# MISSION: IMPROBABLE

YOUR MISSION, DEAR READER, SHOULD YOU CHOOSE TO ACCEPT IT, IS TO INFILTRATE BANGOR HIGH SCHOOL AND DETERMINE WHAT MAKES ITS STUDENTS TICK. USE THE FOLLOWING PHOTOGRAPHS TO FAMILIARIZE YOURSELF WITH THE STUDENTS, THEIR HABITS, AND THEIR SURROUNDINGS. . .

You will find it interesting to note that Bangor High students are often seen smiling, and are apparently very happy.

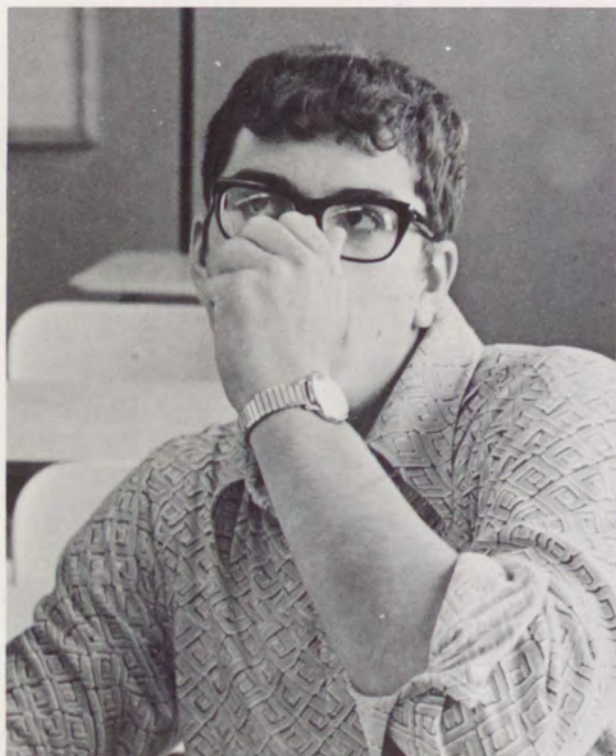

They tend to be affectionate towards each other . . .

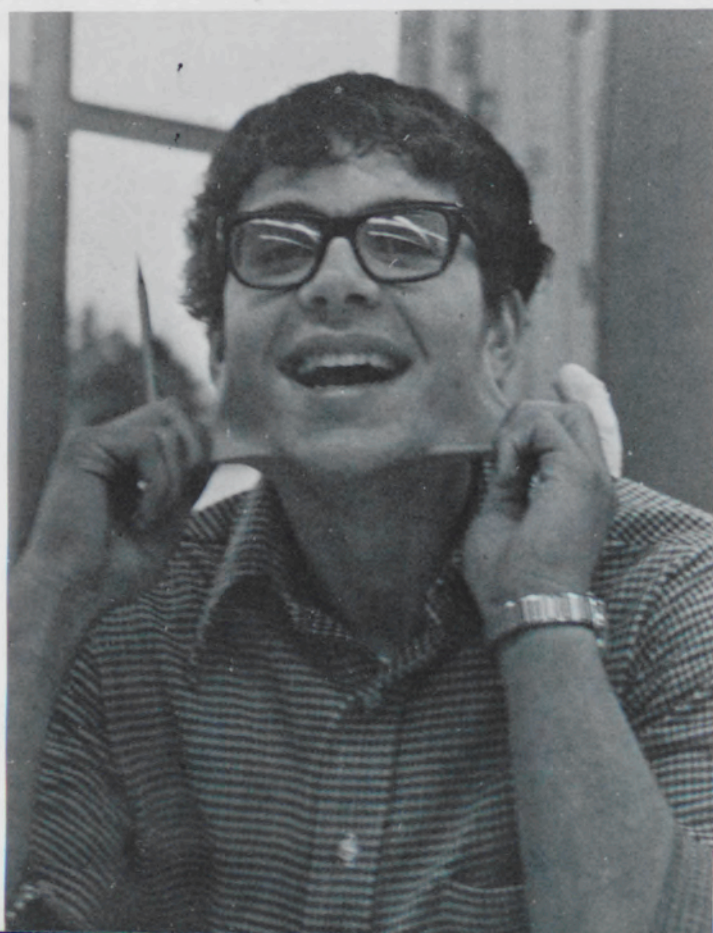

... yet appear somewhat shy and hesitant in the presence of photographers.

These students have reached a remarkably high level of culture . . .

... and have shown themselves to be very sophisticated.

