PREFACE.

Again we present a new edition of the BANGOR AND BREWER DIRECTORY, No. 11, of the regular series, printed on calendered paper, with new type, State census, &c.

We would respectfully call attention to our advertising department, where are represented the most reliable business houses in the city, and citizens would do well to patronize.

Americans visiting Europe will find our Directories on file at Messrs. Henry F. Gillig & Co.'s American Exchange and Reading Room, 449 Strand, Charing Cross, London, W. C., and 35 Boulevard des Capucines, Paris.

Persons must know the precise spelling of a name before looking for it, as names pronounced the same are often spelled differently, and appear on different pages.

Thanking the several communities where our agents have collected their information for the present number for their assistance,

We remain, very respectfully,

W. A. GREENOUGH & CO.,

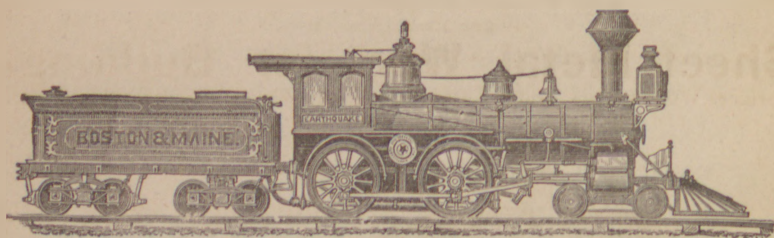

Editors, Printers and Publishers.

METALINE

Improved Roller Bushed

Tackle Blocks,

Latest and Best Improved

Lug Roller Bushing

Harcourt Patent.

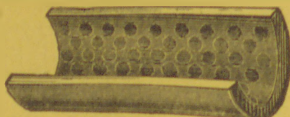

WITH FIVE ROLLS.

We have recently improved our LUG ROLLER BUSHING, so as to make it the strongest made bushing ever attempted. The weak points are all very strongly reinforced. The binder or separator which keeps the rolls apart is made very heavy and also has the *pinholes extend through every roll*, thus increasing its strength immensely. Each bushing is provided with five rolls, which are twice the size of the rolls in the old style bushing, thereby adding greater strength to both rolls and separator. Out-fits of Blocks fitted with these Improved Bushings will outlast three to one of anything else in the market. Try them and let them speak for themselves

New Improved Snatch
Block, with self-locking
link.

Clasp closed.

Our Improved Snatch Blocks will be found to be the simplest in Construction and in every way the best Snatch Block in the market, and will unlatch by simply throwing the hook around to right angles, bringing the lip in line with the link, and is strapped both on the outside and inside, making it the strongest Snatch Block in the market, as well as the easiest to operate.

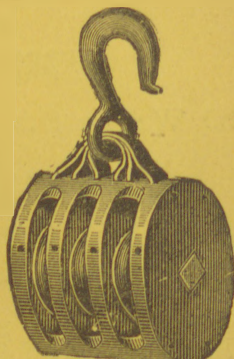

One Half Metaline Bushing.

Can be run at the quickest rate of speed without the use of any oil, being self-lubricating, and is designed for steam and heavy hoisting.

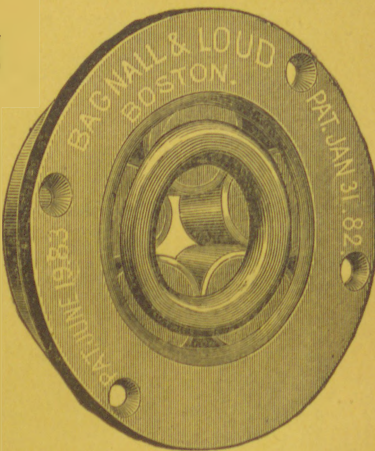

Outfits for vessels a specialty, at lowest prices.

Pat. Jan. 31, 1881.

HOMES AND INVESTMENTS

— IN THE —

Highlands of Florida.

The western part of Orange County, on the backbone of the State, known as the beautiful "LAKE REGION," is very high and rolling, and is filling up with unexampled rapidity. Where three years ago were unbroken pine woods are now thriving villages and flourishing *Orange Groves*. The climate is very salubrious, being tempered by continual breezes from the Atlantic and the Gulf.

Any who desire to select a home or start a grove can secure the services of the subscriber, who, after patient investigation of different localities, has recently moved there from Massachusetts. He will give his careful attention to any business entrusted to him.

LAND SELECTED AND TREES PLANTED AND CARED FOR.

Address,

Rev. E. S. HUNTRESS,
Mount Dora,
Orange County, Florida.

BANGOR PUBLIC LIBRARY.

ESTABLISHED 1883.

