WELCOME

All our lives, we have been given traditions to follow: turkey on Thanksgiving, candy on Valentine's Day, and ghosts and goblins on Halloween.

When we entered high school, we were given more traditions to follow: proms, senior pictures, and spring musicals.

Just as the yearbook staff of 1958 felt, we feel traditions are meant to be changed. The class of 1958 changed their yearbook from the Bapstonian to the Crusader. For thirty-two years, our yearbook has been known as the Crusader. Before that, however, our yearbook was known as the Bapstonian. And now, in 1990, we feel it is time to once again change tradition. Therefore, instead of Welcoming you to the 1990 Crusader, we Welcome you to the 1990 Bapstonian.

Though it is the name the early yearbooks donned, it is still a change in tradition as we have been known for so long as the Crusader. And though we are not the first staff to change the title, tradition is still rocked as it has been thirty-two years since that change.

Ah yes, a change in tradition . . . it is not always greeted with open arms, and often it is looked down upon. Nonetheless, it is a fact, and necessity, of life. Therefore, we hope you accept our slight changes in tradition, and continue to enjoy the memories we have captured on the pages of this book.

We would like to leave you with one last thought, just as it appeared in the 1958 Crusader:

"This is some of the story of one of the 'green years' years when we seized of life with both hands. There will be no others like these. We cannot return. Hurriedly we save a trace here, there for later days, when spring 'the tears that are born of time.' Now we have no wish to stop, no means of stopping. Forgotten brief sorrows in our eager reaching to gain tomorrow. See here in these pages faces, names, events that made one green year greener."

THANK YOU

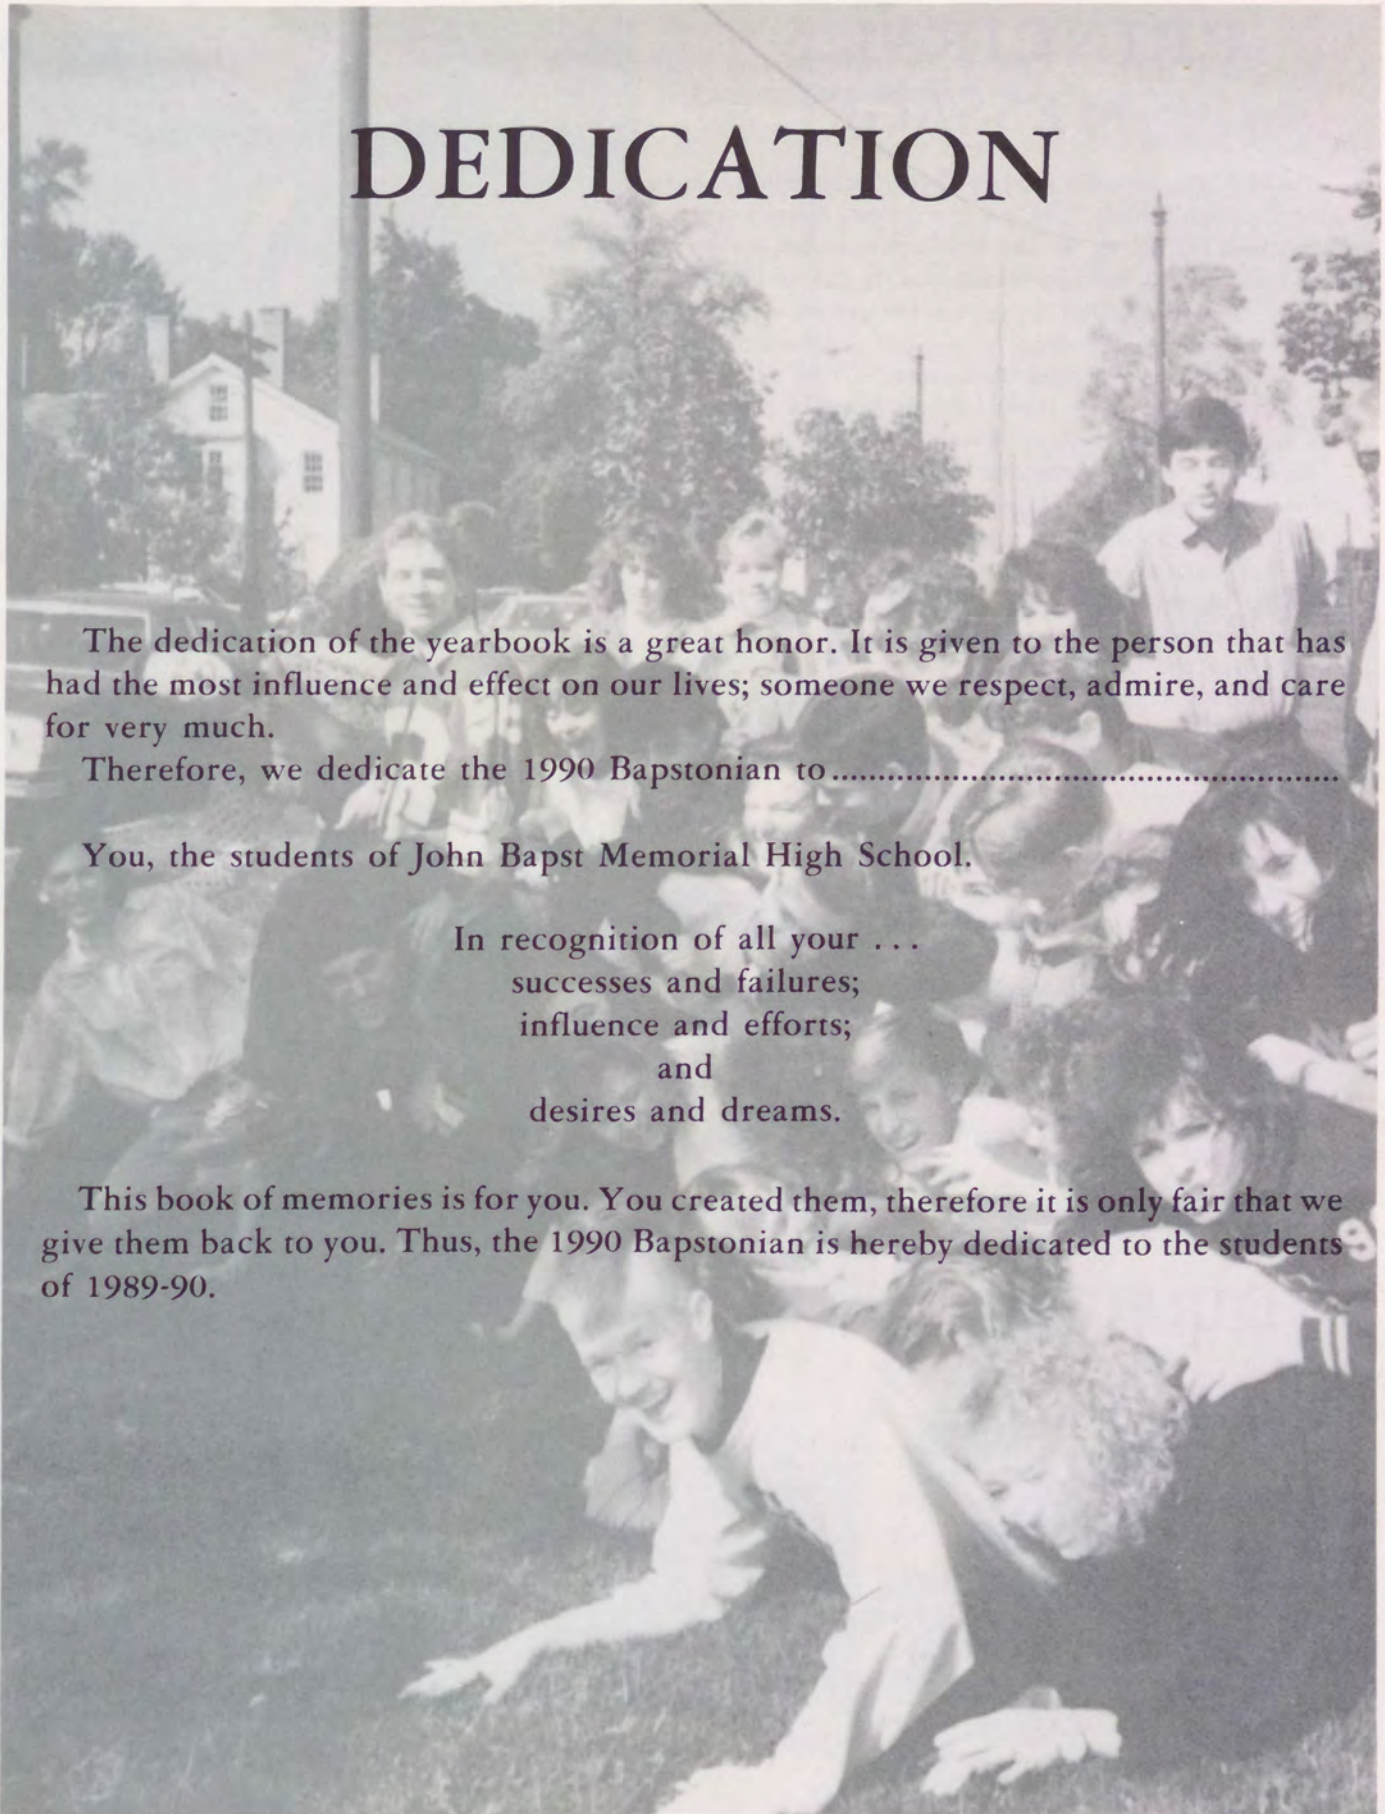

In accordance to our theme, "Changing Traditions", we have decided to slightly alter the style of our thank you. Usually, one person is chosen that has provided us with help, insight, and advice. However, we have found it most difficult to narrow this down to one single person.