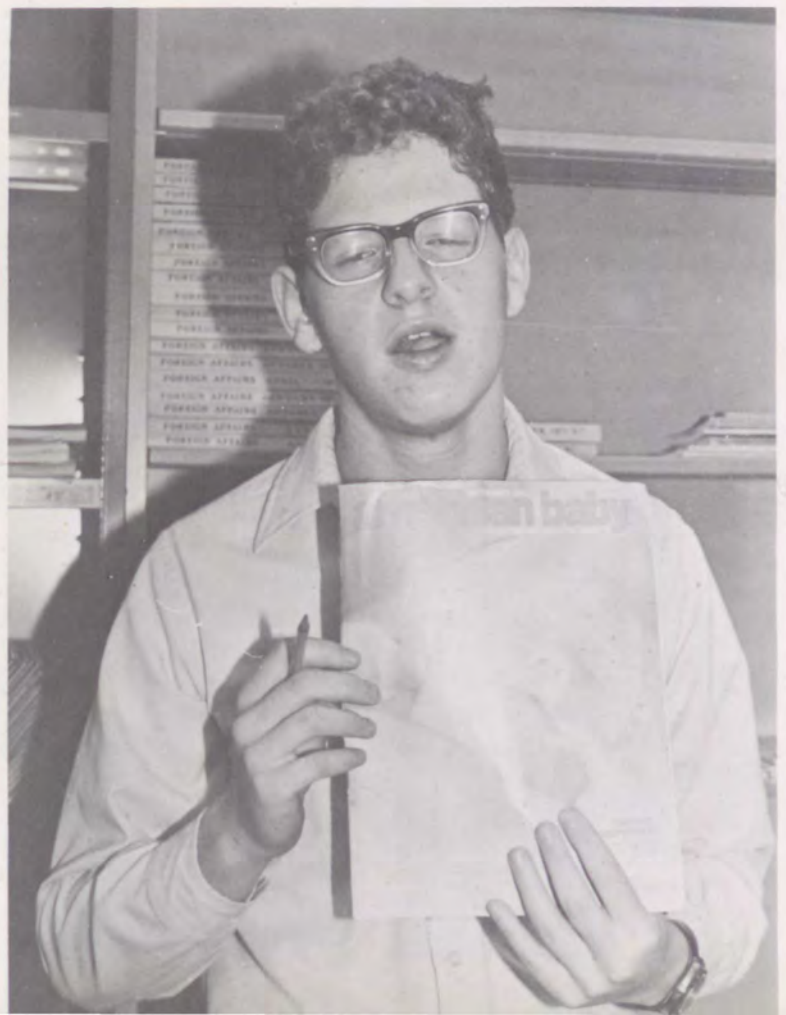

They possess excellent study habits...

and make frequent use of the library .

When not studying or attending classes . . .

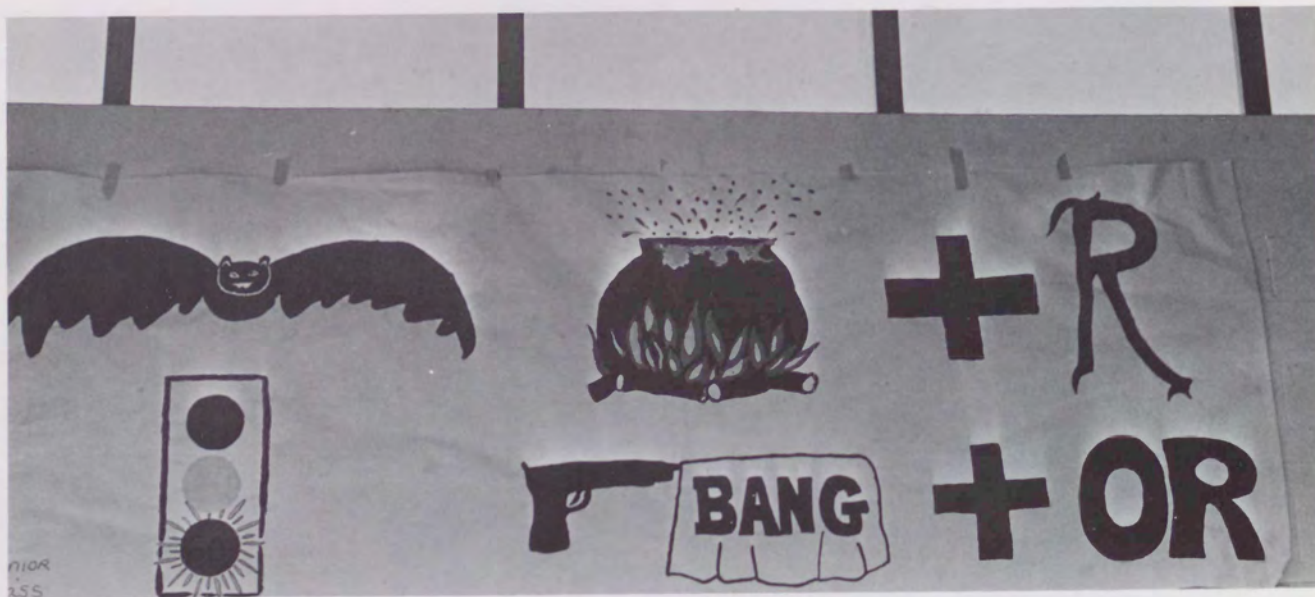

... the students indulge in activities such as ramp-walking, loitering in the halls, and eating.

Other popular fields of interest include art, music, dancing . . .

... and sports. These students are in top shape both mentally and physically.

A word of caution here: at no time should you antagonize them, as they have been known to attack in groups when threatened.

