There are smiles . . .

that make us happy,

there are smiles . . .

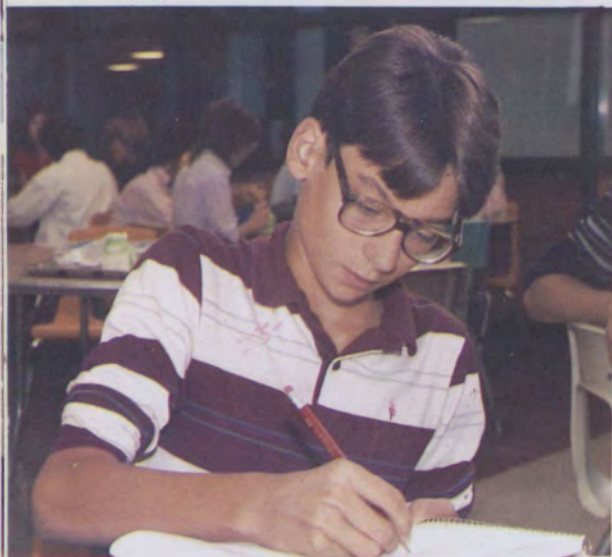

that make us blue.

There are smiles . . .

that steal away the tear drops,

as the sunbeams steal away the dew.

There are smiles . . .

that have a tender meaning

that the eyes of love alone may see,

and then the smiles . . .

that fill my life with sunshine,

are the smiles . . .

that you give to me.

J. Will Callahan

The cares that infest the day,
Shall fold their tents,
Like the Arabs,
And as silently steal away.

DEDICATION

Mr. Merle G. Lounsbury

Mr. Merle Lounsbury was born on November 24, 1934 in Orono. He graduated in 1952 from Orono High School in the Industrial Arts Program. He attended Gorham State, graduating in 1956. Before he started teaching in the Bangor School System he taught at Mattanawcook Academy, 1956-57. In 1957 Mr. Lounsbury was stationed at Fort Hood, Texas. He was in the Army until his release in 1959. Mr. Lounsbury has taught in Bangor since then, except for one month in 1961 when the army called him back to be stationed at Fort Campbell, Kentucky, during the Cuban Crisis. Other than teaching he has worked for Star Beef as a meet cutter and for S. A. Collins as a carpenter.

At Bangor High Mr. Lounsbury takes an interest in the life of each of his students as well as many others who do not even know him. He gives much attention to those students who participate within the school; be it swimming, football, yearbook, National Honor Society or the Rifle Team. His colleagues look to him as one who is very dependable, with few complaints or question as to why, but one who gets the job done. This is also the attitude he tries to stress in each of his classes.

Because of your **dedication** the class of 1986 takes both pride and pleasure in having this issue of the *Oracle* dedicated to you — thanks Mr. Lounsbury.

ACCREDITATION 1986

The 1985-86 school year found Bangor High School staff busily involved in the accreditation process. Ten years have passed since the *New England Association of Schools and Colleges* last visited Bangor High and made the recommendation to renew accreditation status to the then three year high school.

Beginning in the spring of 1985, administrators, teachers, support staff, students, and parents began serving on accreditation committees, doing research and becoming involved in various other activities related to this year-long process. The accumulation of data and the culmination of long hours of meetings and reports was finalized in April 1986 when Bangor High School hosted the accrediting committee whose task it was to review the school self-study and make recommendations for the future of our school.

Above Mr. Cousins, Chairman of the Steering Committee, studies up on procedures and recommendations of the New England Association of Schools and Colleges. He has had to put in many long hours into helping the accreditation process go more smoothly.

Support Services Open to Anyone at B. H. S.

At Bangor High, pupil services personnel provide assistance, support and direction to students who have problems which are inhibiting their success in school. The student need not to be afraid talking with any of these support persons because all discussions are confidential. The staff of these services include a School Nurse, Mrs. Lois Steevens, a Social Worker, Mrs.

Joyce Thomas, two Psychologists, Mr. Mark Roth and Mr. Bob Hale, and a Substance Abuse Support Person, Mrs. Joanne Tracey. These people are available throughout the school week and willing to help anyone who will come to see them. This staff works individually and as a team for the benefit of B. H. S. students and faculty.