Therefore, we thank our parents, relatives, teachers, classmates, and friends for:

your support, insight, and advice;
your presence in our life;
being with us through the good times and the bad;
overlooking our flaws and wrongdoings;
never losing faith and trust in us;
your love and respect.
Without all of you, we would lack
the strength and desire that life demands of us.

Though we can never fully express our appreciation for all of these people, we can only hope that this makes them realize we are thankful.

DEDICATION

The dedication of the yearbook is a great honor. It is given to the person that has had the most influence and effect on our lives; someone we respect, admire, and care for very much.

Therefore, we dedicate the 1990 Bapstonian to

You, the students of John Bapst Memorial High School.

In recognition of all your ...
successes and failures;
influence and efforts;
and
desires and dreams.

This book of memories is for you. You created them, therefore it is only fair that we give them back to you. Thus, the 1990 Bapstonian is hereby dedicated to the students of 1989-90.

PRINCIPAL'S MESSAGE

The 1989-1990 year marks a milestone in the history of John Bapst Memorial High School. This completes the first 10 years of the "new" John Bapst. Over the past decade many accomplishments have been recorded. The first entering class, the class of 1983, had only 33 members who had the courage and parental support to enroll into this new high school. For the past two years, entering freshman classes have exceeded 100 students. Students travel each day from Belfast, Ellsworth, Dover, Foxcroft, Aurora, and Newport and all the cities and towns in between.

Besides enrollment, the school has increased the number of extra-curricular activities available to the students. They include: Boys and Girls Soccer, Indoor Track, Swimming, Wrestling, and Golf. Non-athletic additions also include Art Club, Math Team, and Outing Club. New courses that have been added are Spanish I, II, and III and of course our now famous music program including stage band, concert band, and jazz band.

To list all accomplishments of the students as individuals and the many teams would take more space than available. Some of the more memorable are 3 state championship basketball teams; 2 boys and 1 girls; 3 state championship cross country teams, 2 girls and 1 boys; a state championship in girls indoor track; and a state championship chess title. The school has finished first in the state two of the four years the MEA's have been given, and of course those memorable annual musicals that involve so many students of which the entire John Bapst family is so proud.

As the next decade of John Bapst Memorial High School begins to be recorded, I predict that our school will be every bit as successful in the future as we have been in the past.

To each graduating senior, I offer my personal hope that whatever you attempt after you graduate, you are successful and will have fond memories of your years at John Bapst.

SENIORS

If one ever needs the phone, an aspirin, a pass to get into class, a message from home, or just a friendly smile, the Academic Office is the place to go. Mrs. Lockman is the Commander-in-Chief of this headquarters of activity and Mrs. Ingraham is her faithful sidekick. Together, the two deal with constantly ringing phones, Daily Announcements, sick kids, late kids, missing attendance sheets, and concerned parents. What amazes most of us is that they still manage to get done what has to be done. At any hour of the day, one can go into the Office and both Mrs. Lockman and Mrs. Ingraham are busy on the phone, at the typewriter, or dealing with stray students and teachers. We don't know how they remain calm and sane through all of this, but we sure do thank them!!!

It has been four long years for many of us. We have seen people come and go, basked in victory and felt the agony of defeat. We competed against each other, supported each other, hated each other, and loved each other. Now the time has come for the Class of 1990 to step out into the real world. Our teachers, our parents, our friends, and we ourselves have been preparing for this for a long time. And now that time has come, we the Class of 1990 are nothing but a mere memory captured in this book. We move on with our heads held high and our hearts full of pride. That is how we ask you to remember us. Forget the mistakes we made, the trouble we caused, and the errors of our way. We're still learning, but we'll never give up or in. To John Bapst Memorial High School, the Class of 1990 bids Farewell.....

The center of our school, and the center of anyone's attention once they catch a glimpse of it, is the Auditorium. The Auditorium is one of the best in this area as no other high school can compete with the spacious stage and surrounding balconies. However, the Auditorium is not thought of like that by many of the students here. Instead, we see it as our meeting place, our cafeteria, our hangout, and for many of us, the site of our athletic practice. The Auditorium has many more uses than those though; Graduation, the Spring Musical, dances, Pep Rallies, assemblies, and even class meetings are all held in the Auditorium. Students can meet there early in the morning to do homework they forgot the night before and last minute cramming for their History test. All in all, the Auditorium, to many of us, is our huge social hall . . . imagine the party we could have in there!!!!

At any Entrance or Exit of John Bapst High School, students can be found milling around, gossiping, and waiting for rides. It is an ever popular perch with the students and often a crowded one! In the winter time, it is sometimes warmer sitting out on the front steps than sitting inside the building!! Nonetheless, these Entrances and Exits are the doors of our future and of our past. We can only hope that once we graduate they will never close.

When we arrived at school, the Juniors and Seniors were informed that they would be without lockers for a little while. However, by the end of September, the new lockers had yet to arrive and the students were getting a little impatient. For the first month of school, they had all been using the Auditorium as their lockers, and they were getting tired of sharing their locker, to say the least. Then, one bright day it happened, the Juniors and Seniors were finally presented with brand new lockers!! And all were happy in Bapstville.

If one has the urge to take a trip down memory lane, all they have to do is step into the Purple and White Room and they're back in time. Pictures of Father John Bapst and graduating classes decorate the walls. Encased in the Trophy Cases are awards that the people, teams, and accomplished feats of John Bapst High School. Many a times, the Purple and White Room is crowded with curious students looking at pictures of Mr. Sekera, when he graduated, and of Mr. Floyd when he first began at Bapst. It is the room of memories, and soon, this book will be part of those memories.

This year John Bapst had a special addition to the class of 1990. Silvana Gari comes from Barranquilla, Colombia, a city on the northern coast, about 450 miles from the capital, Bogota. She has two brothers and a sister, Jose — 21, Ernesto — 16, and Gladys — 22. Her parents are Jose and Gladys. Silvana arrived in Maine August 15, 1989 and will stay with the Curriers until early July.

Right — Jody Roberts and Andy Sekera really look like they enjoyed having their pictures taken. Maybe this is their real side! You never know! Below — Kim Fowler and Keeley Harnum pose during a break at a dance. They are obviously excited to be there.

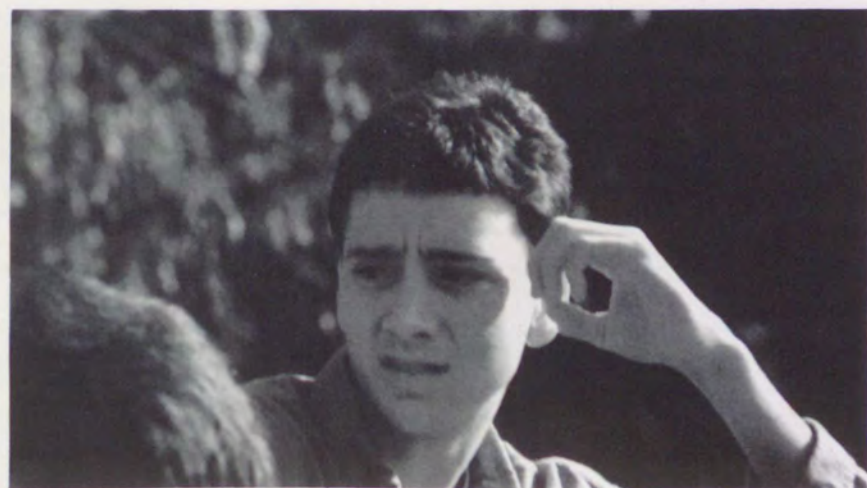

Above — Jayson Adams does not look enthusiastic about where he is. I wonder why?

Right — Jonica Caulkins relaxes in Europe. She looks very tired, probably due to the fact that she was sightseeing all day.

Left — Sue Dunning, Karen Hogan, and Keeley Harnum, overworked from a tough Indoor Track practice, take a well deserved break.

Below — If you can't look at the camera with a straight face, don't look at it at all.

Left — Eliza Parker basks in the limelight with her mother. Eliza and her teammates on the spring track team enjoyed a great victory.

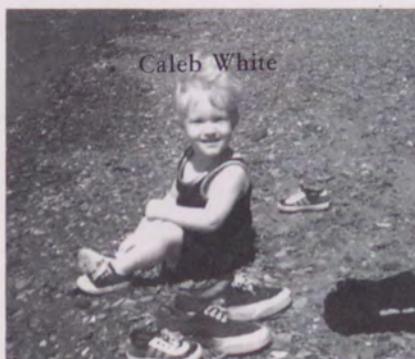

Above — Brett Soucy looks skeptical. Its anyones guess why.

