The journey we began four years ago is nearing completion. Thinking back, each time we stumbled, there was always someone there to lift us up. Each time we were lost, someone was there to light our way. Through these difficulties, we have grown closer together. We draw strength from each other to begin a new and longer journey. It will be fun to ponder the memories we have created and to take pleasure in the events of our years together.

Thanks for everything,
Jaimie Black
Senior Class President

The dreams of today will be the visions of our tomorrow and the challenges we have yet to overcome.

The credit belongs to the man who is actually in the arena, whose face is marred by dust, and sweat, and blood; who strives valiantly; who errs and comes short again and again because there is no effort without error and short comings; but who actually strives to do the deed, who knows the great devotion; who spends himself in a worthy cause, who at best knows in the end the high achievement of triumph and who at worst, if he falls while daring greatly, knows his place will never be with those timid and cold souls who know neither victory nor defeat."

"She can kill with a smile
She can wound with her eyes
She can ruin your faith with her
casual lies
She can take you or leave you
She can ask for the truth but
she'll never believe you
She will promise you more than
the Garden of Eden
Then she'll carelessly cut you
and laugh while you're bleeding
She only reveals what she wants
you to see
She'll take what you give her as
long as it's free
But she'll bring out the best and
the worst you can be
Blame it all on yourself
'Cause she's always a woman to
me."

We Came, We Saw,

WE CONQUERED

Spirit Week celebrates the atmosphere of the school during the week of Homecoming. Themes are chosen to allow the students to express their school spirit. Hippie Day gave students a chance to step back in time and get groovy. Gangster Day surfaced to expose the "underworld" of BHS. Opposite Sex Day proved to be the most entertaining as the genders were warped. The students experienced their pioneer roots with Wild West Day. And while the rest of the school showed their spirit by wearing the school colors, the seniors regressed back to their childhood during the memorable Senior Day.

FALL PIECES

19

The lobbies of the school burst with spirit on Senior Day, when it was transformed by bright decorations and imaginative posters. Seniors celebrated their youth by dressing up as cartoon characters and reveling in the wonderland which they created in B-Lobby. The day proved to be the highlight of Spirit Week. Homecoming spirit escalated at the football game that night. The stands were jammed with screaming fans who supported the Rams to a 40-0 win against the Skowhegan Indians. After the decisive victory, players and fans celebrated the day at the dance held the same night.

Freshman Class Council

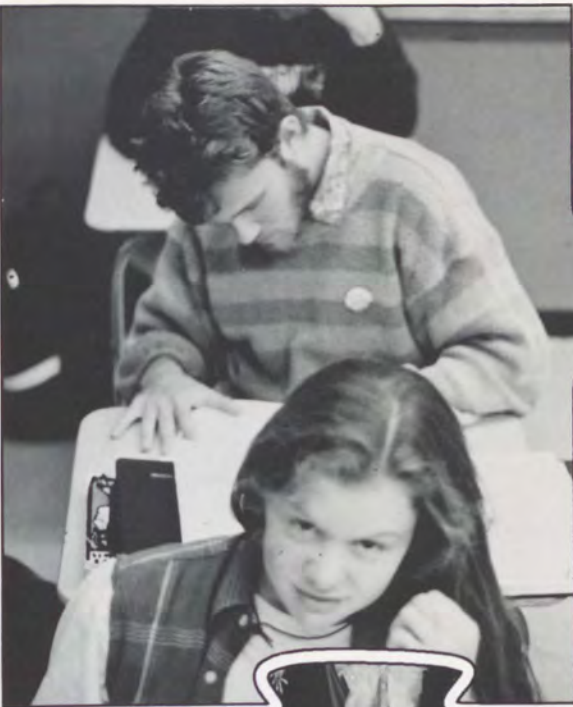

The Class of 1997 brings enthusiasm and spirit to Bangor High School. They are the biggest class at BHS and hope to be the most involved and one of the best! The Freshman Class Council, advised by Mrs. Kornfield and Mrs. Jones, made a great start on raising money for their graduation.