Principal's Message

Congratulations to Members of the Class of 1986

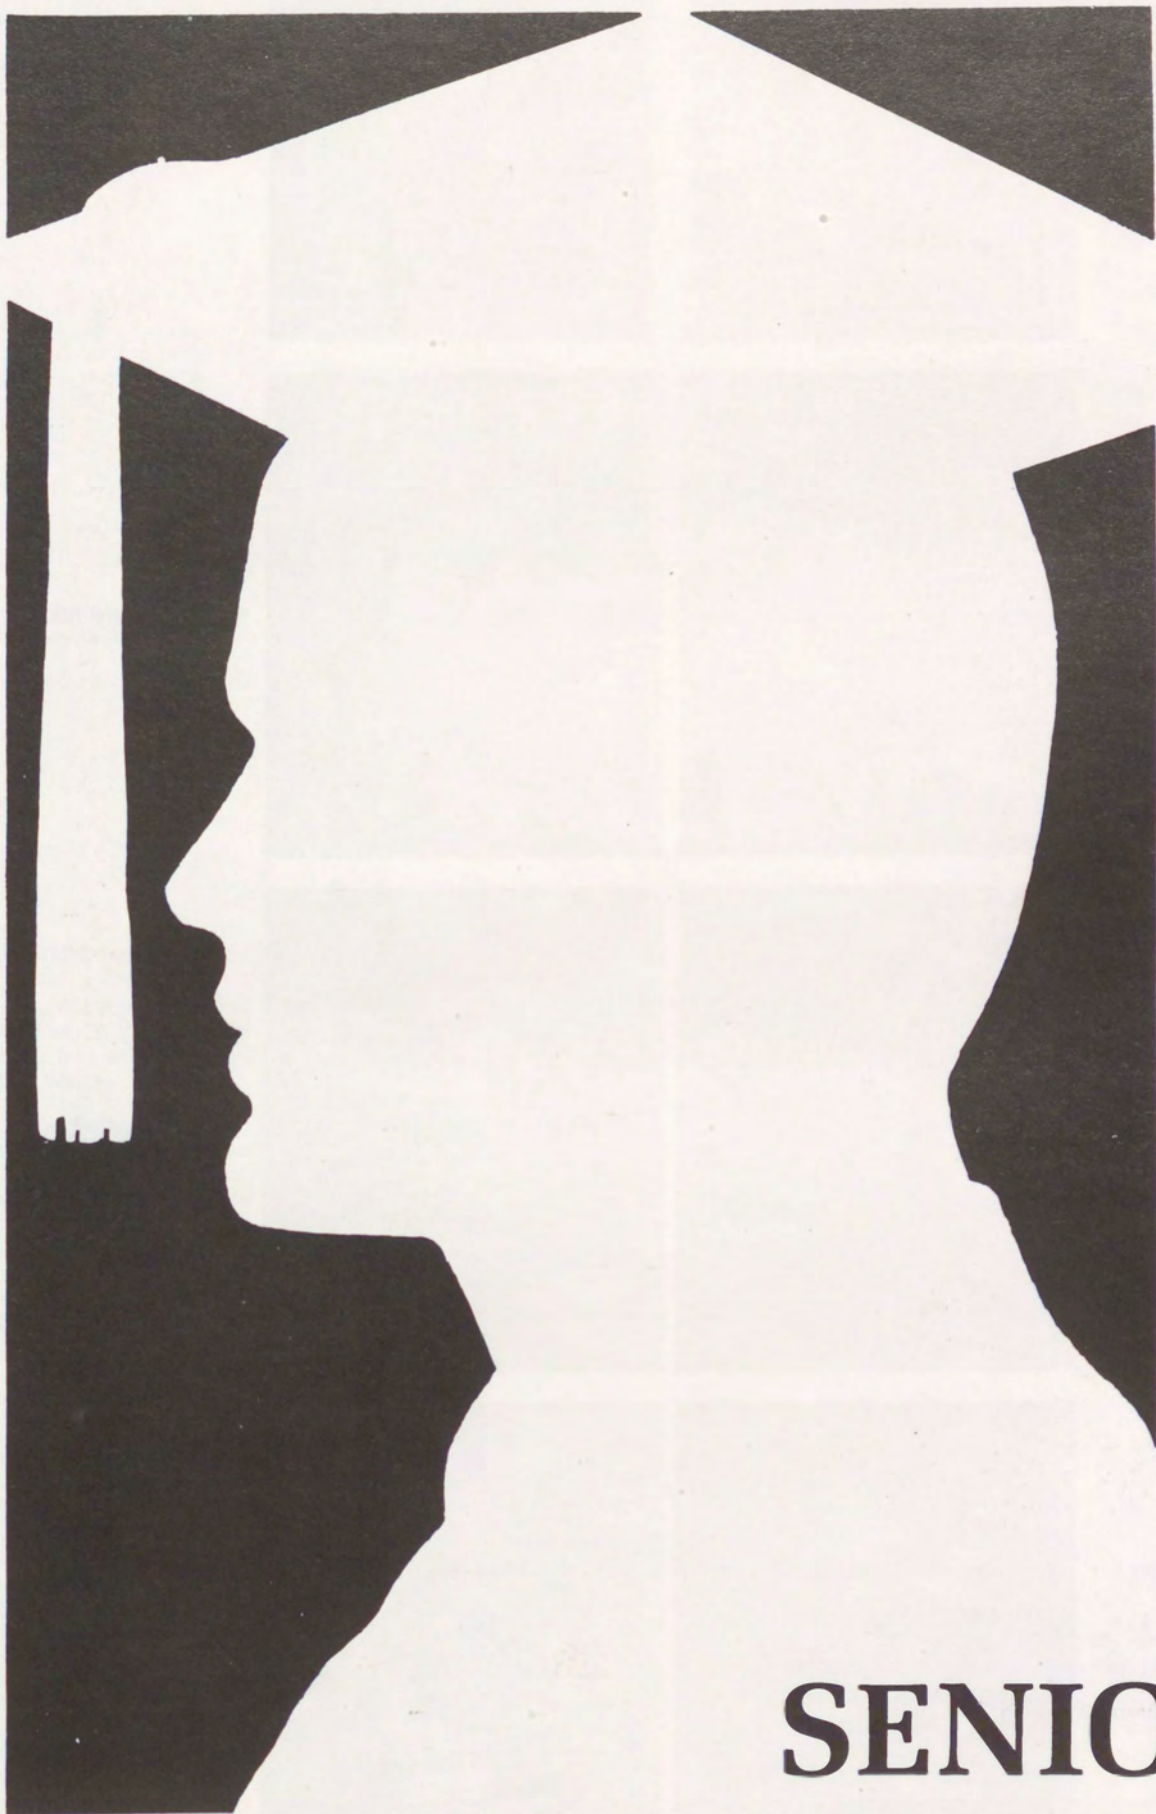

Your time has come! Soon you will be graduates of Bangor High School and will be seeking new challenges at work stations, in classrooms, in the military or in countless other places.

Your Oracle, your Bangor High yearbook, will serve to remind you of your high school years. A pictorial history will live for you as you pursue the pages. Years from now you will depend on your yearbook to help you recall people, places and events.

We hope your recollection of your future is filled with good fortune and good health.

A handwritten signature in cursive script that reads "John J. Fahey, Ph.D." with a stylized flourish at the end.

ACTIVITIES

STUDENT COUNCIL

The 1985-86 Student Council has had a busy year of work involving both the faculty and the student body in various activities. They were responsible for all of our fantastic homecoming events including the first bonfire in at least two years. Often they recognized the faculty with teacher appreciation day. They were responsible for financing and promoting "West Side Story" which was presented on January 31 and February 1. The fall and spring blood drives were a big success. The Student Council also produced All Bangor Night for our enjoyment. Many of our dances were also sponsored by the Student Council. A special note of thanks goes out to their advisor, Mr. C. Robert Jones who turned the ripe old age of sixty this year.

PEER SUPPORT GROUP

"Arrive Alive, Don't Drink and Drive"

The Peer Support Group, in its fifth year of existence, has between 50 and 60 concerned students who receive education in communication skills and information about alcoholism as a disease. In conjunction with the Bangor High School Chapter of Students Against Driving Drunk, formed in May 1985, the peer support group stresses high school and community awareness of the dangers of drinking and driving. The drama division of the group has presented programs on decision making and other challenges confronting young people at area middle schools. Our group also provided assistance to Canadian schools for development of their own SADD programs.