This library is mainly supported by the income from the Hersey Fund (\$100,000) and the Bangor Mechanics' Association Fund (\$12,000), both of which funds are held in trust by the city for this purpose. The library formerly owned by the Bangor Mechanic Association, of about 20,000 volumes, was transferred in 1883 to the city, also in trust, and became a part of the public library, which is continually increasing by purchases and gifts.

The Library is managed by a Board of nine trustees, as follows: on the part of the city, His Honor the Mayor, Edward B. Nealley, *Ex-officio*; the City Treasurer, J. L. Crosby, *Ex-officio*; Hon. F. M. Laughton, Hon. Hannibal Hamlin, Hon. F. A. Wilson, the officers of the B. M.

Association are the other former members of the Board as follows: T. U. Coe, *Pres.*; G. S. Hall, *Vice-pres.*; B. Pol, *Sec.*; E. F. Shaw, *Treas.* President of the Board, His Honor the Mayor, Edward B. Nealley; Treasurer of the Board, City Treasurer, John L. Crosby; Secretary of the Board, Bernard Pol.

Daniel Holman, librarian; James Crosby, Mary H. Curran, and Anna E. Jewett, assistants.

The Library is free to all to use in the rooms. Any person residing in Bangor may take books for home use for one year, by the payment of one dollar, for one book at a time. The library is open from 9 to 12 A. M., from 2 to 6 and 7 to 9 P. M. Except Sundays and legal holidays.

THEOLOGICAL SEMINARY.

This institution was incorporated under the name of the Maine Charity School, in 1814. In 1816 it went into operation at Hampden. In 1819 it was permanently located at Bangor. Its object is to provide the means of a thorough professional education to ministers. It is open to evangelical christians of every denomination.

Candidates for admission must have been regularly educated at some college or University, or otherwise have made literary acquisitions which, as preparatory to theological studies, are substantially equivalent to a liberal education.

The number of students varies from 25 to 60. Whole number of alumni, about 800. The library contains more than 15,000 volumes.

The anniversary is on the first Wednesday in June. There is but one vacation in the year, commencing at the anniversary, and continuing fourteen weeks. The proper time for admission to the seminary is the first week in the academical year, which commences fourteen weeks from the anniversary.

MONEY ORDERS.

Office Hours.—From 8 A. M. to 6 P. M.

Especial attention is called to the Money Order system as a safe and cheap method of transmitting small sums through the mails. Orders are issued in sums of not more than fifty dollars. Larger amounts can be transmitted to the same person, at the same time, by additional orders.

RATES OF POSTAGE.

SECOND CLASS.

Applies to newspaper publishers and news agents. Rates (regular publications sent from newspaper offices or from news agents or dealers) will be one cent per pound or fraction, postage to be prepaid as heretofore. Publications must be issued as frequently as once in three months, matter to be fully paid.

THIRD CLASS.

Embraces books (transient newspapers, periodicals, 1 cent, 4 oz.), circulars, picture cards, and other matter wholly in print, proof and corrected proof sheets, with manuscript copy accompanying the same. Rate one cent, each two ounces or fraction, matter to be fully paid. There is no limit to single volumes of books. Other third-class matter is limited to 4 lbs.

FOURTH CLASS.

Embraces blank and printed address cards, labels, tags, mounted maps and charts, letter paper, patterns, photographs, playing cards, visiting cards (*if written, letter rates*), paper sacks, wrapping paper, with printed advertisements thereon, bill heads, letter heads, envelopes, printed blanks, sample cards, lithographs, chromo-lithographs, stereoscopic views and photographic views, and other matter of the same general character, the printing upon which is not designed to instruct, amuse, cultivate the mind or taste, or impart general information, samples, merchandise, models, seeds, cuttings, bulbs, roots, and scions, ores, metals and minerals. Rates one cent, each ounce or fraction. If matter of two classes be inclosed in one package, the whole must be paid at higher rate.

MONEY ORDERS.

For any amount not exceeding \$100 on one Order will be issued on deposits at this office on payment of the following fees: On Orders not exceeding \$10, eight cents; over \$10, and not exceeding \$15, ten cents; over \$15, and not exceeding \$30, fifteen cents; over \$30, and not exceeding \$40, twenty cents; over \$40, and not exceeding \$50, twenty-five cents; over \$50 and under \$60, thirty cents; over \$60 and under \$70, thirty-five cents; over \$70 and under \$80, forty cents; over \$80 and under \$100, forty-five cents.

Orders payable in the German Empire, not exceeding \$10, fifteen cents; over \$10 and not exceeding \$20, thirty cents; over \$20 and not exceeding \$30, forty-five cents; over \$30 and not exceeding \$40, sixty cents; over

List of Money Order Offices may be seen at P. O. on application.