I Duane Cole leave a Death Warrant to anyone who looks twice at Sherry.

I Peter Cummings leave my unused car insurance to

I Sue Dunning leave Lance and Free ten dollars each — cause neither one of you got it first.

I Kimberly Fowler leave my nickname "crash" to anyone who runs the next football errand for Mr. Sinclair.

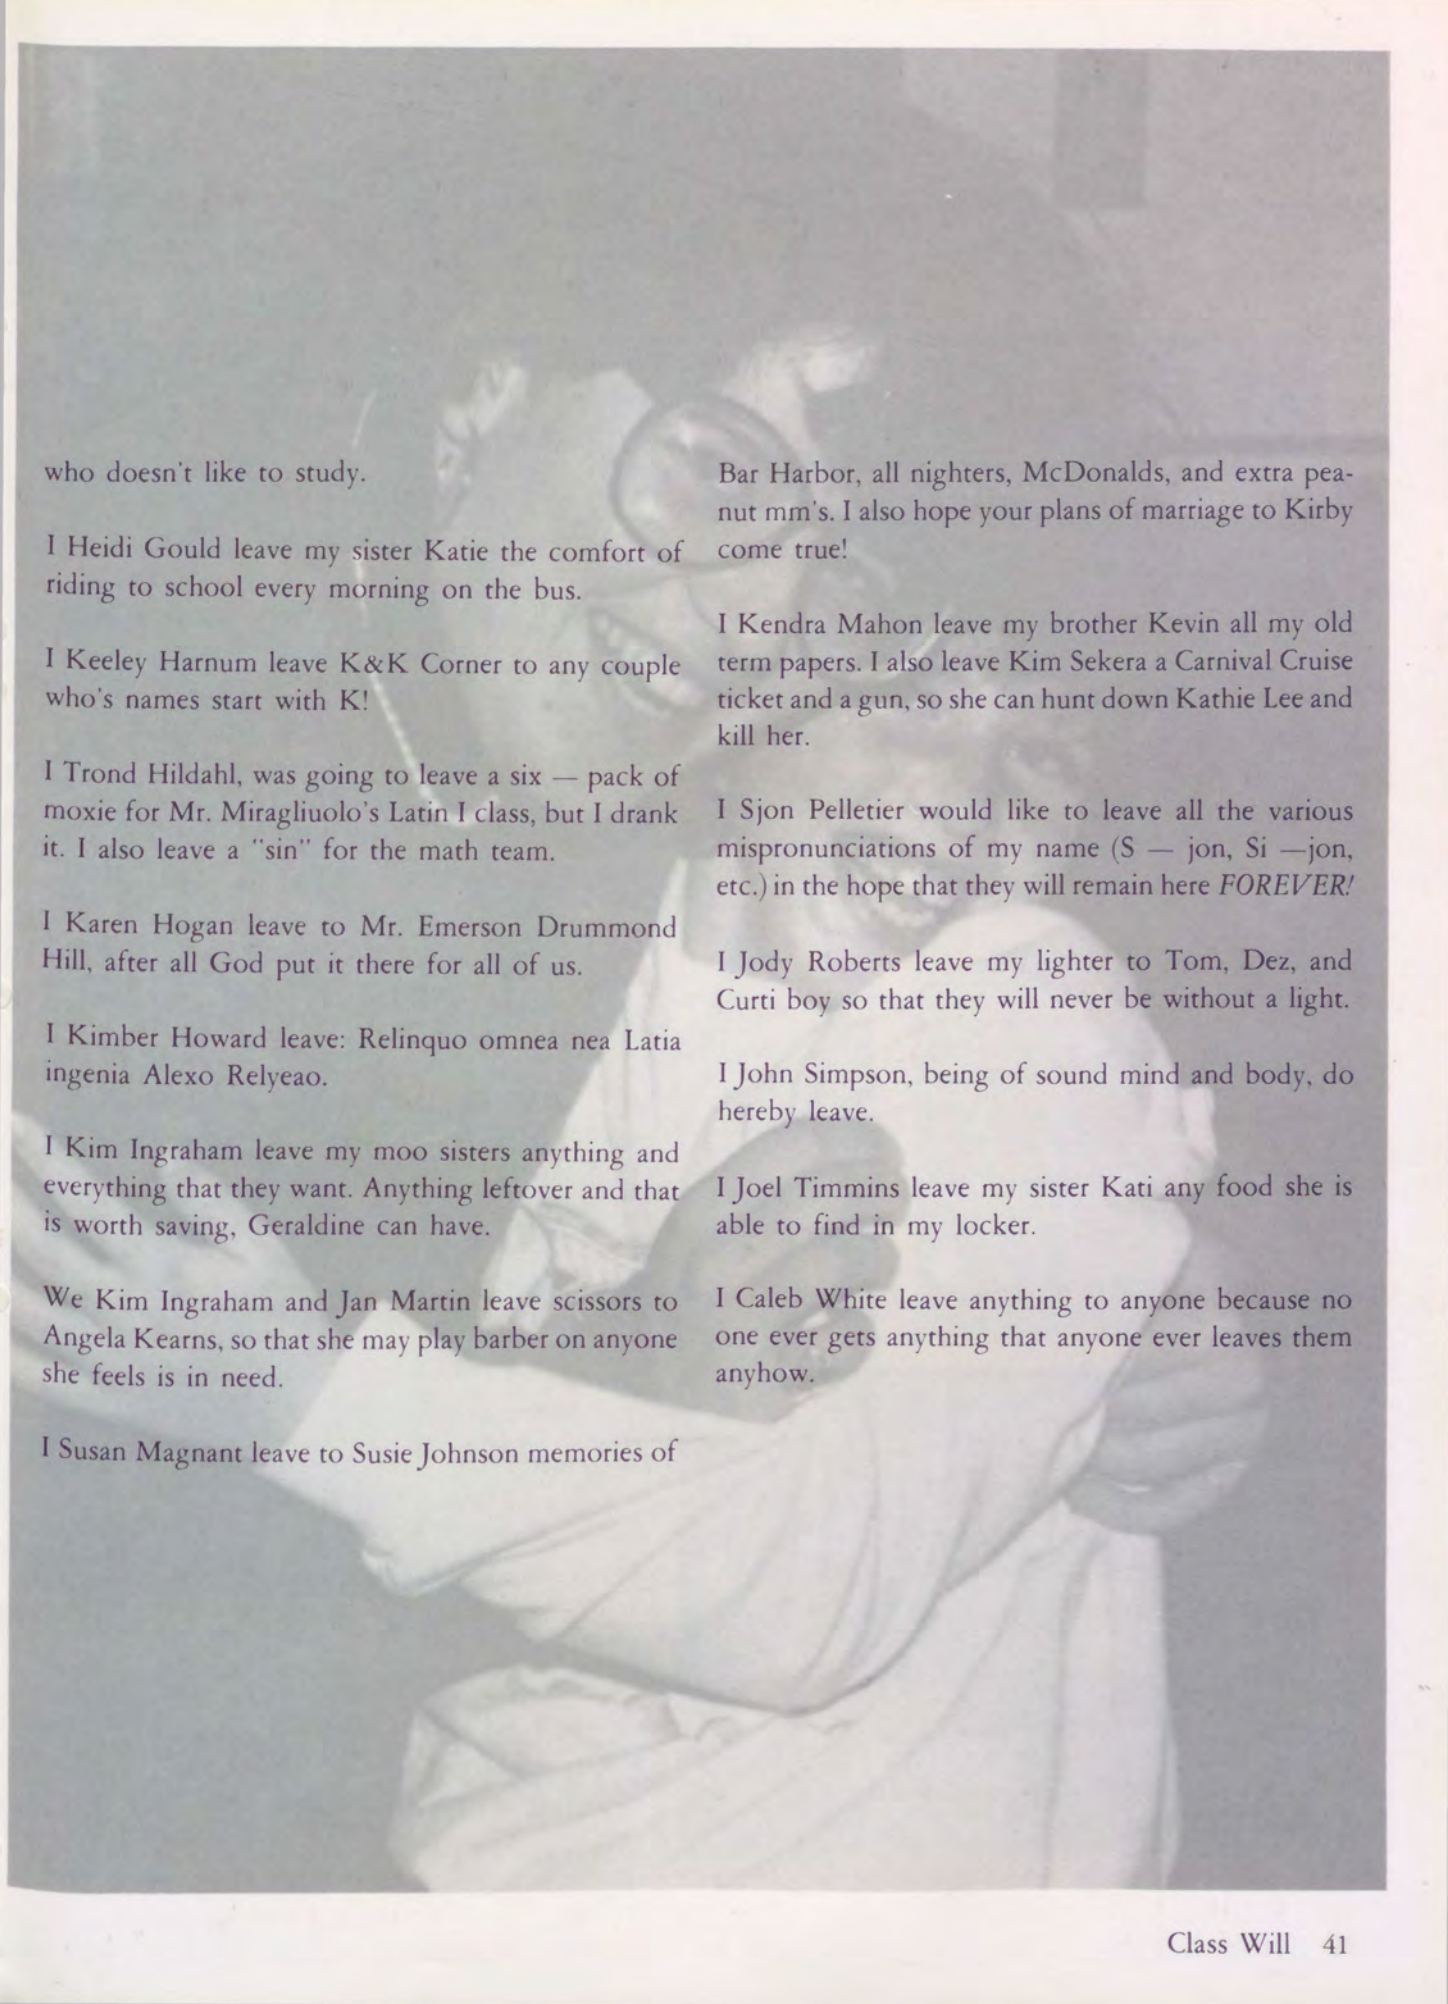

We Kim Fowler and Keeley Harnum leave our ability to read each others mind to any one who thinks they also have this ability.