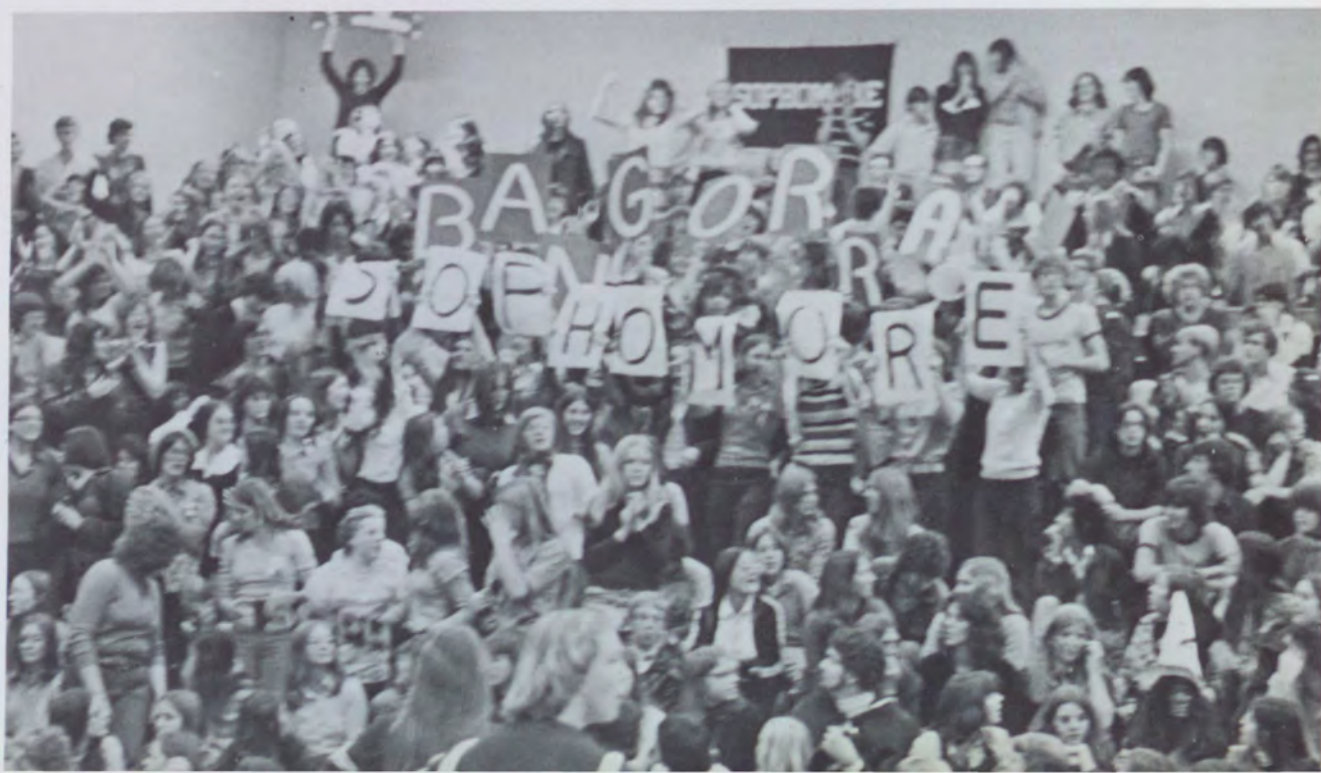

For the most part, though, Bangor High is an orderly and tranquil school where everything is in its place.

