The 1988 ORACLE Is Dedicated to . . .

Mr. Ronald Sands

Mr. Ronald Sands was born in Dexter, Maine on March 12, 1936. He attended Dexter schools and graduated from Dexter High School in 1954. While in high school Mr. Sands was very active in athletics, playing baseball and basketball for four years and football for two years. Following graduation, Mr. Sands enrolled at Hartford Art School where he received scholarships while earning his Bachelor of Arts degree. He graduated from Hartford in 1959.

Following two years of U.S. Army duty in Colorado and Hawaii, Sands was discharged and returned to Connecticut where he worked in the Art Design field.

In 1964, Mr. Sands accepted a teaching position at Fifth Street Junior High School in Bangor; in 1980 he transferred to Bangor High. Mr. Sands and his wife of twenty years, Sue, have one daughter, Kerry. They reside in Carmel.

Mr. Sands has endeared himself to staff and students throughout his years in Bangor. His sincere interest in his students extends beyond the classroom as he supports all school activities with his time and talents. In 1985 he received the Staff Member of the Year Award at Bangor High School.

It is with great pleasure that the 1988 ORACLE is dedicated to Mr. Ronald Sands.

PRINCIPAL'S MESSAGE

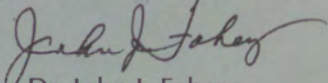

Dear Members of the Class of 1988:

On behalf of the staff and administration of Bangor High, it is a pleasure to congratulate you on the milestone you are about to achieve. Your graduation is imminent and we know you are excited and proud.

You will find your yearbook, the ORACLE 1988, to be your best source of memories and cherished times. You will search through it page by page at first, then later you will browse and enjoy it over and over.

For the staff and advisor of the ORACLE, the book is the culmination of a tremendous amount of work. The long after school hours, the worry, and ultimately the satisfaction of the finished product go hand in hand. We know you will appreciate their efforts.

To all of our Seniors, members of the Class of 1988, we wish good health, happy lives and successful futures. We believe you are all well prepared to face life's challenges.

Dr. John J. Fahey

Principal

Senior Flight Line

"Bangor Tower, 9-0-8-6-Hotel is ready for takeoff."

"Roger 8-6-Hotel, you are cleared for takeoff on 3-3. Right turn out approved to 1500 for the Pushaw Lake Region."

Sound like something from "Top Gun," well it isn't. It is a common occurrence for student pilots. This year Bangor High School has six senior student pilots working for their certificates.

Flying for these students is a constant battle. Time, money, weather, paperwork, maintenance on planes, plane availability, instructor time, groundschool, physicals, and keeping the rating of an aircraft current all hinder the student pilot in his quest for his certificate. In order to obtain his certificate he has to have more than 40 hours of flight time. During the first 10 hours of flying the student learns the basics of flying. Before the student can continue he has to take an FAA physical. Having passed the physical the student continues for another 10 hours of local solo time (50 nautical miles around ones home airport and completely alone in the aircraft). During the next 20 hours the student pilot flies 10 hours with an instructor and 10 hours solo cross-country (outside 50 nautical miles of one's home airport with at least one stop over). The student pilot is almost ready to take his flight exam, he needs 3 hours of night flying with an instructor as well as practicing for his flight exam. But before this the student has to go through a groundschool and take an FAA written exam. Then the student pilot is ready to go for his flight exam which will certify him as a full fledged pilot.

The six senior student pilots at Bangor High School are:

Shawn Michaud with over 50 hours of flight time in a 4 place

Cessna. He is ready to take his flight test.

P. J. Bussiere with 50 hours of flight time in a 4 place

Cessna. He is finishing his solo cross-country flights.

Rob Tomlinson with 40 hours of flight time in a 2 place

Cessna. He is finishing his solo cross-country flights.

Ian Gillis with 30 hours of flight time in a 4 place Cessna.

He is working on cross-country flights.

Erik Lagerquist with 15 hours of flight time in a 2 place

Cessna. He is working on local solo flights.

Chris Barclay with 8 hours of flight time in a 2 place

Cessna. He is working on finishing basic airwork.

— These figures were current as of February 1988 —

The student pilots would like to thank their flight instructors and groundschool instructors.

Keep 'em flying boys!

RESISTANCE

By Rachel Miller

The word 'RESISTANCE' is rendered in a bold, blocky, hand-drawn font. Each letter has a thick black outline and a smaller, slightly offset inner outline, creating a 3D effect. The letters are decorated with various elements: some have small circles or dots, others have jagged, lightning-bolt-like lines extending from them. There are also small circles connected by lines, resembling a molecular structure or a network diagram, scattered around the word.