I Chris Gamble leave Jenny Lynne — paid in full!!!

I Silvana Gari leave all my winter clothes to whoever wants to keep warm in a Maine winter. Also I leave all my Spanish Knowledge to all Spanish III students.

I Carrie Gierhan leave Sherry Smith a truck — load of *B L E E P*. Good Luck!

I Chris Gillisen leave my awesome driving skills to all new drivers. I also leave my great wisdom to anyone

who doesn't like to study.

I Heidi Gould leave my sister Katie the comfort of riding to school every morning on the bus.

I Keeley Harnum leave K&K Corner to any couple who's names start with K!

I Trond Hildahl, was going to leave a six — pack of moxie for Mr. Miragliuolo's Latin I class, but I drank it. I also leave a "sin" for the math team.

I Karen Hogan leave to Mr. Emerson Drummond Hill, after all God put it there for all of us.

I Kendra Mahon leave my brother Kevin all my old term papers. I also leave Kim Sekera a Carnival Cruise ticket and a gun, so she can hunt down Kathie Lee and kill her.

I Sjon Pelletier would like to leave all the various mispronunciations of my name (S — jon, Si — jon, etc.) in the hope that they will remain here *FOREVER!*

I Jody Roberts leave my lighter to Tom, Dez, and Curti boy so that they will never be without a light.

I John Simpson, being of sound mind and body, do hereby leave.

I Joel Timmins leave my sister Kati any food she is able to find in my locker.

I Caleb White leave anything to anyone because no one ever gets anything that anyone ever leaves them anyhow.

Superlatives: The Seniors with the Most.

Eliza and Brett, The Most Athletic of our class, are wicked tired. Eliza is a star Tennis Player and an accomplished runner as well. Brett is a key member of the Boys' Varsity Basketball Team. Right now, they are between school and practice, so they ask that you please excuse them as they rest before yet another rigorous practice!

Sue is the Most Musical of class. She was recently nominated for the All American McDonald's Band. Matt Clark was also voted Most Musical, but, he's probably at Band Practice right now. Right Matt?!?!

Tami and Jamie always have their hands up in class, they Know All The Answers!!!!

Maria and Jamie were voted as the two who have Done Most for The School. They have both active members of S.A.C. as well as having served as class officers.

Michelle and Brian are the Most Artistic in our class. Michelle claims to be the original artist of the Mona Lisa and Brian just draws really good stick people.

Kimber and Joel are the Best All Around in our class. They always have smiles on their faces and would help just about anyone who asked them!

Cathy and Trond were voted the Most Likely to Succeed in our class. Whatever they go on to do, we all know they'll be successful!!!

Kim and Steve are the Teachers' Headaches in our class. Everytime they raise their hands in class, the teacher pops two more Tylenol!! They're not that bad, but see that ice-bag in the picture? At the end of the day, all their teachers are fighting for it!!!!

Maria and Andy were voted the Class Moochers, they're always trying to get something from someone. The question is, Why do we keep giving it to them?!?!?

Cathy and Jody were found to be the ones who are always trying to get more points after the test has been taken. One has to wonder, however, why they always seem to get those points! Teachers, beware !!!!!

Keeley and Brett undoubtedly have the most school spirit in our class. Right now they are so overwhelmed by this award, the most they can do is hold the jacket of Dear Old John Bapst. Maybe later they'll do a cheer!

Tami and Steve are definitely the Apple Shiners in our class. Look at them . . . faces only teachers could love!!

The two people we voted for Gets Away With The Least were both unavailable at the time the pictures were taken, and just to save them from public ridicule, we have agreed to not release their names. We can only hope that they reform themselves before it's too late! As for the two voted Gets Away With The Most, we also agreed not to release their names so they could continue their lives of freedom and fun!!!!

The 1989 Varsity Softball Team, under the direction of head coach Bob McCarthy, and the leadership of Senior tri-captains Stacy Burke, Kristie Carr, and Tina Lakeman, saw all the ups and downs a team could ever see and still have a successful season. Though the team did not gain a play-off berth, they did gain the respect of other teams and coaches as one of the most competitive and toughest teams in the league. Also assisting the team in their successful season was J.V. Coach Bill Cohan, Brian Gonyar, and Tom McCarthy. A thank-you is extended to all the parents and fans who provided the encouragement and spirit without which a team cannot function.

J.V. BASEBALL

The 1989 J.V. Baseball team had its ups and downs just as any other team. It did however, produce some great talent which will one day lead the varsity team to a top place in its class. Under coach Walt Sheren, the boys displayed an incredible desire to win and this was a key factor in the success of their season. Congratulations Coach Sheren and boys for a fine effort.

Varsity Baseball

The 1989 Varsity Baseball team although not successful in their season, showed strong spirit and great potential for upcoming years. Many talented freshmen and sophomores played on the team and under the guidance of Coach Sinclair and the experienced seniors and juniors, proved that they have some great seasons coming.

Coach Sinclair is looking forward to seeing hard work, hustle, and dedication of the team in the following seasons. Thank you to the fans of the John Bapst Varsity baseball team. Your support is appreciated.

The Tennis Team, under the direction of Mr. Jeff Owen, was a young team. The girls, led by Krissy Hirschfeld, Kim Lekouses, and Michelle Batty, had a big win over Hermon. The boys, led by Jay Adams,

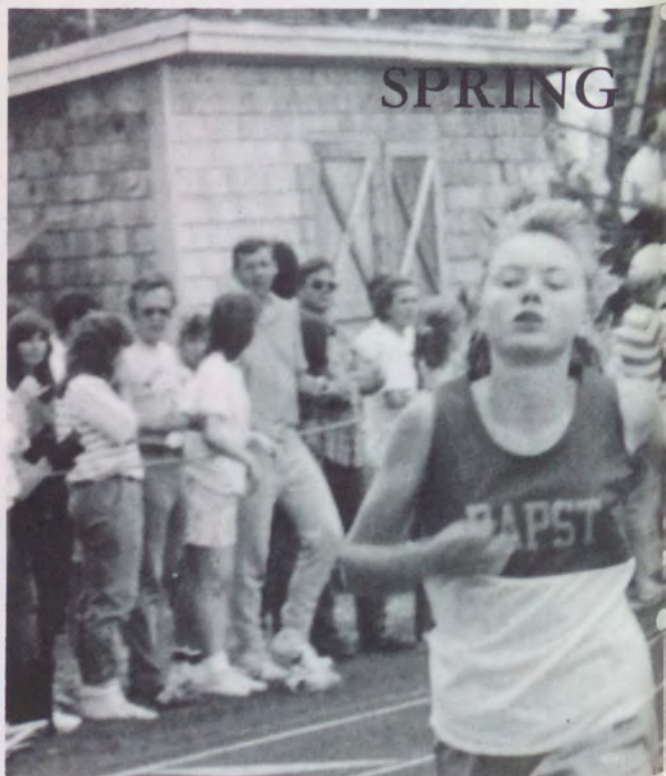

Chris Corbin, Jody Roberts, and Steve Mathieu, also beat Hermon. Considering the number of sophomores and Juniors returning, the team looks towards the future with hopes and anticipation of more wins.

The 1989 Spring Track season began with high hopes and ended up with a State Runner-up Title. The Track Team, under Head Coach Lenny Miragliuolo and assistant coach John Emerson, sent seven girls and one boy onto the State Track Meet.

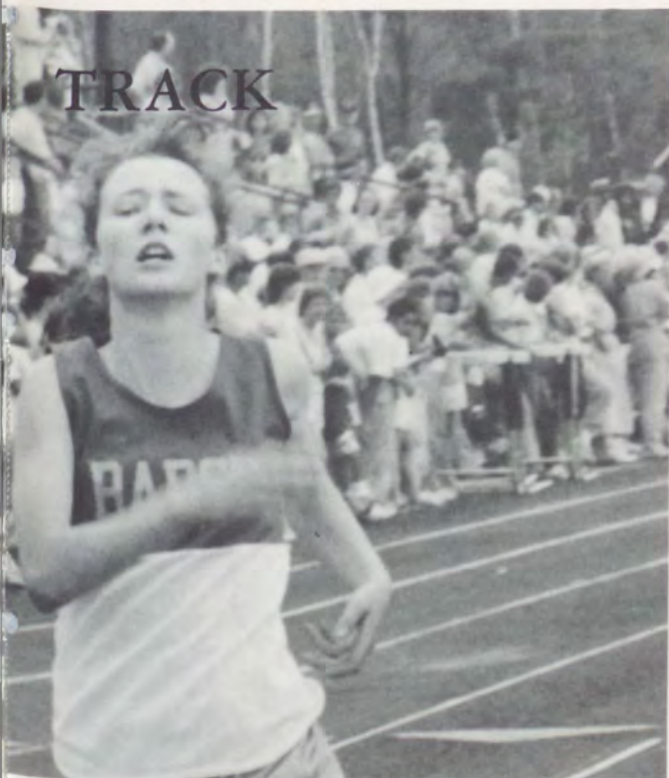

The team, throughout the season, faced tough competition.