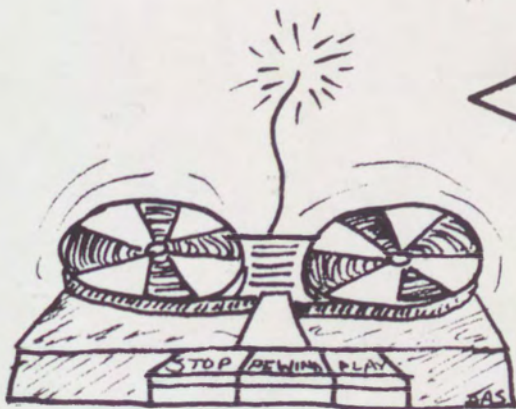

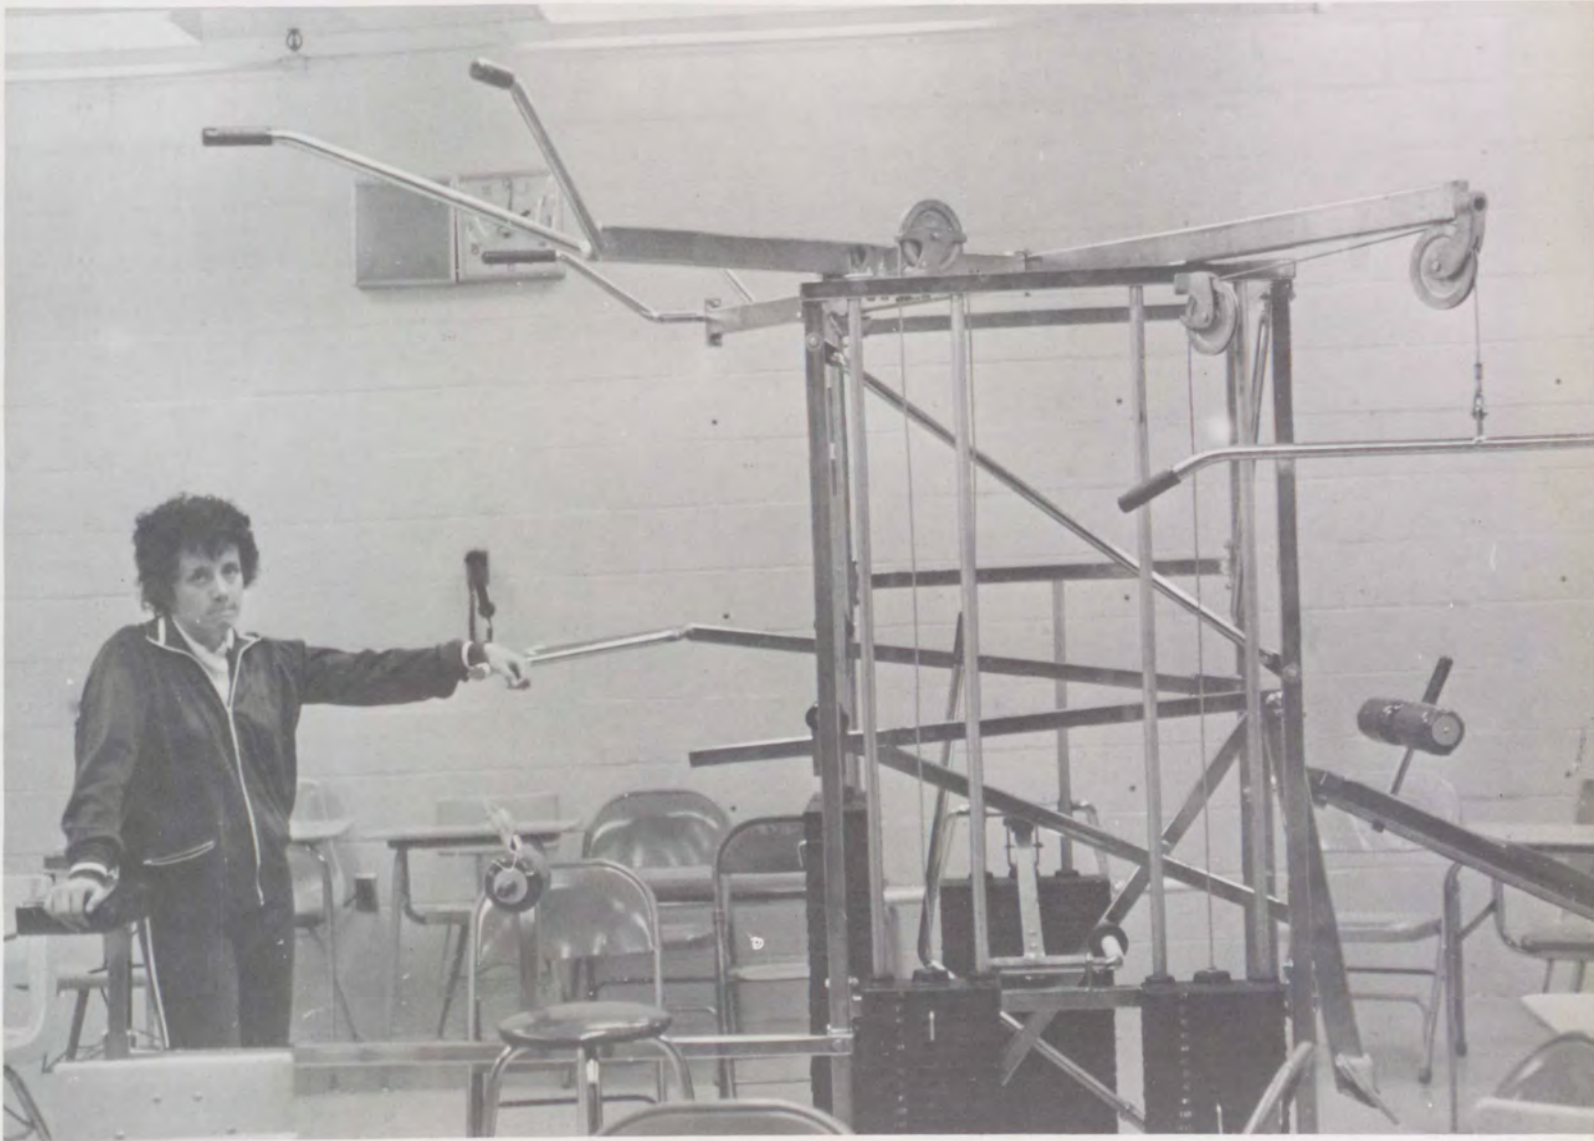

Your briefing is now complete. The success of your mission depends on your ability to blend into the student body, so get to know these students.