NATIONAL HONOR SOCIETY

The National Honor Society has had an active year. They provided a Thanksgiving basket to the Bangor Hope House and at Christmas they collected gift items which were donated to the Bangor Mental Health Institute. They support Persephoni, a child in Cyprus. A peer tutoring program was also initiated to aid both students and teachers. Members ushered for both the fall and spring performances of Opera New England. In March new members were inducted from the sophomore, junior, and senior classes. Spring events included ushering for both baccalaureate and graduation ceremonies.

KEY CLUB

The Key Club provides service to both Bangor High and the community. Throughout the year they have devoted their time to a variety of different projects including Cystic Fibrosis, Special Olympics, adopting a senior citizen home, and working with the Salvation army. Their fundraisers have included a dance a'thon, a bottle drive, and a rose sale in conjunction with the Bangor Kiwanis Club. Their new advisor is Miss Houlihan. Spring activities include attending the New England District Key Club Convention in Manchester New Hampshire. It was a busy and productive year.

SPEECH TEAM

The Speech Team has had a busy season. Congratulations to Donna Stewart, who was the regional winner in the Voice of Democracy Speech Contest. Speech team members competed in tournaments at the following schools this season: Brewer High, Hermon High, Lewiston High, Bangor High, and Deering High School. They also made presentations in the State Speech Championship and the Spæare Speaking Contest.

GIRL'S STATE

Dirigo Girl's State was held at Husson College June 16 -22, 1985. Girl's State is a school of government which teaches a practical application of Americanism and good citizenship. It also serves to inform participants of the duties, priveleges, rights, and responsibilities of being an American citizen.

BOY'S STATE

Dirigo Boy's State was held at the University of Maine at Orono June 16 - 22, 1985. Boy's state caters to those boys who are interested in the workings of our American democracy. During this week they became more aware of their responsibilities as Americans and gained insight into various careers in governmental areas.

1st Row: W. Ritter, P. Christakos 2nd Row: M. Pulley, J. Lieberman, S. Morrill

ORCHESTRA

The orchestra is full of determined and talented musicians. They first performed at the snowflake serenade in December. Other events included an evening at the symphony, March 19, in Peakes auditorium; a spring pops concert, May 14; and a concert tour with the chorus, May 22,23, and 24. It was a busy, but enjoyable year and the group's sound was excellent.

CHORUS

The chorus is 88 voices strong this year and has participated in a number of concerts, the first being the snowflake serenade in December. Following that were two festivals at which excellence ratings were given, an exchange concert held with an area school, and concerts with the band and orchestra. This years accompaniest is Melinda Hsu. The chorus sent 19 members to the District Five Music Festival in February and several represented the school at the All State Festival in the spring.

CONCERT CHOIR

The concert choir is a 14 member ensemble, which was established this year. After dilligently practicing each Wednesday afternoon, they first performed in the snowflake serenade in December. Their goal was to develop a repertoire of choral standards that are challenging to the exceptionally talented choral student. That goal has been acheived!

BAND

Our Ram Band has had a very busy year. Fall activities included marching rehearsals, and appearances at every home and away football game. The first concert performance was in December, at the snowflake serenade. Throughout the winter they played a full season of boy's basketball games. Additionally they were involved in a variety of concerts. The band has also been involved in a variety of community activities including, The Veterans Day Parade and Pearl Harbor Day Ceremonies. A number of social gatherings for band members only were held throughout the year. This group adds much to school spirit and their dedication is appreciated.

MATH CLUB

The math club spends each Tuesday afternoon practicing. They have visited a variety of area schools to participate in math competitions. Out of the 300 students who participate in this league, Bangor High boasts three in the top ten. Tim Hsu, Jonathon Harrison, and Bill Shapiro are the leading competitors.

CHESS TEAM

The chess team completed its first round of the P.V.C.'s on December 14, 1985. They commenced their second round January 5, 1986 against John Bapst. The final P.V.C. tournament was held February 15, in the Bangor High School library and the state chess meet took place at the University of Maine at Orono in March.

West Side Story

Bangor High School's rendition of *West Side Story* made its debut on Friday evening January 31, and was performed again on Saturday February 1. *West Side Story* places the tragic story of *Romeo and Juliet* in the contemporary slums of New York city. Celebrating with fiery intensity love's attempt to flourish against a backdrop of hate and prejudice.

Caught between two warring street gangs, the Jets and the Sharks, Tony and Maria try to bridge the gap between the gangs with their new found love. Set against their idealistic romance is the street wise love of Anita and Bernardo, also doomed by the passions of the ghetto.