Allyson Ashe (President), Beth Pancoe (Secretary), Scott Brown (Vice President), Nick Carlisle (Treasurer)

Meredith Theeman, Katrina Abell, Scott Peddicord, Karen Foley, Sarah Oldenburg, Kate Wiebe, Britta Strong, Jenny Minott, Meaghan Lee, Amanda Stevens, Jon Doe

ACTIVITIES

One of the many things which set Bangor High School students apart from the rest is their involvement in school activities and events. BHS students are not content to be spectators, they continually challenge themselves by getting into the thick of things and making a difference in the world around them. Bangor High students are leaders, not followers, who strive to make themselves known and not to become just another face in the crowd. Students choose to express their involvement in many ways.

Students who are interested in student government are right at home in the Student and Class Councils. Dirigo Girls' and Boys' States offer a first-hand approach to politics. National Honor Society recognizes and promotes academic achievement. Students who look for an action oriented club can choose Senior Seminar to be part of an exciting program of voting reform, or S.E.E.D. to protect and raise awareness about the environment. They can also join the Stu-

dent A.I.D.S. Committee to learn and educate others about A.I.D.S. and H.I.V., or Key Club which encourages community involvement. Students who are interested in competing in academic, problem solving; and speaking events can choose the Math Team, O.M., Debate, and Speech.

Those who have an interest in international culture find Latin Club and A.F.S. to be rewarding and challenging. Students who enjoy writing and publishing turn to the Ram-Page, Lit House, Midweek Writers, and the Oracle for inspiration. Students with artistic minds and talents can find an activity just for them in Band, Orchestra, Chorus, Drama Club, and Art Club. R.O.T.C. keeps the strong leadership traditions of BHS alive and well.

Into the activity each student brings his own personality which makes the clubs or activities one-of-a-kind. The activity becomes like a puzzle with each of the individuals adding to the big picture.

Student Council

The Bangor High School 1993-1994 Student Council has had a challenging and rewarding year. The council was advised by Mr. Monk and led by President Rick Crowe. The council has supported many activities and events such as two Blood Banks and hosting the Eastern Maine Association of Student Councils. Allyson Port was President and Cori Wheelden was Secretary of EMASC. The council also attended the Leadership Convention, organized Homecoming, held the Third Annual Teacher Appreciation Breakfast, gave a gift to the school, and held elections for the 1994-1995 Student Council. This year's Student Council was very successful in all their projects.

The Bangor High School Key Club began its year with a large membership turnout. Things got moving along quickly with a Kiwanis Club auction and a pumpkin carving activity at the YMCA. Other activities included Thanksgiving food baskets and shopping trips with area children in December. Spring brought lots of fund raising and ended with a trip to Massachusetts. All of this was accomplished thanks to very hardworking officers and members, and one slightly confused advisor, Ms. Blakney.

Students Ending Environmental Destruction

S.E.E.D. (Students Ending Environmental Destruction) has been in existence for four years. During this time, the senior members have seen a varied and active club. Many underclassmen and new members have helped this action-oriented environmental group achieve this year's goals: to maintain and expand the school's recycling program, to continue community clean-ups, to organize a Bangor High School Earthday presentation, and to educate elementary and middle school students about environmental issues.

Art Club

The purpose of Art Club is to provide a place and time for motivated students to work on independent or group art projects. The primary goal is for studio enrichment for students. Art Club also holds a fine art poster sale each Christmas, works on murals to enhance the corridors of the school, hangs artwork at various facilities in the community, and takes a field trip to a museum in the spring. Last year the Art Club awarded three prizes to graduating seniors going on to school in the art field.

Odyssey of the Mind

Odyssey of the Mind is an extracurricular competitive program in creative problem solving. It encourages teamwork, divergent thinking, and problem solving. Teams of five to seven students work together to solve one of five challenges. They plan, develop, and rehearse their novel solutions, testing them in competitions against other schools. Winning teams go to compete in local, regional, state competitions and the world final.

