One stroke of the bell when the department is in service is a signal that more hose is wanted and the hose company nearest the box will immediately respond to the signal. Whole department will respond in all cases to the third alarm.

If at any time while part of the department is in service, an alarm should come in from another box all companies waiting for second and third alarms will immediately respond after the first round has struck out.

Two distinct blows on the bells after an alarm has been given is a signal that the fire is out and all companies in waiting, or those covering some other company, will be dismissed.

EASTERN STEAMSHIP CO.

The oldest established Steamship Company in the United States, having commenced regular communication between Boston and the landings on Penobscot River in the year 1824, which it has maintained with constantly increasing facilities for more than 79 years.

The Steamers now in service on the Bangor Division are the

City of Rockland,
Capt. Marcus Pierce.

City of Bangor,
Capt. Howard H. Arey.

Penobscot,
Capt. William A. Roix.

Mount Desert,
Capt. F. L. Winterbotham.

During the Summer (or from the middle of May to the first of October) steamers leave Boston at 5.00 P. M., and Bangor daily, except Sunday.

From October 1st until late in November, four passages a week are made; in the winter there are two steamers a week, and upon departure of ice in the spring, four trips a week are made.

The regular landings on Penobscot River and Bay are Bangor, Hampden, Winterport, Bucksport, Searsport, Belfast, Camden, Rockland, Stonington and Mount Desert.

All the steamers of the line are fitted and furnished with all the modern appliances for the comfort, convenience and safety of passengers.

Moderate rates for fares and freight have always been maintained; the officers and agents are noted for their courtesies to passengers and the line has always had the commendation of all along the route.

COMMERCIAL

(Daily and Weekly)

"Covers its territory like the proverbial blanket."
—Printers' Ink

The Leading Daily and Weekly in Maine.

BEST FOR ADVERTISERS
BEST FOR READERS

The Commercial is everywhere acknowledged the "best paper in Maine"

The Weekly Commercial is an agricultural and news weekly; has twice as large a circulation as the paper having the next highest in the state; circulation within the state, exclusive of that outside, exceeds 27,000 all paid subscribers.

Printers' Ink aptly stated the truth when it said of the Weekly Commercial: "It covers its territory like the proverbial blanket."

The Weekly Commercial was awarded the prize of the Fifth Sugar Bowl by Printers' Ink, Jan. 16, 1901, "having been pronounced after over eight months' careful weighing of evidence, the one which gives an advertiser best service, in proportion to the price charged, among all the weeklies in the United States."

The Daily Commercial covers the cities and large towns as thoroughly as the Weekly does the country districts.

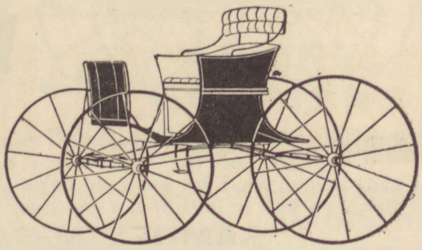

No other daily paper has as large an actual circulation in this field as the Daily (Evening) Commercial.
