# THAT GREAT ROBBERY !

---

*The public should be constantly on the alert, otherwise they will be Robbed, not only of their Money, but also of their health, by the delay occasioned in purchasing a base imitation of "L. F." Atwood's Bitters.*

*The perpetrator of this imitation, in order to make a speedy introduction of his Bitters, with small expense to himself, put them up in a style closely resembling in external appearance that justly celebrated medicine, "L. F." Atwood's Bitters ; of course, palming off his imitation in place of the true and original article, thereby appropriating to his own use that which justly belonged to another.*

*This POTENT REMEDY, mild, harmless, but SURE in its operation, purifies the blood, restores the wasted energies, regulates all deranged functions, giving new life and vigor to the whole system.*

---

*Chebeague Island, Me.*

*For Sick Headache and Pains in the Stomach, I have used for myself as well as for my children, "L. F." Atwood's Bitters, and speedy relief has always resulted. I have used many other popular remedies, receiving but little benefit. Since suffering intensely from one dose of the imitation, I have been particular to observe the patented trade-mark, "L. F." as well as the signature of "L. F." Atwood. MRS. DAVID O. HAMILTON.*

---

**BEWARE!** *L. F. Atwood has never sold his interest in his Bitters to one "Wood," nor to one "Moses F. Atwood," therefore, be not misled by their signatures.*

 *The True Medicine gives Relief, and bears the large red patented Trade-mark, "L. F." as well as the Signature of "L. F." Atwood.*

THE usual time for a new edition of the BANGOR DIRECTORY has again come, and we present No. 8 of the regular series to our patrons, with the confidence of its welcome reception by them, as well as by the public generally.

As cities grow in importance and population, the directory increases in value, as a book of reference, until large cities like Boston and New York could not possibly get along without their annual publication. A good directory is a great benefit to a city, not only to the citizens, but to strangers and visitors, who are constantly referring to its pages for information of some kind. We also often receive orders from distant parts of the country for our directories, which show that their circulation is not necessarily limited to the cities they represent.

We wish especially to call the attention of persons using the directory, to the importance of knowing the precise spelling of a name, before looking for it, as names, pronounced the same, but spelled in various ways, will appear on different pages, and at quite a distance from each other.

The revival of business, which has so long been looked for, has at last come, and we trust that the merchants and manufacturers of Bangor will feel the effects of it to such an extent, that, when our next edition is published, we shall receive an increased patronage from them.

Our agents have received the usual courteous attention from all with whom they have come in contact, while obtaining the information for this number, and with many thanks for the same,

We remain very respectfully,

GREENOUGH & CO.,

## THEOLOGICAL SEMINARY.

This institution was incorporated under the name of the Maine Charity School, in 1814. In 1817 it went into operation at Hampden. In 1819 it was permanently located at Bangor. Its object is to provide the means of a thorough professional education to ministers, and is open to evangelical christians of every denomination.

Candidates for admission must have been regularly educated at some respectable college or university, or otherwise have made literary acquisitions which, as preparatory to theological studies, are substantially equivalent to a liberal education.

The number of students varies from 40 to 60. Whole number of alumni, about 500. The library contains more than 13,000 volumes.

The anniversary is on the first Wednesday in June. There is but one vacation in the year, commencing at the anniversary, and continuing fifteen weeks. The proper time for admission to the seminary is the first week in the academical year, which commences fifteen weeks from the anniversary.

# PIANOS

AT GREAT BARGAINS.

## WOODWARD & BROWN,

*Have Removed to the Large and Elegant Warerooms,*

**No. 592 WASHINGTON ST., NEAR GLOBE THEATRE.**

The remarkable beauty and purity of sound that modern skill has succeeded in producing, are nowhere better exemplified than in the instruments that crowd our warerooms. All the qualities that give superiority, strength of tone, sonorousness, ability to stand in tune, and ease and flexibility of action, are found there in perfection. These Pianos have long been famous also, for thorough workmanship, and the durability that characterizes them. After years of service, the full, mellow tone

so delightful and satisfying to the ear, is as perfect as at first, and in every detail care and nicety in labor are evident.

At the recent Worcester County Exhibition they were awarded the highest premium. The same was the case at the last great Exhibition and Fair of the Massachusetts Charitable Association, held in Boston, of which the late Jonas Chickering was the president, and his pianos took the second prize. They will stand in tune longer than any other piano manufactured, as we make a specialty of that point.

*Pianos sold on installments. Old Pianos taken in exchange for New.  
Pianos to let. Pedal Pianos. Tuning and Repairing done in the  
best manner. DON'T FORGET THE NUMBER,*