Row 1: Sarah Rea, Angie Michaud, Molly Tomlinson, Kirsten Strong, Row 2: Liza Levering, Kim Madore.

Debate

The Debate Team, coming off a very successful 1992-'93 season, did even better this year. Although most of the team competed in Lincoln-Douglas, some debated about health care in Policy Debate. The rest of the team argued moral issues such as privacy, education, and mercy killing. Captains Ed Allen and Molly Tomlinson are shown at left.

Speech

The Bangor High Speech Team offers students a chance to demonstrate their particular speaking strengths. The team competes across the state in categories that range from storytelling to dramatic interpretation. Working under a new advisor this year, the Speech Team had a great year of building and growth.

Girls' and Boys' State

Dirigo Girls' and Boys' States select five hundred young women and five hundred young men from high schools throughout Maine. Boys' State was held at Maine Maritime Academy, while Girls' State was held at Husson College. Bangor High School was able to send twelve of the state's finest to the conferences. Attending Girls' State were: Mandy Ingalls, Laura Jordan, Whitney White, Abby Bradford, Angie Plummer, and Molly Tomlinson. Attending Boys' State were Darrick Banda, Ed Allen, George Wright, Luke Leavitt, Rick Crowe, and Kevin Rochefort. The main purpose of the events was to educate the participants about the workings of town and state governments. Highlights of the week included elections to the Senate, House, and other positions in the government. The experience as a whole was memorable, and by the end of the week, delegates walked away with knowledge, ideas, and friends.

Senior Committees

Many exciting events take place each year for the graduating class. The seniors work hard in many ways for these events to be successful and enjoyable. The events include the Senior Prom, the Senior Banquet, and the Talent Show. Seniors take time out to make their last year a Bangor High School a special one. Each committee helped to produce fond memories for the class of 1994.

PROM COMMITTEE

Left to Right: Kim Madore, Jenn Brookings, Ally Port, Tasanee Briggs, Andrea Bassi, Mandy Ingalls, Laura Jordan.

◀ The Senior Prom is probably the most exciting of all three events. Andrea Bassi was the head of the committee. The Prom was held on June 4, 1994.

The Senior Banquet is a time to reminisce and remember the past four years. Laura Jordan was the head of this committee. More memories were made on June 9, 1994.

The Talent Show is an event everyone looks forward to watching. The entire school participates but a committee of Seniors makes the show successful. Jenn Brookings was the head of this hard-working committee. The Talent Show took place on March 18, 1994.

The Bangor Latin Club was re-established in 1989 by a few eager students. For five years we have been enjoying the things of Ancient Rome and Greece. We offer conventions, dinners and competitions both academic and physical. For us Latin is alive.

Math Team

The Math Team is a member of a statewide organization which promotes mathematical study and competition. The team enters five regional meets and one state meet. At each meet there are five topics on which the student is to concentrate. This provides an opportunity for the student to look at topics, such as triangles, which he/she has studied in more than one course. The meet also provides an opportunity for students to enjoy competing against others.

Senior Seminar

John Purton, James Smith

Senior Seminar is an active government class which is given a real life problem, researches it using modern technology, and then communicates with local, state, and federal government representatives and agencies. By using the co-operative approach in learning, the class searches for a solution. The class is also a forum to meet public officials and members of the community, and works in two areas of the school. Using the classrooms and computer labs, the class communicates with the government on the local, state, and federal levels. The major goal for this year was to research tele-voting, which would ease the voting process for all disabled American voters.

Lit House

The literary magazine Lit House is a Bangor High School publication which began in 1986. Since then it has provided a place for students to demonstrate their writing skills in a variety of genres. The magazine accepts submissions from all current high school students. The Creative Writing class acts as the editing body and a student editor is selected from this class. The illustrations are provided by the art classes. Dianna Christakos is the advisor.

Ram-Page!