GIRLS' SWIMMING

Desire, dedication, and teamwork are the key words in describing the 1987-1988 girls swim team. Seniors Julie Chandler (capt.), Marcie Roy, Kelly Seabrease, Jennifer Smith, Laurie Walls (capt.) and Lindsley Zoidis (capt.) led the team to a 7-1 dual meet record, Relay Carnival, PVC and State Championship. These accomplishments were due to a total team effort with everyone contributing in their own way. That "Bangor feeling" was in the air on the State Meet day as the team brought home another State Swimming Championship on February 16. The season was very successful not only in bringing home the State Championship but also in carrying on the traditions of team unity and pride.

HOME COMING '87

Homecoming King and Queen:
Eric Long and Jill McKeen

Homecoming 1987 was celebrated with Spirit Week from October 26-31. The week began with the first of five theme days. These theme days included 50's day, hippie day, mafia day, toga day, and red and white day. Each class competed in decorating and poster competitions. Weekend activities began with the announcement of Homecoming King and Queen and the traditional Friday night bonfire. On Saturday, class floats were decorated and there was a spirit parade to Cameron Field for the Cony-Bangor football game.

ISPIRITO WEEK

Stand by me.

Friends, Romans . . .

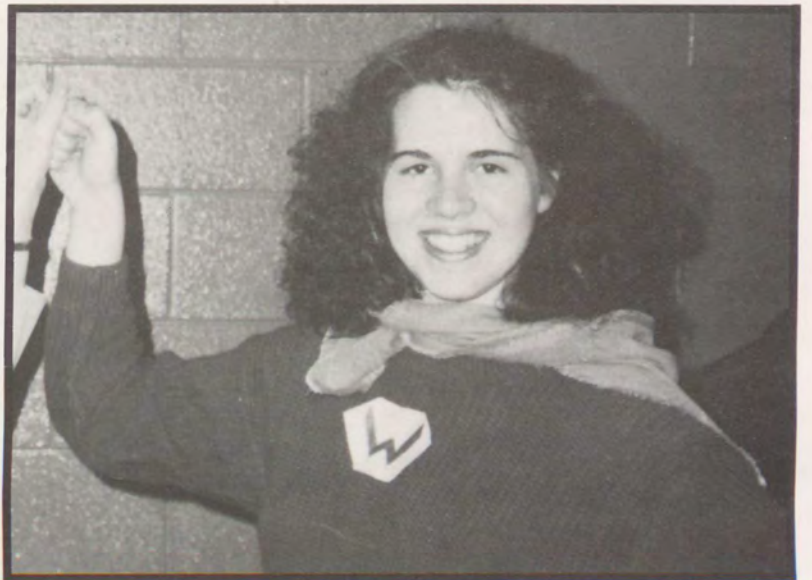

Oh, you dirty rat!

Peace and love, brother.

Editor's Message

Well, our High School years are about to end. Many friendships have grown and developed. We, of the Class of 1988, are about to begin a new phase in our lives. Whether it's college, the armed services, or employment, we will face many new challenges in the future.

The *Oracle* is a record of high school memories. Several moments are rekindled by a flip of a page. It is a tremendous task to undertake the publication of a yearbook. But, all the hard work, time, effort, and dedication eventually pay many dividends for the yearbook staff. Now, I would like to thank several people for transforming this dream to a reality.

To Caroline and Dawn: I asked a lot from both of you and you came through when I needed you most.

To Ian Gillis and his photography staff: Thank you for all the times you took candid and sporting events at school.

To Jerome Spencer: Thank you for helping me on short notice on many occasions.

To Mrs. Bassi: Thank you for letting me use the phone, leave several messages, and identifying people in pictures.

To Rosalie Wetmore, our photographer, I appreciate the times you came in for Faculty, Activity, and Class pictures.

To J. Cole Harris, our Taylor Representative, thank you for helpful instructions, advice, and a vote of confidence.

And, of course, I thank Mr. Salisbury, our yearbook advisor. Your guidance and support this year surely helped to keep me going. The goal of finishing the 1988 *Oracle* has been attained, but I shall always recall with pleasure our times working together. It has been an honor and a great experience.

Good bye and good luck to all members of the Class of 1988.

Sincerely

Matt Lieberman

TRUST

*"For 50 years in Maine
Folks have put their trust in Webber
And we've worked a little harder
Just to earn that trust."*

Bill Parent has been servicing Webber customer burners for better than 33 years. And as the saying goes around here, "If Bill can't fix it, it ain't broke." Most companies charge about the same for heating oil ... the big difference, at 3 AM on a cold February night, is having a Bill Parent ready to handle your emergency. To assure Webber customers of this on-going-tradition, the Webber management team, headed by company president, Larry Mahaney, constantly reviews new and innovative methods toward improved service. At Webber, we believe if we don't provide great service ... we just don't deserve the business.

"That's why people put their trust in Webber."