The seven girls who qualified for the State Meet were: Senior Heather Hews, Juniors Eliza Parker and Cathy Morse, Sophomores Melissa

By the close of the season, and throughout the preparation for the State Meet, the 1989 Spring Track Team had gained a reputation as one of the toughest teams in their league of competition. Next year holds in store for the young team many returning members . . . and maybe a State Title!

There is no other way to bill it except as a building season. Every team needs one, and this appeared to be it for the John Bapst Varsity Football Team. The five man coaching staff and the tri-captains, Will Brown, Bob Shannon, and Bryn Owen, as well as the rest of the team, saw what they thought were some pretty bleak times in the season. They kept their heads up however, and never lost their positive attitude. It is with this optimism that the coaches and returning team look for success in the season to come.

It is up to someone to provide the pep and spirit for the football team at their games, and that's exactly what the 1989 cheering squad did at all the games this past year. Under the direction of coach Linda Murphey and senior co-captains Keeley Harnum and Sue Dunning, the cheering squad hyped up the crowds and lended support to the team as they did battle on the field. A congratulations is extended to the cheerleaders faor not only keeping up their own spirit, but the spirit of the fans as well.

The Golf Team, in only it's third year of existence, had their most successful season this past year. Head coach Jim Nahra led his golfing Crusaders to the tournaments this year where they placed first in the Regionals and went on to the State Competition. The team, consisting of nine players, will have six returning next year as they lose three seniors. A congratulations to the 1989 Golf Team and Good Luck to Coach Nahra and the team in seasons to come.

Cross Country

Girls Cross Country had an awesome year in 1989. And considering there are no seniors on the team, the 1990 year holds plenty of promise. The girls were only beaten once during their regular season. They were runners up to the PVC Title and won the MCI invitational. The team won the Eastern Maine Championship and were runnersup to the State Championship.

The boys Cross Country team was young in 1989, but they worked hard and did their best. The team, including Mike Miragliuolo, Jesse Morang, Trond Hildahl, Hunter Smith, Alex Peters, and Ted Curtis, qualified for the state meet.

The team did individually as well. Melissa, Petra, and Amy were chosen for the first team P.V.C. Due to overall performance during the season, Melissa was chosen for 1st team All — State and Petra was chosen for 2nd team —
CONGRATULATIONS!!

Girl's Soccer

The Girl's soccer team, under the leadership of co-captains Naomi Corson and Susie Johnson, ended their season 2-8-2. Although this is their first year without a play-off spot, they highlighted their season with wins over Herman and George Stevens. With only one Senior, and Susie, Sarah Gontoski, and Kerry McGarr returning, the future looks great.

As the soccer game goes on, Justin and his friend from George Stevens have some fun on the ground.

The 1989 Boys' Soccer Team completed their season with a record of 5-5-2. Although they did not secure a spot in the play-offs, coach Tim White's boys proved themselves to be a tough and competitive team. The senior tri-captains, Jody Roberts, Jamie Monberg, and Caleb White, provided the team with experience and leadership to help guide the team through a tough schedule. The team never lost faith though, as they remained loyal to themselves and the sport of soccer as well.

Girls' Varsity

The 1989-90 Varsity squad, under the coaching staff of Lenny Miragliuolo, Joe Floyd, and Kristi Carr, surprised their fans by pulling off a successful season and gaining a play-off berth. Battling older and tougher teams, the Lady Crusaders were often victorious and did not allow themselves to be easily defeated.

Naomi Corson and Kim Ingraham, the team captains and only graduating players, provided the team with leadership and support. The remaining squad, made up of Juniors, Sophomores, and Freshmen, will entertain the fans for years to come with their improving abilities and nail-biting wins.

The entire team and coaching staff is commended for a most successful, surprising, and entertaining season.

The girls J.V. basketball team is full of talent. Many of the players can be seen playing for the Varsity basketball team as well as their own. Mr. Nahra, the coach, has brought many of these inexperienced underclassmen to starting positions on the team. Mr. Nahra, commended for his great coaching ability, has brought his team from devastating losses to successful wins. Congratulations team for a good year.

Second row — R. Walsh (manager), V. Higgins, M. McNichol, K. Sekera, L. LaPierre, B. Brewer, J. Worster, G. Ashman, H. Smith (manager).

Who can you always count on to give the team a boost and to hype the fans for the games? Yup — the Varsity cheerleaders. Many new faces are on the sidelines and showing strong talent. In upcoming years these freshmen and sophomores can be expected to do some amazing things. But watching them on the floor, fans can already see some amazing things. This year the team has a new coach. Karen Lee feels she is learning more with every game and is looking forward to her future years here at Bapst. Good luck!

BOYS' BASKETBALL

The 1989-90 boys' basketball team had a big task ahead of them when they started their season. The team was defending the 1989 class C state champion spot. Everyone was skeptical on whether the team could repeat last year's performance. As the season progressed, the team beat rival teams such as Calais and Deer Isle, but lost to George Stevens and Sumner. At the end of the season the team was 15-3.

Front — Tom Bennett, Brett Soucy, Jayson Adams, Greg Nichols, Rodney Buswell, Chris Haas, David Conrad, Back — Coach Soucy, Coach Cimmbollek, Jeff Mullens, Matt Clark, Chris Corbin, Tony Haas, Richie Hachey, Mike Miragluolo, Darryl Keene, Cleon Ross, Charles Jardine.

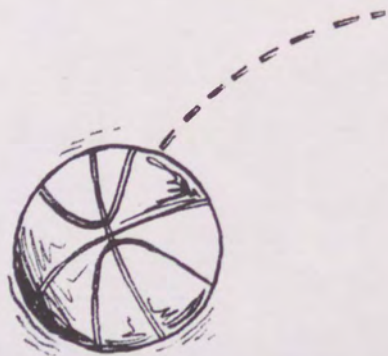

Key players advanced the team to the tournaments. Brett Soucy, Rodney Buswell, Greg Nichols, Chris Haas, and Tom Bennett put up great defense and pushed their opposing teams into their game. Despite chants of "boring", Bapst proved that their offense is extremely effective.

At the tournaments, Bapst played strong, defeating Woodland, Schenck, and Calais. The Crusaders won their second consecutive Eastern Maine title, 57-51. The state game against Falmouth was tough. The first three quarters were tight. But Bapst proved victorious again. They exploded in the fourth quarter to win the state class C title, 46-38. Once again, Bapst proves to be unstoppable. With so many outstanding players returning next year, the team looks forward to another successful year.

Brett Soucy had an outstanding year. He was selected as a nominee to the 1990 McDonalds All-American team. He was also on the McDonald's All-Star team and All-Tourney team. Brett is known for his "dangerous" 3 point shots and jump shots. He worked hard, but sacrificed himself for the good of the team. Congratulations Brett!

Freshman Basketball

The Bapst basketball program begins here with the Freshman team. This year, under the guidance of Coach Cowan, these boys got their first taste of high school competition. As the boys move up to J.V. next year so will their know how of the game.

Under the direction of Coach Phelps is the J.V. basketball team. This year's team was successful on and off the floor. They learned new plays and strategy but also learned the attitudes needed for high school basketball. Many of the J.V. players split their time between the J.V. and the Varsity team. This proves that strong talent can be found all throughout the basketball programs at Bapst.

For the third consecutive year, Bapst was able to boost a swim team of eleven members under the direction of coach Jim Willis. Katrina Whitt and Andy Sekera captained the team of the following members: Kim Curran, Crystal Ayer, Tami Young, Jen Libby, Danny Colson, Alex Shusta, Nate York, Jody Roberts, and Kris Kimball. Katrina went on to the State Meet competing in an individual event and Andy, Kris, and Jody were able to rack up 12 points at the meet as well. The future can hold only the best for this young and developing team as they continue to make waves in the Husson Pool.

The Indoor Track Team witnessed yet another successful season. This year's determined runners improved their times, their team, and their leg muscles as they raced their way to Class B State Runner-Up Title. Led by Eliza Parker, Melissa Lockman, and Petra Rydlova the girls finished the season with many dominating victories. Following in their footsteps, the underclassmen of the team will fare well in the meets to come. The boys team had only a few members, but those that did turn out for track are improving even as speak. Soon, they too will know the fine points of running and jumping and a title could soon be their's!