The Ram-Page! is a Bangor High School student newspaper which combines articles from the Journalism Club as well as the journalism class. The Ram-Page!, published bi-monthly, is now in its fifth year of publication and has brought national and school news to the BHS student body. Articles this year included, among others, the Senior Seminar class' attempt to revolutionize voting, foreign exchange students, Student Council news, Player Profiles, sports stories, reviews, and numerous editorials. This year's class, guided by Mrs. Drisko and Mrs. Martin managed to publish and distribute a *record* five issues! The students worked on writing, typing, and editing their stories as well as laying out articles, taking photographs, creating comic strips, editorial cartoons, and drawings.

The 1993-'94 staff of the Ram-Page! put in a lot of hard work and long hours in creating the paper. Under the leadership of editors-in-chief Scott Morelli and Soubanh Phanthay, the dedicated staff successfully created, published, and produced all five issues to over one thousand BHS readers.

Midweek Writers

The Midweek section of the Bangor Daily News began its publication several years ago. At that time the area high schools were asked to provide student writers who, each week, would be responsible for publication of news from their school. The students have to gather and write the news thus getting some practice in journalism. Dianna Christakos is the advisor.

Drama Club

In this, the first year of its existence, the Drama Club has brought a group of 40 enthusiastic and talented students together, and has given them the opportunity to express their ideas through theater.

Activities this year encouraged increased participation in drama and broadened the artistic scope of students at Bangor High School.

Because of the success of Drama Club activities, the club was able to contribute to the John Erickson Memorial Scholarship fund and was able to financially assist students who participated in the annual professional theater trip to New York.

The Bangor High School Band has doubled its membership since the 1990-91 school year. The band is a very active school group. It plays at home basketball and football games, pep rallies, and various community events. There are also concerts throughout the year. The band has participated in two festivals in the past three years. At the present time, the Band is trying to raise money for a concert tour in April.

Students may audition for All-State or be chosen by the director for District V.

Orchestra

During this past school year, the Bangor High School Orchestra went through a few changes. Twice as many students played strings giving the group enough sound to offset the additions of brass, woodwinds, and percussion. The experience of a ballet has added to the interest in orchestra. Many of the string players will be lost after graduation (almost half the orchestra is made up of seniors!) However, there are still several promising students returning next year along with some incoming freshmen who should prove valuable to the BHS Orchestra.

SPORTS

Bangor High School has a rich tradition in athletics which can be seen in the many trophy cases and on the walls of the gymnasium which displays State Championship banners.

But the true spirit of Bangor athletics can be seen on the playing fields, courts, tracks, and pools which generations of students have committed many hours of struggles and victories for their sport. Bangor Pride is not just the amounts of wins and titles, but the effort and dedication that the participants put into their sports.

Bangor High athletes are superior in that they keep their individuality while enhancing the quality of their teams. Each athlete brings their own traits and skills to competition, and it is the culmination of all these skills which makes our teams so strong and full of

spirit and sportsmanship.

The pride that athletes feel toward their teams makes the school a better place to be. When so many students can feel so much loyalty and pride in their teams, it catches on to all of the people around them and into all facets of school life. The individual adds to the puzzle which is the team, the athletics, and the school.

Coach Gabby Price and his captains Eric Murray, Matt Nye and Craig Bowden knew they had a tough season ahead. But a lot of hard work and effort paid off as their 8-3 record and a semi-final win over Lawrence proved. This team was so close they have been described as being "like a family." On their way to an 8-3 record they had help from standouts such as Mark McEwen, Shawn Green, Josh Jamieson, and Jamie McLean. We expect next year will see an even more successful season with many key players returning.

FOOTBALL CHEERING

The 1993 football cheerleaders, coached by Carole Bassi and under the leadership of captains Veronica Gomez and Tara Mitchell, sparked school spirit at Bangor High School. Working closely with the band, the cheerleaders were successful in obtaining the support of students, teachers, and parents at the games and the All Sports Rally.

Erin Hughes was chosen by the National Cheerleaders Association to be an All American Cheerleader. She performed in the Macy's Thanksgiving Day Parade. Erin is the first BHS Cheerleader to be chosen for the All American Squad.