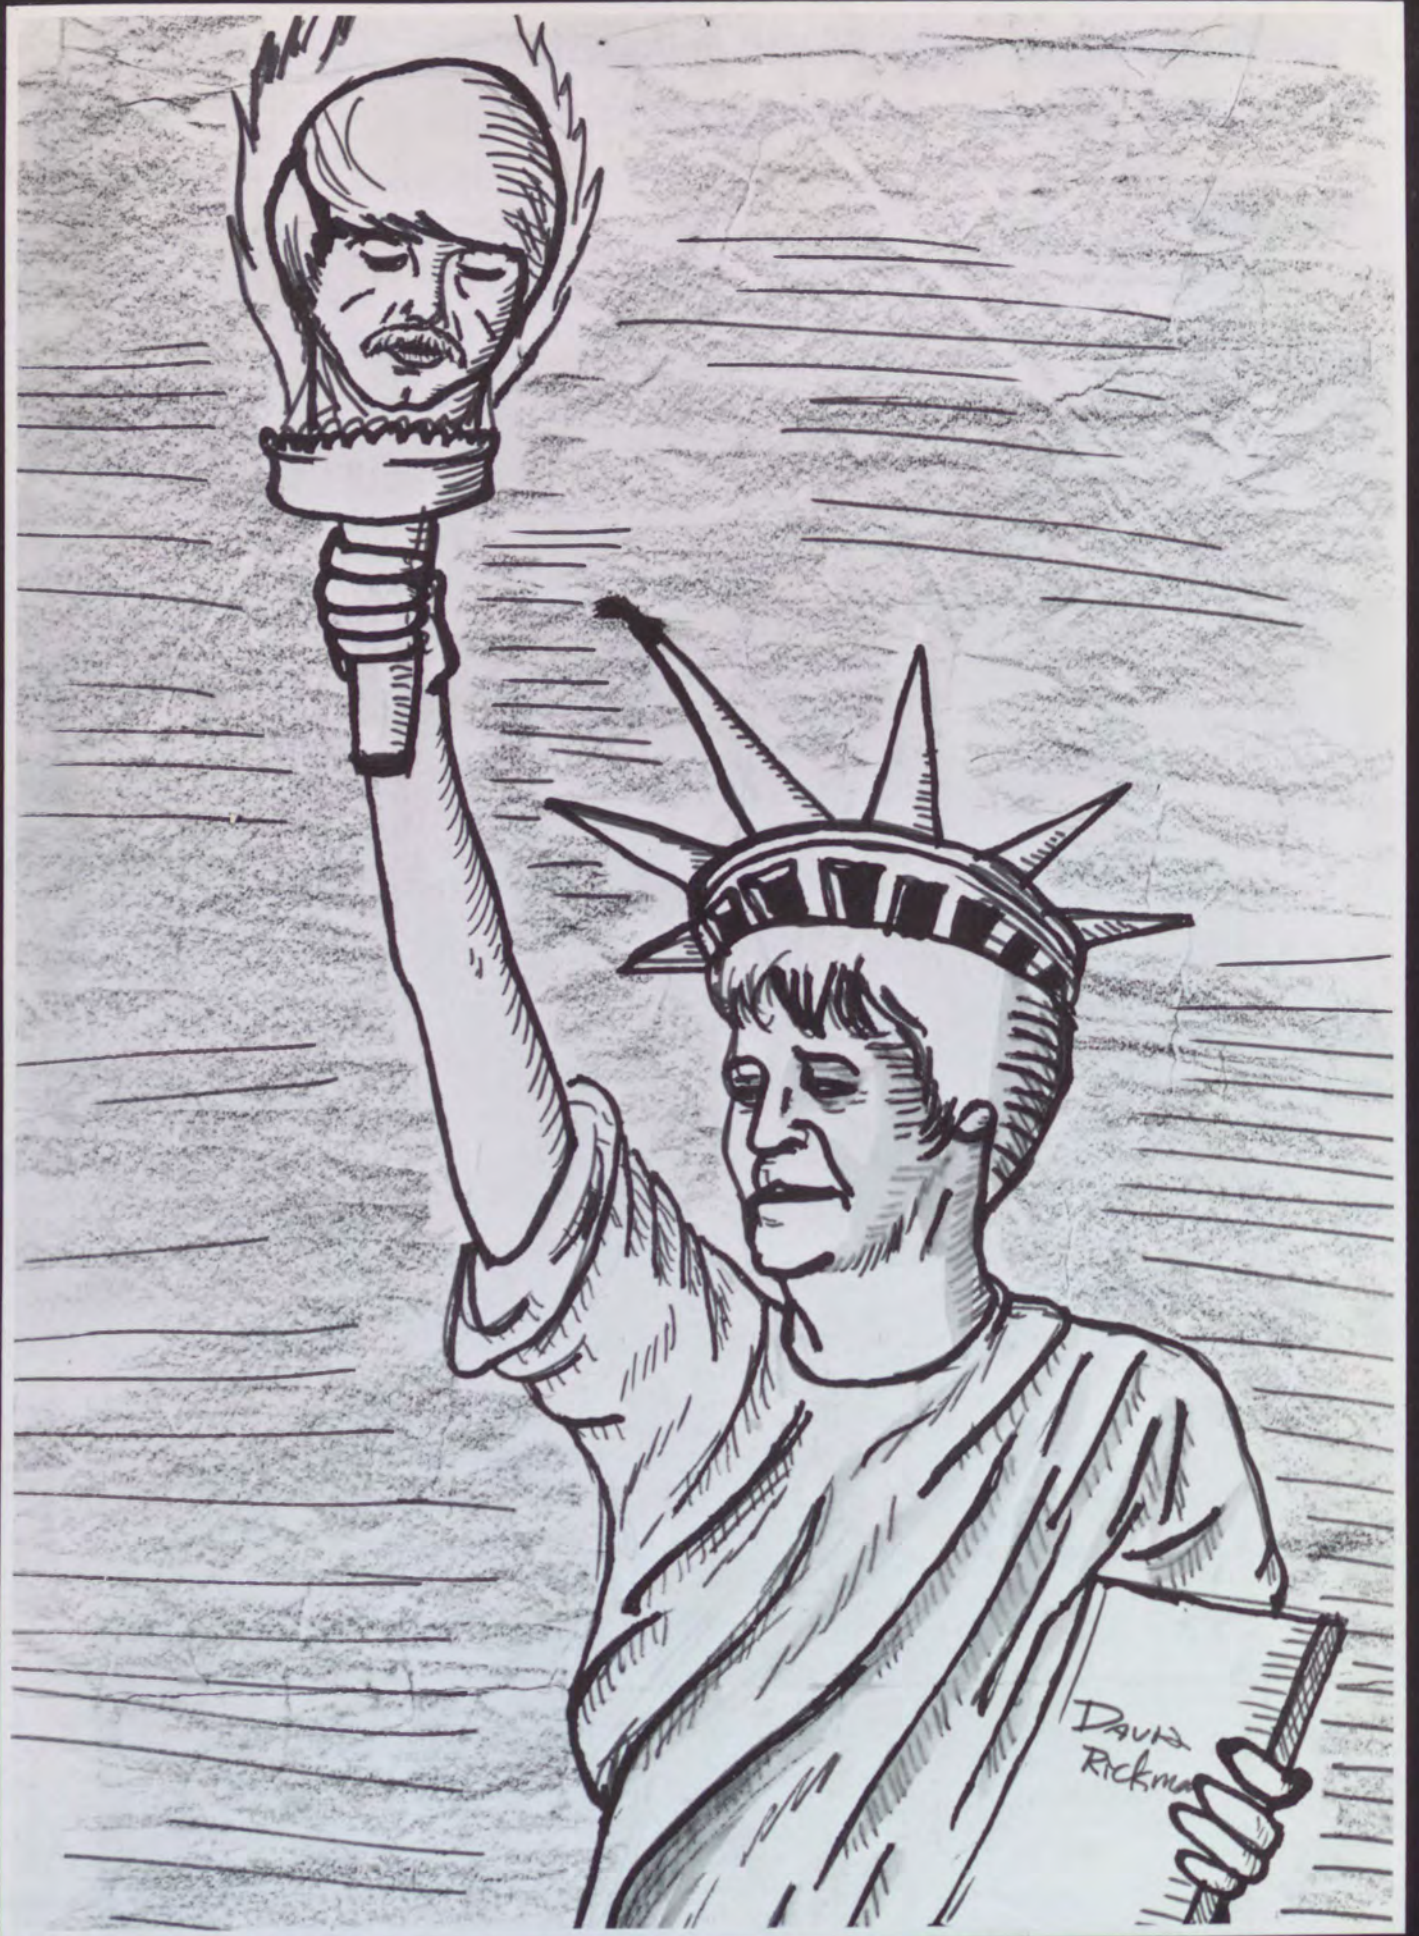

Should you fail, we will be waiting for you . . .