The members of the Track Team, coached by Mr. Emerson, included: Adrian Aveni-Deforge, Mark Carriera, Jesse Morang, Mark Hunter, Leanne Braziller, Sarah and Jody Gontoski, Melissa Lockman, Jennie Lynn, Cathy Morse, Sue Dunning, Karen Hogan, Eliza Parker, Crystal Reitsma, Kim Roy, Petra Rydlova, Polly Shyka, Katie Timmons, Tracey Young, Keeley Harnum, Kimber Howard.

Activities

KEY CLUB

Under the leadership of the officers, faculty advisor Mrs. Strauch, and Kiwanis advisors Mr. Searway and Mr. Connors, the John Baptist Key Club witnessed one of its most successful years. The Club kept busy all year with Blood Drives, Rock-a-thons, Inter-clubs, Kiwanis meetings, Divisionals, and tons of other Key Club activities.

The John Baptist Key Club is a member of Division 25B. They proved to be one of the strongest clubs in their division this past year. Their membership continued to grow throughout the year and they became more active with the clubs around them. In support of the International Key Club motto, "Caring — Our Way of Life," the John Baptist Key Club will keep up its service to its community and continue to "Develop Within and Share Throughout."

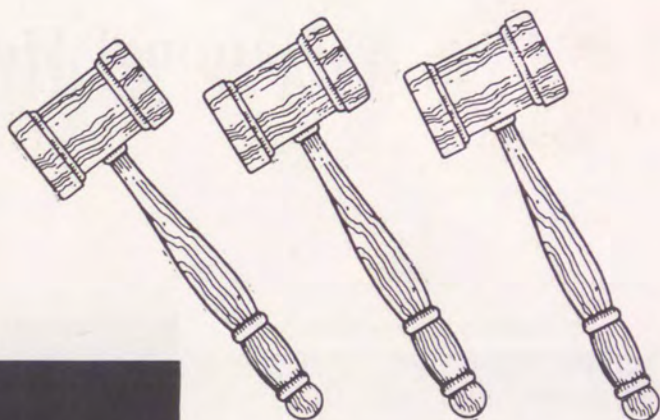

The officers of the 1989-90 Key Club: Crystal Ayer, Secretary; Brooke Daley, Editor; Jena Stewart, Treasurer; Kelly Fowler, Sargent-at-Arms; Denise Connolly, Vice-President; Maria Kearns, Lieutenant Governor; and John Hodgins, President.

STUDENT ACTIVITIES COUNCIL

The 1989-90 Student Activities Council

The Student Activities Council, known as S.A.C., had one of its most successful and organized years. Under advisor Mrs. Waring, S.A.C. was able to organize and run Homecoming, Winter Carnival, Pep Rallies, Dances, Pom Pom Sales, a Welcome Back Breakfast for the teachers, and many other projects for the benefit of the John Baptist Community.

S.A.C. is made up of two representatives from each homeroom, the class officers, and one representative from other clubs and organizations.

The National Honor Society, N.H.S., is composed of students who make the honor roll four consecutive quarters and are teacher appointed to N.H.S. As members of N.H.S., the student's first and foremost responsibility is to remain an honor student by achieving honor roll status. The second responsibility of N.H.S. members is to act as the hosts and guides for the annual Step-Up Day for area eighth graders. Mrs. Jill Leblanc is the advisor of the National Honor Society and Eliza Parker served as the president this past year.

BOYS' and GIRLS' STATE

Five girls were appointed to attend Dirigo Girls' State at Husson College last summer. For six days, Maria Kearns, Cathy Morse, Krissy Hirschfeld, Kendra Mahon, and Eliza Parker were exposed to Town Meetings, debates, the election of a Governor, Senators, Representatives, and various guest speakers. All the girls got involved in various aspects of the governmental system and returned home with new friends and a new knowledge of how the government is run.

Likewise, five boys were appointed to attend Boys' State at the University of Maine. Jamie Monberg, Jody Roberts, Trond Hildahl, Andy Sekera, and Steve Mathieu spent five days at Orono also becoming familiar with the system of the government. They too took part in mock Town Meetings and elections all becoming involved in the activities of the week.

B A N D

This year's band is bigger than ever. The 120 piece band is doing more and more activities each year and gaining a great reputation in the Bangor Community.

The band is involved in many activities including playing at Maine Hockey games, at basketball games, Band-O-Rama and Football games.

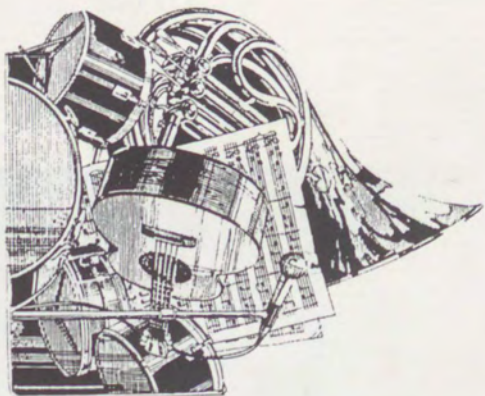

Bapst spirit is better than ever! So ... "Beat 'em up! Clean 'em up! Fight! Fight! Fight!"

Orchestra

The orchestra, in its second year, is becoming a popular group in the John Bapst Fine Arts Department. Many students are learning to play classical music. Full with two determined violinists, it is difficult for the rest of the orchestra to play soft enough as not to drown them out.

In the coming years we look forward to seeing this unique group grow to hear its enlightening music.

S T A G E B A N D

The John Bapst Stageband is famous for getting the audiences clapping and cheering. With their director Al McIntire, the group has gone to competitions and placed well. Improvisation, making up a melody as you go along, has been a big part of the Stageband's performances. Congratulations Stageband! For a great year and thanks for the great music.

Chorus and Singers

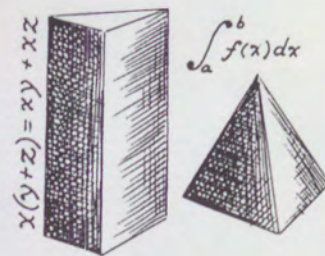

Chorus, under the direction of Timothy Bate, has grown a lot in past years. This is the first year Mr. Bate has taught here at Bapst. It has proven to be very interesting. Chorus performs traditional and unique musical pieces from classical to pop style. Thanks and appreciation go to the chorus members and Mr. Bate for their hard work in putting on a great performance.

Singers, a select group, also has performed very well this past year. Also under the direction of Mr. Bate, they perform more difficult music that is from an older classical era. Thanks and appreciation go to them also for putting on a wonderful show.

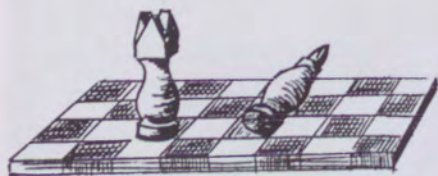

Math Team

The 1989-1990 Math team was the strongest ever. After just three meets John Bapst was ahead of the competition by a commanding 90 point lead. They are well on the way to their second consecutive invitation to the New England Regionals. Congratulations on such an outstanding year.

Chess Team

John Bapst is very proud of their chess team. With the growing number of members has come a great team. At this writing, the A team is undefeated in the P.V.C. and the B team is in 3rd place in the P.V.C. The team is feeling confident that they can take the state title for the second year.

Debate Team

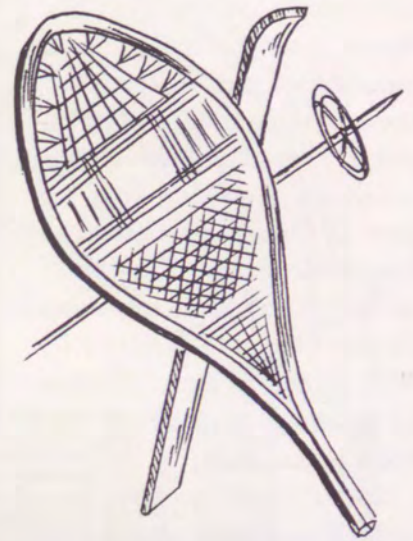

The debate team, coached by Mr. McCarthy, is new to John Bapst this year. This was a learning year for both the team members and coach. Although the team faced tough competitors such as Bangor, Brewer, and Old Town, they competed well. Shawn Cutler gained a speakers trophy at the Brewer meet. Alex Relyea was top debater.

The debate team learned alot, gained experience and had fun doing it. They would like to say thank you to parents and friends of John Bapst who judged at meets.

Outing Club

The outing club is another new addition to John Bapst. Under Mr. Sheren's direction the club has taken some memorable trips to Maine landmarks. They visited Acadia National Park, and climbed Penobscot Mt. They also went to Gulf Hagas, the Grand Canyon of the east. In January the club went downhill and x-country skiing at Squaw Mt. In the upcoming years, the outing club is looking forward to more great trips.

Yearbook!!

The Story: It all started with a few organizational meetings. Staff meet Ms. Wright, Ms. Wright meet the staff. After it became clear that neither party knew anything about putting together a yearbook we quietly panicked. Knowing that we were in trouble we headed to Brunswick to attend a seminar on how to do a yearbook. This is the trip where Ms. Wright DID NOT go over 65 mph. After that we were on our way ... this book is the result.

first row, l to r: Co-editors Maria Kearns and Michelle Batty, Karen Currier, Kim Horn, second row: Sarah Gontoski, Denise King, Sarah Simpson, Naomi Corson. Missing: Jonica Calkins, Kim Ingraham

Special thanks to Mrs. Batty without whom we never would have made it. Thanks also to Amy Deshane who helped us get started and all the students and faculty who supplied us with photos. Thanks also to Michelle Batty, Mrs. Batty, Ken

Dunn and Jessie Sousa for art contributions. To the third floor faculty, thanks for tolerating our presence in the faculty bathroom.