With the incorporation of gymnastics, dance, stunts, and pyramids, cheering has become a challenging sport which promotes better school spirit.

A memorable moment for the team was when the Bangor team captured Oxford Hills in overtime 6-0. Future stars and athletic standouts included Brandon Haney, Marcus Burpee, Jason St. Pierre, Keith Door, Pat Estey, and Shawn Hughes.

BOYS' SOCCER: *Hustle through and through*

The 1993 Boys Varsity Soccer Team was a relatively young team with great leadership by senior captains Ryan Maher, David Hamel, George Wright, Todd Oldenburg and Travis Demmons. Many standouts on the team made Class A All-Stars and PVC All-Stars. By the end of the season the players knew the meaning of hard work. GIRLS' SOCCER: *A season to remember*

The Lady Rams ended the 1993 season with a 9-4-2 record under first year coach Jeff Ingalls. Senior captains Allyson Port, Tasanee Briggs, Mandy Ingalls, and Michelle Puls led the team throughout their impressive season. Puls played in the Seniors All-Star Game and was selected as a Class A PVC All-Star along with Ingalls. The highlights of the season included a number one ranking in Eastern Maine and a win over archrival Caribou. The team overcame many challenges during the year and entered the playoffs in sixth place. With Becca Kinney taking over as goalie and the return of Emily Bragg, Sara Parker, Brooks Deering, Sarah Parcak, and Jill Partridge, the Rams should be a top team in 1994.

X-COUNTRY:

Fighting to the finish line

The Bangor High Cross Country team, under new coach Pat Sullivan, had somewhat of a building year. With captains Heather Arsenault, Katie Clark, Luke Leavitt, Jeremy Colson, and Nick Trzaskos, the team's spirit was high with determination, hard work, and spaghetti dinners. Both teams qualified for the regional meet, while the boys' team continued on to the state meet; Heather Arsenault ran for girls' individuals in state.

The Cross Country team is looking forward to more happy times on the trail next fall. Keep an eye out for Heather Arsenault, Katie Clark, Kelly Field, and Natalie Lavin as the top runners for girls; and look to Matt Fessenden, Nate Pusey and Nick Trzaskos to lead the boys.