Note. The issue to a single applicant in one day, of more than three Orders, payable at the same office, and to the same payee, is positively forbidden.

UNMAILABLE.

The following articles are excluded from the mails: liquids, poisons, explosive materials; books, pamphlets, pictures, and other publications of an obscene or indecent character; all letters on the envelope of which, and postal cards upon which, scurrilous epithets are written, printed or engraved, or disloyal devices printed or engraved; and all articles which from their form and nature are liable to destroy, deface or injure the contents of the mail bags, or the person of any one engaged in the postal service.

FOREIGN.

On letters to all parts of Austria, Azores, Belgium, Denmark, Egypt, France, Germany, Great Britain and Ireland, Greece, Hungary, Italy, Luxembourg, Montenegro, Netherlands, Norway, Portugal, Roumania, Russia, Servia, Spain, Sweden, Switzerland and Turkey, five cents per half ounce or fraction thereof; prepayment, except on registered letters, optional.

Two cent postal cards can be forwarded to any of the above foreign countries.

On newspapers and books, 1 cent for each two ounces or fraction. Bonafide samples two cents for the first 4 oz.; 1 cent for each 2 oz. additional.

Coin, jewelry, and articles subject to custom's duty, are excluded from all foreign mails.

Rates of postage to foreign countries other than as above, being subject to change each month, inquiry should be made at the foreign department for ruling rates before mail matter is deposited in the office.

All mail matter, except letters, must be so wrapped or enveloped that their contents may be readily and thoroughly examined by postmasters without destroying the wrappers.

POSTAL NOTES.

Postal notes may be obtained at any money order office, payable to bearer, at any money-order office, for sums from 1 cent to \$4.99 inclusive, good for 3 months from last day of month of issue. The rate for each note is 3 cents.

REGISTRATION.

Fees—10 cents beside the postage.

Valuable letters should invariably be registered, or if money is to be remitted, a money order procured. Never inclose money or valuables in an ordinary letter.

SPECIAL DELIVERY OF FIRST-CLASS MAIL MATTER.

By affixing a special ten cent stamp in addition to the regular postage a letter is entitled to immediate delivery, between 7 A.M. and midnight, in any city or town of 4,000 or more population.

This delivery is made within the carrier limit of any free delivery office, or within one mile of the postoffice of other places, as designated above.

Highlands of Florida.

The western part of Orange County, on the backbone of the State, known as the beautiful "LAKE REGION," is very high and rolling, and is filling up with unexampled rapidity. Where three years ago were unbroken pine woods are now thriving villages and flourishing *Orange Groves*. The climate is very salubrious, being tempered by continual breezes from the Atlantic and the Gulf.

Any who desire to select a home or start a grove can secure the services of the subscriber, who, after patient investigation of different localities, has recently moved there from Massachusetts. He will give his careful attention to any business entrusted to him.

LAND SELECTED AND TREES PLANTED AND CARED FOR.

INVALIDS' ROLLING

—AND—

BATH CHAIRS.

TRUSSES,

A large assortment of best patterns from which to select, to meet the requirements of each case. If convenient, persons requiring Trusses should call at our establishment where they can have a suitable Truss carefully fitted by a competent and experienced person familiar with the anatomy of hernia. When a call in person is impracticable, a careful description should be sent, stating whether the rupture is on the right or left side; also the measure around the person, two inches below the top of the hip bone. If the rupture is at the navel, the measure should be around the body at the navel. N. B.—Ladies attended by those of their own sex.

ELASTIC HOSE,

For Varicose Veins, Swollen Limbs, and Weak Joints. Of these goods we have several classes of silk and cotton, possessing different degrees of elasticity; the stout silk being usually the most satisfactory. The sizes are full length (of leg), three quarters, half or knee hose, knee caps, and anklets. Unusual sizes made to order. Also,

Elastic and Spring Abdominal Supporters, Shoulder Braces, Suspensory Bandages, Apparatus for Weak Ankles, Bow-Legs, Club-Feet, etc.

Also, Crutches of various and most improved kinds; Syringes'

Rubber Urinals to wear on the person day or night,

To be found in the United States. A GOLD MEDAL has lately been awarded us by the Middlesex Mechanics Association, as will be seen from the following report, signed by a leading New England Surgeon and Physician:

"1563. CODMAN & SHURTLEFF, Boston, Mass. One Case Surgical Instruments and Atomizers

"The Committee have no hesitation in awarding for this superb exhibition the highest premium * * * The various other instruments for inhalation of a ozized liquids, and for Local Anaesthesia, were all apparently faultless, both in design and workmanship. The exhibitors are regarded as more especially deserving of the highest token of merit for having produced nothing except their own manufacture.
