## CLASS ODE.

Four years ago our bows we strung,  
And shot our arrows at one light;  
We saw some fall, some go astray,  
Some reach their mark to-night.

To-night, this glad, sad, parting night,  
Quiver and bow hang idle by;  
Anon we'll take them up again,  
Our mark to set more high.

We'll choose from out the host of stars  
Some shining target high but clear;  
With daring hearts our bows we'll string,  
For youth is full of cheer.

Teachers and friends, we ask you all  
To bless us as tonight we tell,  
Remembering happy days in school,  
To all farewell, farewell.

*Mildred Morgan Sawyer.*