RIFLE TEAM

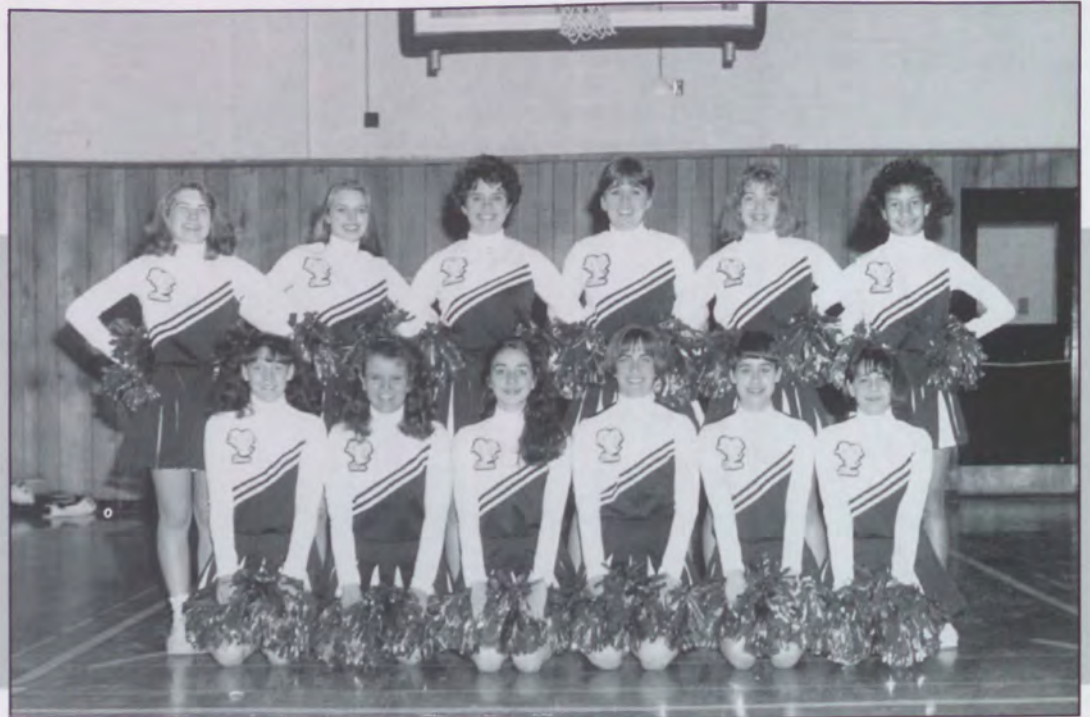

The rich tradition of the B.H.S. Rifle Team dates as far back as 1920. Coach S.F.C. Charles Waggoner was pleased to see a growth in membership as the team participated in several unique competitions throughout the year. The team also competed in state meets at various times during the year.

VARSITY CHEERING

This year's Varsity Cheerleaders finished a season full of accomplishments with a lot of spirit and a lot of pride. Not only did they continue to cheer on the basketball teams at home games, they also proved to be real winners themselves. The squad was chosen as one of four to compete at the state level after a great performance in the regional competition. This accomplishment was so memorable because it was the first time that Bangor High's Cheering Squad had ever qualified for the competition. Coach Cathy Gordon was impressed with the "super work ethics" of the team which will carry on through next season.

Beginning the season by winning the PVS Relay Carnival, the Rams didn't stop until they had captured the State Championship title. Old records were shattered this year as Todd Oldenburg and Dan Reid set new school records in the 50 Free and 100 Breast, respectively. Both the 200 Medley Relay and the 200 Free Relay teams set school, meet, and state records. The Rams will enter next season as strong as ever and ready to defend their State title for a third year. This year the Rams were lead by captains Todd Oldenburg and Corey Thayer. Coach Emery was assisted by Coach David Morse and Diving Coach Michelle Giroux.

GIRLS' SWIMMING & DIVING

The Lady Rams swam a strong season under first year coaches Wendy Woodbury and Nick Voikos, and diving coach Michelle Giroux. They finished the season with a record of 5-3, and were runners-up at both the PVC and State Meet. The team proved strong under their captains Ellie Edson and Megan McManus. Two school records were set, both by freshman Sarah Oldenburg. The Lady Rams are young, and will come back stronger than ever in the coming seasons.

INDOOR TRACK

When most people worried about staying warm this winter, the Indoor Track Team was outside, working hard, and proving themselves to be true champions. The team became the runners-up in the Eastern Maine competition, and the girls' relay improved 55 seconds to place in the Eastern Maine meet. Darrick Banda won the state 600, Chris Wright won the state pole vault event, and Brooks Deering worked hard to jump 33 feet in the triple jump. Next year is filled with promise as Ronnie Lawson, Brent Deering, Chris Wright, John Rogerson, Jesse Goldsmith, Alison Manowski, Tena Young, Emily Woodman, and Essla Wheelock return with many other talented athletes.

SUPERINTENDENT'S MESSAGE

As Superintendent of the Bangor School Department, it is my pleasure to extend congratulations to the graduating Class of 1994.

High school graduation is a major threshold that you will have crossed. Each member of the class should feel a sense of personal accomplishment and pride. Your completion of high school is a job well done. Your demonstrated academic achievement should now allow you to make an individual determination as to what you will accept as success. I wish you good fortune and a full quality life.

James F. Doughty
Superintendent of Schools

IN MEMORIAM

Robert Soucie

The Station By Robert J. Hastings

Tucked away in our subconscious is an idyllic vision. We see ourselves on a long trip that spans the continent. We are traveling by train. Out the windows we drink in the passing scene of cars on nearby highways, of children waving at a crossing, of cattle grazing on a distant hillside, of smoke pouring from a power plant, of row upon row of corn and wheat, of flatlands and valleys, of mountains and rolling hillsides, of city skylines and village halls.

