SEASON

The 1969-70 basketball team, though lacking experience, could be said to have done the job expected of them without winning the game. The team did not compile the most enviable record John Bapst ever had; yet, one must stop to wonder if the team ever gave up on the basketball court. Despite the lack of experience and the opposition, the John Bapst Crusaders put on a show of determination and never gave up a game. Apparently, the issue here is not the win or loss record; but more important, how the boys played the game.

After their first victory on the court, it is doubtful that they ever gave up, but, with the encouragement from Coach Geagan and Assistant Coach Weston, these Crusaders were the most awesome up to date. This could be credited to the big men up front. Leading the team in points and rebounds, senior Greg

Hansen played the pivot, aided by Steve Wright, and underclassmen Lennie Brennan Mark Williams; and Jim Russell. In back, senior Paul Lagrange held down the high scoring guards in the Conference while junior Greg Mullins looked for the hoops. Rounding off the team were Chris Spruce, Dave Kennedy, Dick Birmingham, Brian Enman, and Tom Shannon.

The future of Bapst is one to watch for; because; at the present time, there seems to be an overwhelming amount of talent for Mr. Geagan to work with. The question that will be on next year's team, can the boys go out there and win the game? The answer can only be given next year and, if their determination is as great as their ability to fight, there is no doubt a tourney spot will be assured to the Crusaders.

Good driving by Reg Woodard.

Coach Weston gets his team ready for the next quarter.

J.V.'s HAVE BUILDING YEAR

This year's J.V. team climbed out of a losing streak into good team effort. Outstanding players Charles White and Eddie Hughes, with good rebounding and quick defense, were certainly assets to the team. Mark Violette and Reggie Woodard helped out on the boards while John Brennan's shooting helped to get crucial points. Others who showed good effort were guard Ron Pinette and forwards Bill Collins and Mike Hanson.

With the majority of this year's team sophomores, next season should start off with some good experienced players working together.

Joe Mullins gets a bucket.

FROSH SHOWS POTENTIAL

This year the freshmen team showed outstanding potential racking up a record of 14 wins with 7 losses.

It was a team effort all year through and with the effort the freshmen put into it, it seems as though it was all worth it.

There were some outstanding players, however. Pete Dubay was the key playmaker for the frosh and was the one to go in for big baskets. The scoring punchers for the frosh were Bob Quirk and Bob Ashe while the latter was always good for twenty rebounds. At forward Bob Rioux and Tom Geaghan helped with scoring and on the boards.

Strong subs for the Frosh were Tom "Satch" Spruce, Ray "O.J." McCann, and Joe Mullins. The rest of the boys were always ready for action leading the team to victory.

Varsity Basketball Coach Ron Geagan discusses refereeing plans with volunteer referees Mike Ambrose, Paul LaGrange, Lenny Brennan, Dick Birmingham, and David Kennedy.

JOHN BAPST HOLDS BENEFIT MARATHON

Students of John Bapst High put on a basketball marathon for the benefit of Cerebral Palsy and Eastern Maine Friends of Retarded Children. The event was held February 20-22. Starting at 6:00 p.m. Friday night, the marathon ran to 10:00 a.m. Sunday morning. The school's Key Club and Cheerleaders helped in making the event a big success. The Varsity basketball players also helped by refereeing at two hour intervals. The publicity was good as the event was covered on all radio and T.V. stations.

There were 24 ball players divided into two teams, "The Longest Day," and "The Midnight Runners." The players on "The Longest Day" were Capt. Mike McLaughlin, Fred Gallant, Tim Coughlin, Doug Patin, Jim Lacadie, Allen Paul, Ken Wood, Francis Moore, James Cox, Mike Gallant, and Rick Varney. The "Midnight Runners" were Mike Dumont, Mike McAllister, Mike Ryder, Kevin Jameson, Paul Miller, Pat McCoy, Pat Tabor, Jim Trainer, Tom Hayden, and Dave Donahue.

I. Thoughts about the hereafter

(or . . . Is there a life after graduation?)

Seriously, graduation isn't the end, you know. It's just the beginning. And it could be the beginning of one of the most challenging and fulfilling times of your life. At New England Telephone. It could be, that is, if you want a job with a challenge as big as your ambition. We need people at New England Telephone — all kinds. People who are sincerely interested in the future. And who are looking for more from their job than just work! Your starting salary is good and you get automatic raises. You don't need experience! Your advancement is tailored to your talents. And you get excellent fringe benefits.