GOOD LUCK!  
THIS TAPE WILL SELF-  
DESTRUCT IN FIVE  
SECONDS . . .

# ADMINISTRATION

Dr. Fahey, or Dr. John, as he is often referred to, is the principal here at Bangor High. He is well-liked by everyone, and it can't be disputed that he is very good at his job. Mr. Nickerson, assistant principal, is another familiar figure whose job it is to give Dr. Fahey any help he needs. Col. Roshto handles the disciplinary measures—a rather unpleasant but necessary job. Keeping the office running smoothly are Mrs. Weston, school system phone operator, Mrs. Carlson, Mrs. Spalding, and Mrs. Russell, secretaries. Mrs. Downes is in charge of the attendance office.

## GUIDANCE

"Who is my Guidance counselor?" This question has been asked more than once. Mrs. Crocker, Mr. Ballanger, Mr. Coco, and Mr. Klain are the counselors here at Bangor High. Concerned with more than just credits and whether or not certain students will graduate, these people are interested in hearing your thoughts and plans. Meanwhile, Mrs. Inforati, secretary in Guidance, keeps the office running smoothly in her own efficient manner.

# BUSINESS

The Business Dept. at Bangor High is one of the few departments which prepares the student for a career directly after graduation. After acquiring advanced skills in shorthand, typing, office practice, and other such areas, the student has the option of going on to business school or taking a job. The department is also popular with students who wish to take business courses to a college-bound program.

## ENGLISH

Perhaps the most outstanding change in this year's English Dept. is the Senior English Electives Program. Ranging from Satire to Man's Tragic View, these electives are an interesting change from the previous year's Senior English course, World Literature. Seniors are now able to choose their English courses each quarter resulting in a much more satisfied class. The sophomores and Juniors are still offered only American and English Literatures but can look ahead to the time when they too can choose their own courses.

# FINE ARTS

The Fine Arts Dept. offers a wide variety of courses in music, speech, art, and drama. The courses give the student not only experienced instruction, but also the potential to be a more disciplined adult. Students are given the opportunity to work in the community as well as in the classroom. Enrollment in a fine arts course is clearly beneficial to any student.

# FOREIGN LANGUAGES

The Foreign Language Dept. at Bangor High teaches the three most commonly taught modern languages, French, Spanish, and German, as well as an increasingly popular course in Latin, the fabled "dead language". Whether taken in preparation for college courses, or simply as an elective subject, a foreign language increases the students ability to communicate with and understand other people throughout the world.

# INDUSTRIAL ARTS

Whirring saws and flying sawdust, clanking tools and draftsmen's precision instruments-- all can be found in the Industrial Arts Dept. Students interested in learning a trade have ample chance in this department. While the student learns, he also gains experience, as he works with his hands as well as his mind.

## DRIVER'S EDUCATION

Driver Education is a popular course at Bangor High for all those students anxious to get their licenses. The instructor, Mr. Ireland, is brave enough to put his life in the hands of a sixteen-year-old, as well as act as started for the Indianapolis 500 of the simulator set.

MR. SMITH

## MATH

The Math Dept. at Bangor High, while slightly awesome to some students, is positively magnetic to others. It offers a wide variety of symbols, equations, and numbers (both real and imaginary). Those who are ambitious can struggle with proofs and logarithms with the likes of Mrs. Whitney and Mr. Buehler. If one makes it through these courses, it is possible to go on to bigger and better things such as APC and Calculus. It is fortunate that the Math Dept. has so many able teachers, because challenging courses such as these invariably arouse questions that only an expert can answer.

## SCIENCE

The Science Dept. at Bangor High offers courses of varying levels in biology, chemistry, and physics. In addition to classroom instruction, the classes include a certain amount of laboratory work and an occasional field trip. It is through this combination that the science student is able to acquire a well-rounded knowledge of the field.

## SOCIAL STUDIES

The Social Studies Dept. offers a wide range of courses for students. U.S. History is a mandatory course, but the scope of opportunities does not end there. Psychology, Current World Problems, and Senior Seminar are a few examples of other courses. However, U.S. History is an important part of one's education. Knowing when, where, and how this country evolved is essential for a well-rounded outlook on our country today.

# VOCATIONAL WORK EXPERIENCE

Off in a corner lies VWE, hidden but very much there. This department offers students the opportunity to combine school with an outside job. Most students involved here plan to work right after graduation, and this department gives them experience at a job. Hence the name "work experience". These students can't complain- making money as part of their schooling.