But uppermost in our minds is the final destination. Bands will be playing and flags waving. Once we get there our dreams will come true, and the pieces of our lives will fit together like a jigsaw puzzle. How restlessly we pace the aisles, damning the minutes for loitering — waiting, waiting, waiting for the station.

"When we reach the station, that will be it!" we cry.

"When I'm 18."

"When I buy a new 450SL Mercedes-Benz!"

"When I put the last kid through college."

"When I have paid off the mortgage!"

"When I get a promotion."

"When I reach the age of retirement, I shall live happily ever after!"

Sooner or later we must realize there is no station, no one place to arrive at once and for all. The true joy of life is the trip. The station is only a dream. It constantly outdistances us.

"Relish the moment" is a good motto, especially when coupled with Psalm 118:24: "This is the day which the Lord hath made; we will rejoice and be glad in it." It isn't the burdens of today that drive men mad. It is the regrets over yesterday and the fear of tomorrow. Regret and fear are twin thieves who rob us of today.

So stop pacing the aisles and counting the miles. Instead, climb more mountains, eat more ice cream, go barefoot more often, swim more rivers, watch more sunsets, laugh more, cry less. Life must be lived as we go along. The station will come soon enough.

Sometimes the real learning takes place between classes.

One on one, you and the teacher. Discussing, debating. Clearing up a point, asking a last question. Taking the time to really understand something.

Education doesn't just come from the text or the lesson plan or the tests. Sometimes it comes from digging just a little deeper into a subject. Or into yourself.

Key Bank congratulates you for what you have learned. And we hope you never stop learning, even when the classes are over.

A PIECE OF OUR MINDS

The past four years have been an exciting, emotional and unforgettable period in our lives. As a class we have witnessed such historic events as the collapse of the Soviet Union and the election of President Bill Clinton. The airwaves have brought us images of the L.A. Riots, the famine in Somalia and the wars in the Persian Gulf and now in Bosnia. Members of our class were on hand to welcome the troops returning from Operation Desert Storm while others of us were protesting the same conflict. We have experienced many new and different things, each of us contributing our own thoughts and ideas and fitting them all together like pieces of a puzzle. It is our hope that years from now, you will look at the 1994 Oracle and remember all that we have shared.

Kenyon and Megan: As with any yearbook, it is the pictures that make it special. This year's pictures were the best ever. Thank you for always coming through when we needed you and for putting up with all of the puzzle pieces.

Laura: Getting ads is one of the most difficult jobs there is. thank you for all your help.

Laurie: Thank you for your help with the copy.

Ellie: Thank you for the knowledge that you were there to do the work that needed to be done.

Charles: Your artwork helped make this yearbook what it is. The faculty section is incredible.

Liza: You were always willing to work on whatever needed to be done. Thank you for handling the holiday sales and the patrons as well as for all your work on the ad pages and in the senior section.

Ben: Thank you for the work you did in the freshman promotion and for all your help with circulation.

Johanna: Thank you for your help with the layouts and for all the work you did on the senior section.

Thank you: To Matt, Fred, Rick, Hollie, Jen and Julie for all your help.