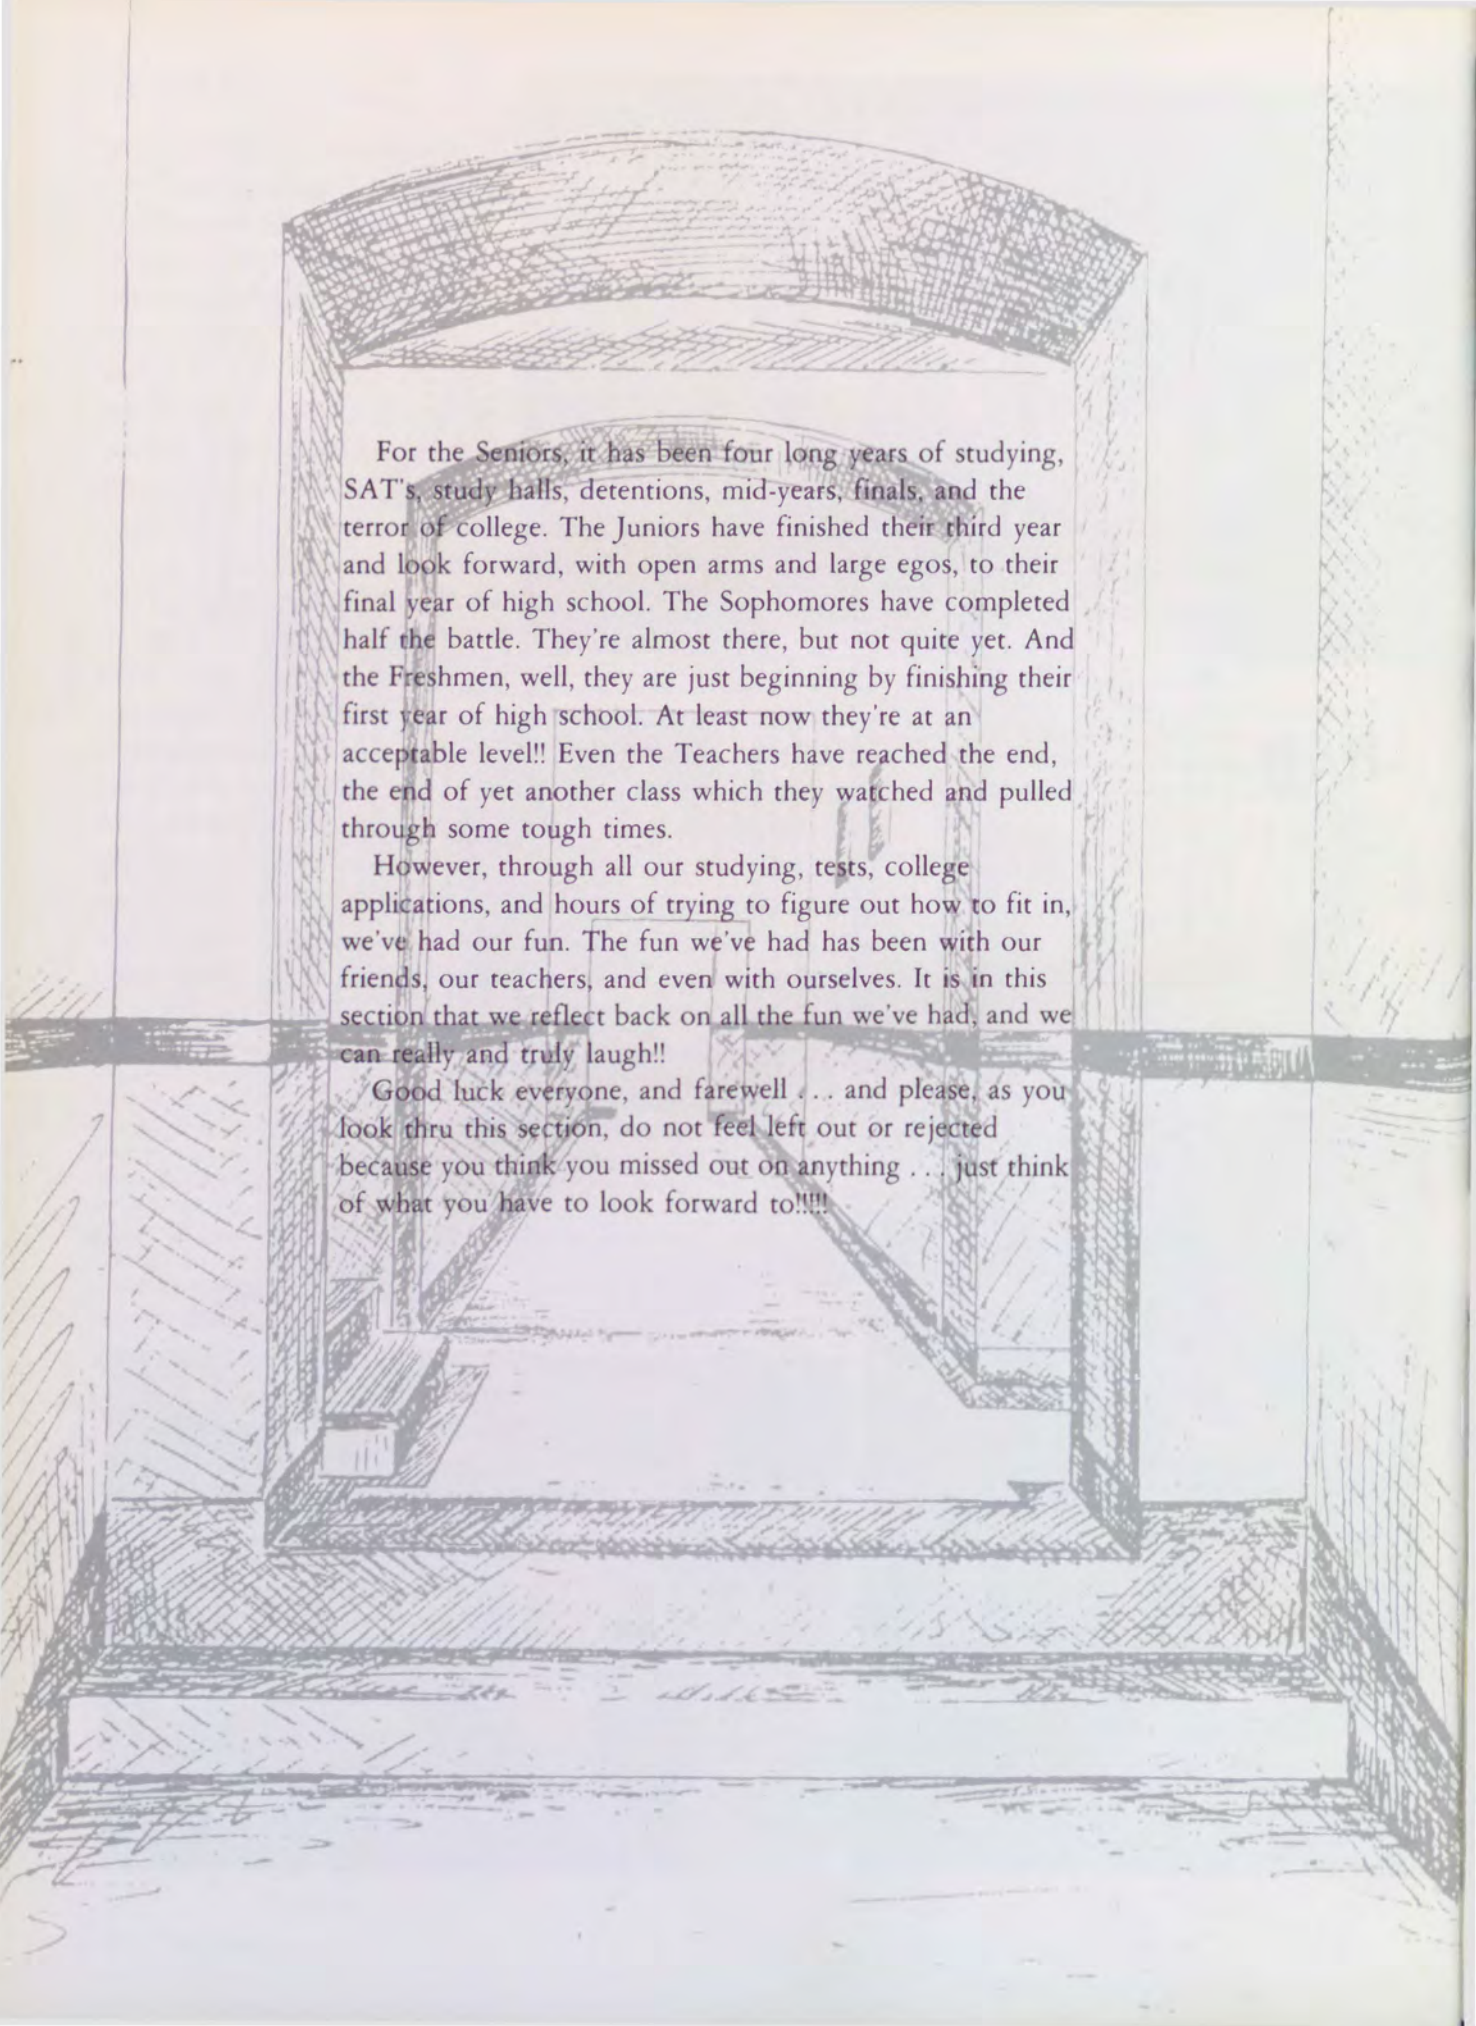

P.S. if anyone heard screams coming from the third floor after hours — it was Maria.