## SPECIAL EDUCATION

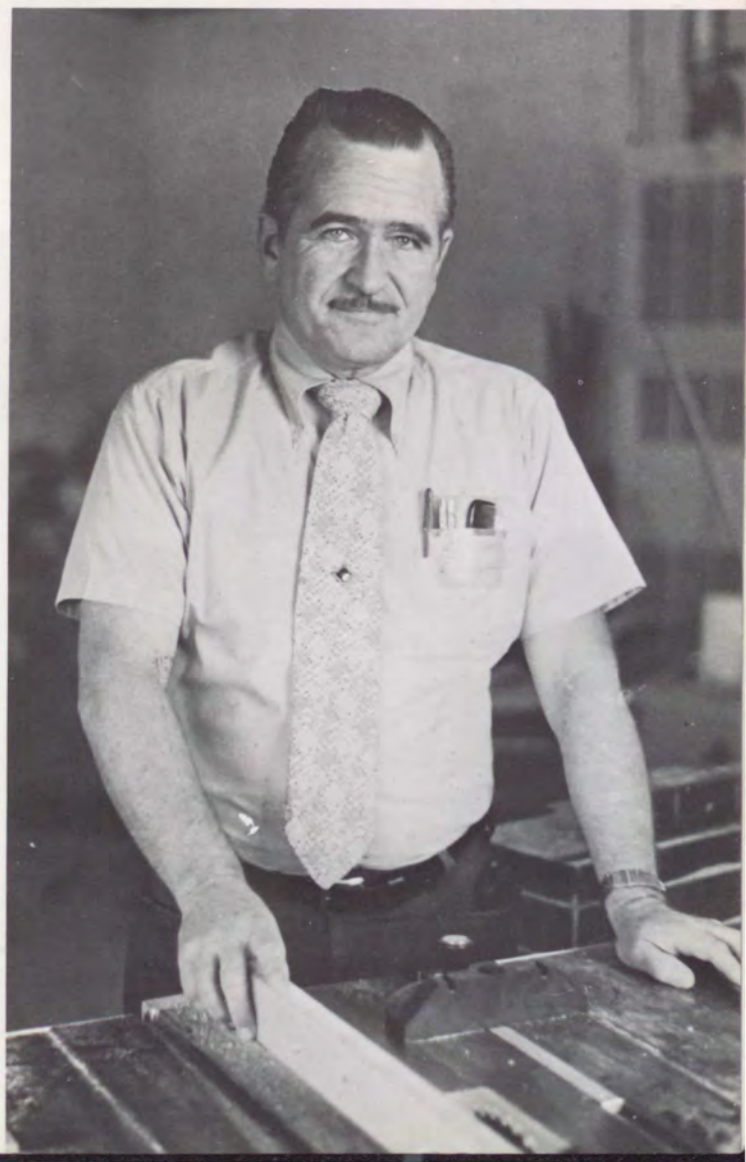

The Job Exposure Training Program at Bangor High enables students to take academic courses at the high school, learn practical living skills at Capehart Skill Development Center, and participate in job exposures and trainings at over eighty community work stations. This program gives the student the opportunity to enter the business world during his last year of high school.

MR. CROCKER

## HOME ECONOMICS

As delicious aromas come drifting from Lower B wing and the hum of sewing machines becomes audible, one's thoughts naturally turn to the Home Ec. department. Built around a basis of food and clothing courses, the department also provides other courses pertaining to such subjects as the house, home, and marriage. These classes are designed to better both the student's household skills and the student as a person.

# ROTC

The ROTC Dept. gives Bangor High School the distinction of having the oldest ROTC unit in the nation. Flexibility is the biggest asset of this department for it has been able to grow and change with the times. The members and staff of the ROTC program deserve all the recognition they get.

The Student Council has been quite active this year. It sponsored two annual activities, Mr. Pike's Play and All Bangor Night, as well as holding an assembly to introduce the School Board candidates. The Council sold programs at football games, set up a tutoring service, reformed the selection procedure for Girls' and Boys' State, and served as the student-coordinator for the accreditation. In addition, the Student Council explored the possibility of all sorts of things ranging from sponsoring buses to away basketball games to establishing a student lounge complete with vending machines.

# FOOTBALL

This year was another great one for the Rams as they finished the season with a 9-1 record. That was capped by a 6-0 victory over South Portland for the State Class A Championship.

Leading the 1975 team were Tri-Captains Peter Graham, Mike Edwards and Carlton Strout. The Rams were coached for the eighteenth year in a row, by Gerry Hodge. He was assisted by Gabby Price, Steve Crane, Ron Geagan, John Mooney, Ed Powell and Steve Vanidestine.

Congratulations to all the coaches and players on this year's championship squad. Thanks for bringing another gold football to the Bangor High School Trophy Case. Good Luck next year!

# BANGOR TAKES THE STATE!

BANGOR DEFEATED SOUTH PORTLAND 6-0

TO TAKE THE STATE  
CLASS-A FOOTBALL CHAMPIONSHIP

Mike Edwards (No. 1), aided by Bangor's offensive line, finds a hole in Portland's defense for a touchdown (ABOVE).

Quarterback Tony Trafton converts for two points against Portland (ABOVE).

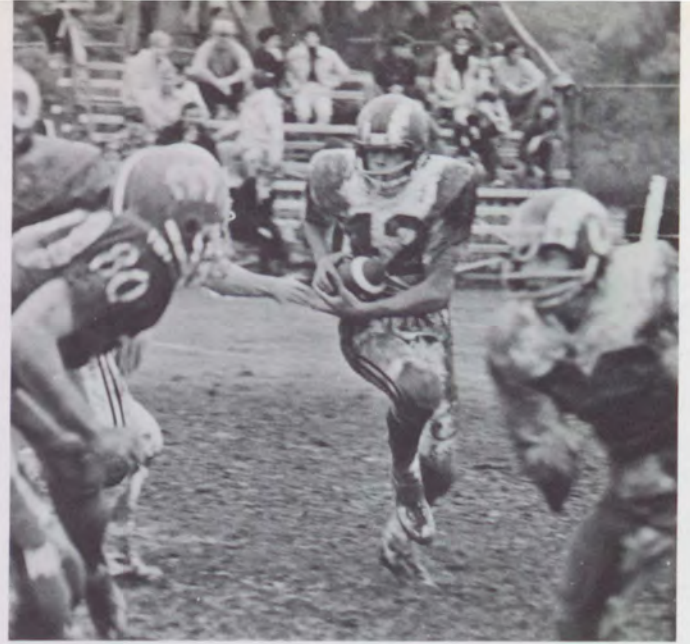

Kevin Moser (No. 42) evades tacklers (ABOVE LEFT) at Cony. Roger Jellison (ABOVE) pursues Brewer's quarterback during the annual rivalry. (LEFT) Mike Edwards (NO. 28) is tackled by most of the Waterville defense as Bangor wins 12-0 to capture the Northern Division Title. Quarterback Trafton prepares to pass to Edwards (BOTTOM) during the Portland game.