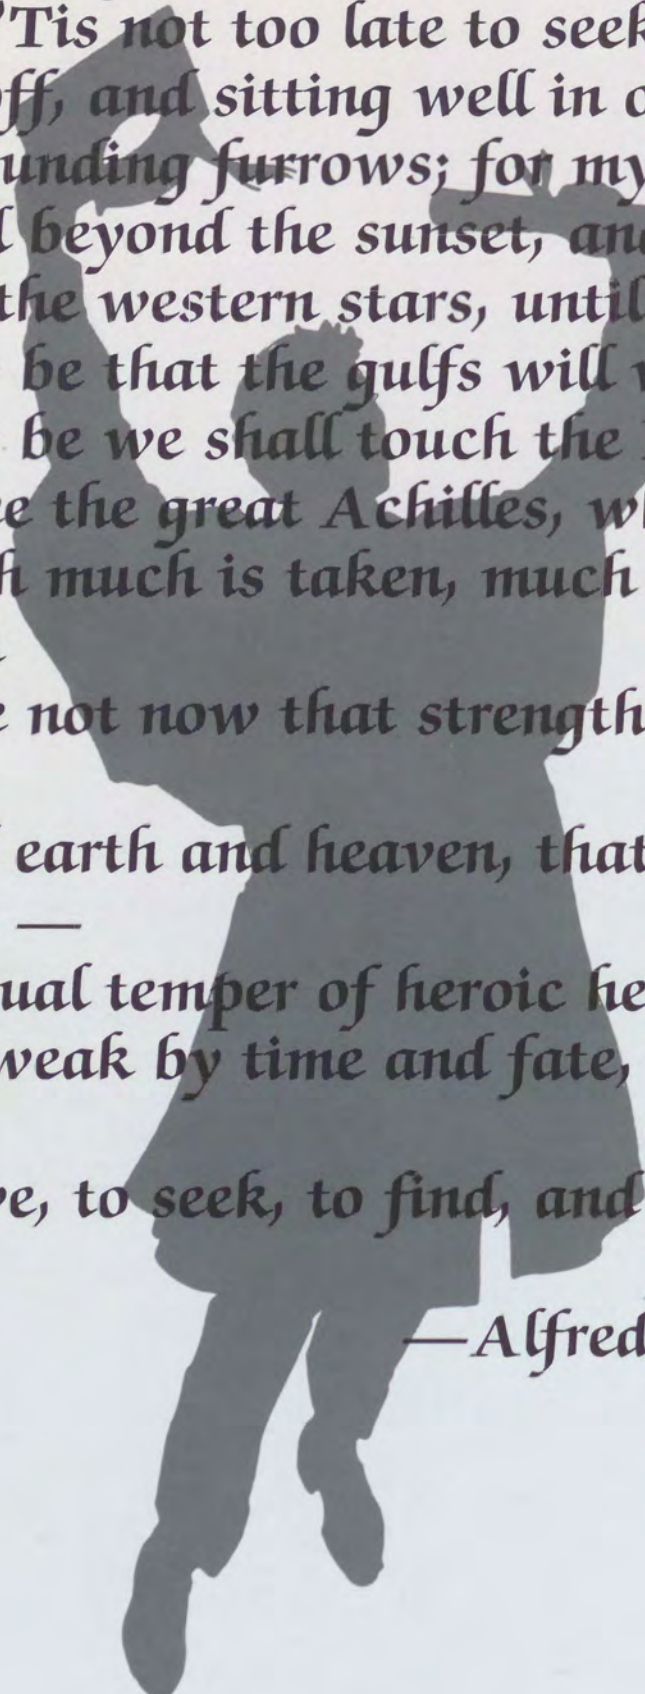

A Special Thank You: To Mr. Nickerson, Mrs. Bassi, Mrs. Thompson, Mrs. Carlson and Mrs. Bartlett for helping us get everything we needed to put this book together.

Mr. Ames: Thank you for telling us not to worry and then doing the worrying yourself. You are the backbone of this book and we could not have done it without your caring, guidance, and pizza.

The Class of 1994: This yearbook is for you. We hope you enjoy it for many years to come.

Best wishes:

Ed Allen,
Tasanee Briggs,
Tasha Cough,
Allyson Port

Come my friends,
'Tis not too late to seek a newer world.
Push off, and sitting well in order smite
The sounding furrows; for my purpose holds
To sail beyond the sunset, and the baths
Of all the western stars, until I die.
It may be that the gulfs will wash us down;
It may be we shall touch the Happy Isles,
And see the great Achilles, whom we knew.
Though much is taken, much abides; and
though
We are not now that strength which in old
days
Moved earth and heaven, that which we are,
we are —
One equal temper of heroic hearts,
Made weak by time and fate, but strong in
will
to strive, to seek, to find, and not to yield.

—Alfred, Lord Tennyson