Where are the football photos?!? This cropper is retarded!!! You can do anything you want as long as it doesn't get me fired. No, Maria and Kim, you can not be the yearbook theme! Is there anything on my lip? This is John Bapst., Not John Baptist!!! Another snafu. Sarah G. — the typing queen. Karen, you lost *what*?!? Doesn't anyone have pictures of boy's baseball? Don't worry Jonica did that page — no need to proof it. Do you have batteries in your camera? Do you think Mr. Schab will miss this shelf file? Don't drop that shelf on Kim, she is the best layout designer we've got!!! Pizza! I never want to see another senior bio! Who *is* this person?!?!? You shot these photos at *What* ASA!! It is 9 pm and I am exhausted. Don't worry, if we make lots of noise before we open the door, the mice will run away. Ms. Wright has had another of her strange ideas — think we can talk her out of it? Sarah S. "Stickers on *all* the mug shots!!"

**ALL
THE
FUN
WE'VE
HAD**

For the Seniors, it has been four long years of studying, SAT's, study halls, detentions, mid-years, finals, and the terror of college. The Juniors have finished their third year and look forward, with open arms and large egos, to their final year of high school. The Sophomores have completed half the battle. They're almost there, but not quite yet. And the Freshmen, well, they are just beginning by finishing their first year of high school. At least now they're at an acceptable level!! Even the Teachers have reached the end, the end of yet another class which they watched and pulled through some tough times.

However, through all our studying, tests, college applications, and hours of trying to figure out how to fit in, we've had our fun. The fun we've had has been with our friends, our teachers, and even with ourselves. It is in this section that we reflect back on all the fun we've had, and we can really and truly laugh!!

Good luck everyone, and farewell . . . and please, as you look thru this section, do not feel left out or rejected because you think you missed out on anything . . . just think of what you have to look forward to!!!!

FRESHMEN TRIP

Something new at John Bapst? At the start of the year, John Bapst was greeted with 110 new faces: the Class of 1993. In an effort to unite the class, the faculty arranged to spend one day on Mt. Desert Island — Freshmen only — no upperclassmen. The new students went on one of three side trips: hiking in the park, a visit to the oceanarium and a boat ride, or a morning of golf.

Well, anything's better than school!!

Freshman Overboard!!

Do I have to touch it!?

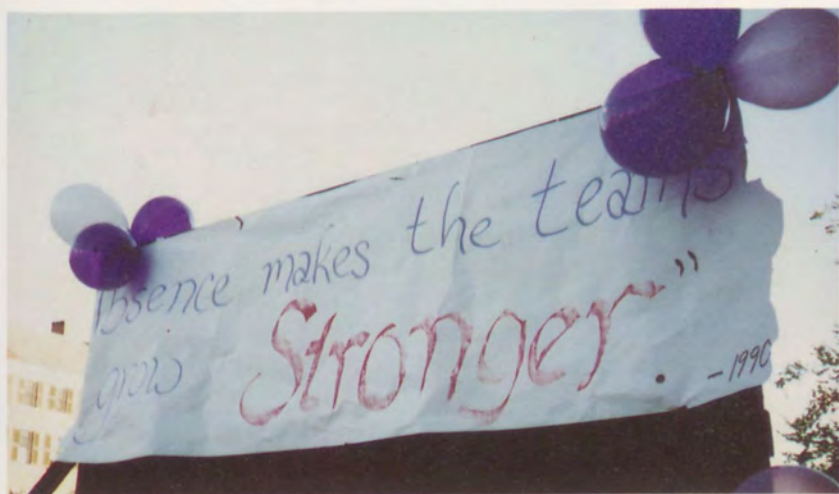

King Aaron Miller and Queen Carrie Creath

For the student body and teacher population, the weekend of October 13th-14th can easily be described in one word: FUN!!! For two days, the entire populus of John Bapst Memorial High School came together to celebrate a tradition that has been around as long as Mr. Floyd !... HOMECOMING!!! This long standing tradition was changed just a bit this year as the Senior Class decorated their float, but forgot to ride on it; the Freshmen Class won the float competition; and the King and Queen were crowned in cardboard look alikes! We had fun however, and that's what we'll never forget!!!!

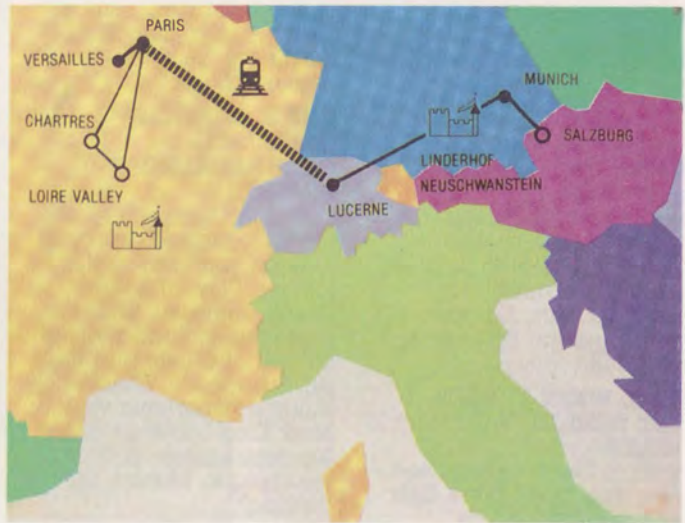

After visiting all of these countries, everyone will have memories that they will never forget.

European Trip

On April 15, 1989, we were Europe bound. One cannot forget the traveling experiences on how long it took to get there and back.

Our first trip was Paris, where we met Chuck, our tour guide for the trip. While we were there, we saw everything possible that you could see: The Eiffle Tower, The Rodin Museum, The Lourve, and Notre Dame. The highlights of the trip had to be riding the Metro for the first time without Mr. Miraglioulo and our host restaurant The Flashback . . . with our charming waitress who served us refreshingly *clean* water and delicious food.

From Paris we took a train to Lucerne, Switzerland. What can one say about the beautiful Swiss Alps and the fact that we had real showers in our rooms.

Our last stop was Munich, Germany and on our way we had the opportunity to visit many breathtaking castles and palaces. Where the most action and excitement had to be was the BEERHOUSE . . .

On the day before we left some of the worldwide travelers, who wanted to get up at 5:00 a.m. had the option of going to Salzburg, Austria.

Li'l Abner

The 1989 Spring Musical was a smashing success under first year Director, Tim Bate. The Musical, "Li'l Abner", began production in January. The cast worked every day after school and on weekends to prepare for the big show. By April 7, the show was ready to go on, and on it did go! Filled with humor, romance, singing, and dancing, "Li'l Abner" proved to be a hit with all ages. Congratulations goes to Mr. Bate with such a success with his first show. Congrats to the cast as well for their efforts in "Li'l Abner".

Are we havin' fun yet?

Band Trip to Montreal

The Bapst band traveled to Montreal in May 1989. As we pounded the sidewalks following Father Ross around the city, most of us fell in love with the French Quarter & the ride up inside the Olympic Stadium.

ART

The Boston Fine Arts Museum played host to the 1989 John Bapst Art students. Mr. Sekera drove a startled busload of students safely through a "no bus" route to the museum where they discovered Monet and the Impressionists. The students held a class critique as others listened in.

Four of the Art students returned to Boston in the Fall of '89 for Portfolio Day. College Art Depts. from all over the area set up booths to answer questions and critique the student portfolios.

The Art department at Bapst works in a wide variety of media. The fall Black and White art show displays black and white media such as charcoal drawing, pen & ink, and design projects. The second show exhibits 3 dimensional clay objects & sculptures; and the Spring Show displays oil painting & watercolors. The Bangor Mall Art Show used several pieces from John Bapst, with Brooke Daley's work being chosen for the State Traveling exhibit.

Scott,

Oh what an independent stubborn little cutie you were — loving your blankie and teddy bear.

You gave those up for beg, begs. Then came model building and scouts. How proud we were when you reached the rank of Eagle Scout!

Baseball, golf, water and snow skiing are the sports you love. But music, oh music, how you grew in ability and interest --playing the sax, guitar, and drums.

Continue to be happy and grow in the things you love. Congratulations to you and the Class of 1990.