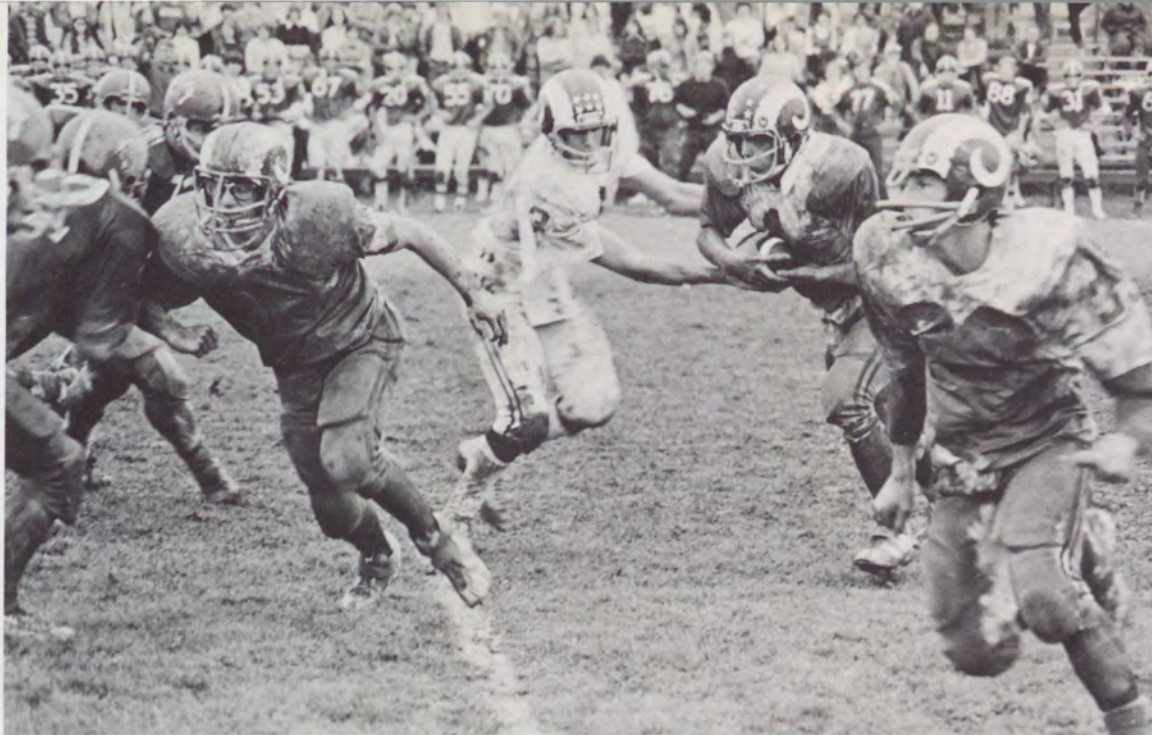

## BANGOR FOOTBALL

(ABOVE) Danny McLeod and Andy Brooks block while Trafton hands off to Edwards at Cony.

(RIGHT) Mike Edwards intercepts a pass intended for Cony's No. 87.

(BELOW) Edwards rushes for part of his regular season rushing record of 1197 yards against Waterville.

# When it comes to bus services the B&A doesn't kid around!

— If you need a service for those smallish shipments you need yesterday, you should try our bus express service. We operate two round trips daily between Bangor and Northern Maine and we offer connections for nationwide service, too.

There are still some people who think we're not in the passenger business just because we don't run passenger trains any longer. Well, we're alive and well and still in the passenger business. We run a pretty good bus service for people as well as for packages. We even have an equip-

ment exchange agreement with Greyhound so you can ride the same bus from Fort Kent to New York City if you want.

We're pretty big in the charter business, too. If your organization is planning a trip it'll pay you to talk with us before you make your plans.

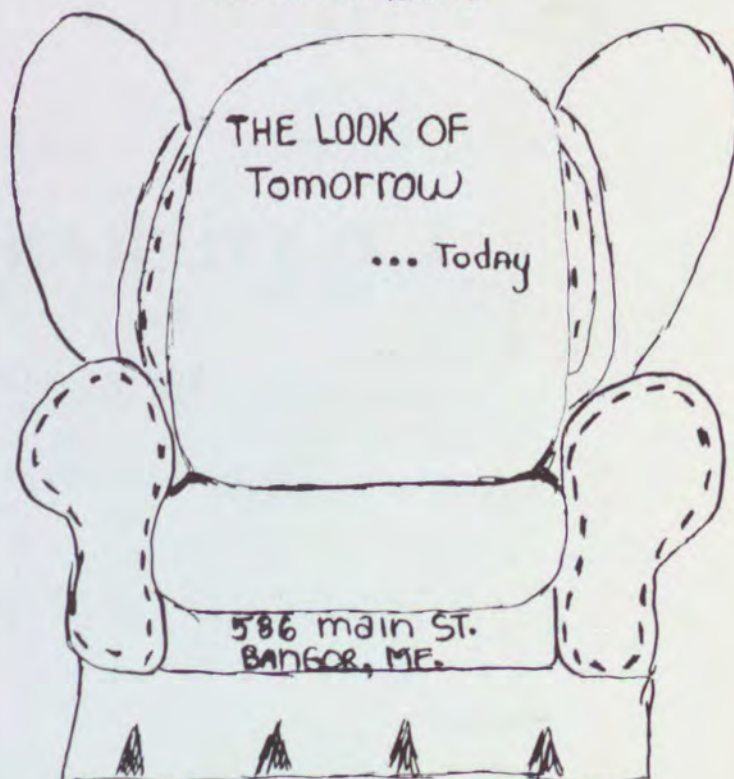

If you haven't tried Bangor and Arroostook bus services, you should. Call us at 848-3324. Ask for Slip.