R.O.T.C.

The R.O.T.C. program, which is in its 125th year at Bangor High, is organized into many categories. The cadet corp is organized as a battalion with two companies, A and B. Other areas of the R.O.T.C. program include the rifle team which participates in approximately 25 matches each season. The drill team does trick drills at the G.I. inspection and at various parades. The rangers emphasize activities dealing with cold weather survival and hiking. The color guard performs at military functions while the honor guard participates in military funerals. The cadet staff exercises discipline and authority through both Col. Spekhardt and Sgt. Nash. Throughout the year they participate in numerous community activities including parades, military functions, and field trips.

YEARBOOK

Many long hours go into the creation of the Bangor High School Oracle. The circulation staff is responsible for selling and distributing the yearbooks. The business staff is responsible for obtaining the ads that appear in the ORACLE, which help to offset printing costs. Members of photography staff cover most school events and take the candids that we all love. The editors are responsible for the layout and organization of the book. The ORACLE is created with the student always in mind and we hope that you enjoy it.

After three straight wins Bangor lost their final five games and missed the playoffs for the first time in 8 years. Heartbreaking losses to Biddeford and Lewiston (both by two points) in the final minutes of play didn't help the Rams cause either. Despite a poor showing in the standings, Bangor had two players, Steve Malvesta and Aaron MacDonald, qualify for all-state. Coach Nelson believes that player dedication, and a young team, that included 6 starting sophomores, will be the key to next season's success.

Freshmen Football

The 85 Freshmen football season saw the Rams sport an undefeated 8-0 record. Under the leadership of Jeff Houghton, Fred Lower and Lance Robichaud the team developed into a well tuned nucleus of fine young men. The hard work, positive attitudes and team spirit of the players should benefit the varsity and JV programs in the coming years.

STATE CHAMPS!

For the first time since 1977 the Ram swimmers were state champs with an undefeated 8-0 in dual meets. The PVC championships and the State Relay Carnival were also meets the team won. In the state meet Coach Emery had 10 swimmers finish as high as 6th in at least one event, including 1st place finishes for Chris Hamilton in diving, Chris Carlisle in the 100 backstroke and the team of Chris Cyr, Mike Bassi, Mark Reeves, and Paul Smith in the 400 free relay.

Girls' Swimming

The key to the success of the Girls swim team has been the "Big Hearts" that the swimmers and divers have had. This year's team was no exception. The 1985-86 team was led by tri-captains Beth Adelman, Stacey Seabrease, and Dana Billington. The girls once again defended their regional crown by winning the PVC'S. The girls were defeated in their bid for a fifth consecutive state championship in a heartbreaking loss to Deering by 2.5 points.

Boys' Basketball

The 1985-86 Rams finished the season with a 7-11 mark. Due to inexperience (the loss of 8 seniors from last seasons tournament team), the team struggled to a 1-6 mark in their first seven games. In the final eleven games they had a 6-5 record with one of the losses coming in triple overtime and three others by three points or less. Coach Reed sees a strong season next year because of a large nucleus of returning players.

Freshmen Girls' Basketball

The girls Freshman basketball team had a successful season finishing at 10-6. Their finish was good enough for a third place finish in league play. The team also won seven consecutive games at one point. In the playoffs they defeated Orono 41-21 but lost to eventual champion Bucksport in the semi-finals 40-36. The girls improved alot during the season and they have alot to offer to the programs at the varsity and JV level.

DREAMING OF THE GOLD

Scott McLellan, has had the privilege of attending two clinics at the U.S. Olympic Training Center in Boulder, Colorado. Scott, a member of the class of 1986, is an outstanding cyclist whose goal is to gain a berth on the National or World Class cycling teams in order to be ready for the trials for the 1988 Olympic Games to be held in Seoul, Korea. Both of the clinics that he attended offered information on training, racing tactics, diet, and conditioning. The training camp objective is to develop a cyclist so that he becomes better and has more skills and knowledge with which to work. These professional training camps are the first steps that Scott has taken toward his life-long goal. In planning his 1986 racing season Scott must compete in some very grueling races which will have an

impact on his future as a cyclist. We at Bangor High admire the ambition and determination with which he faces this goal and wish him good luck in all future cycling events.

Scott is riding on a fall afternoon, looking tall in the shadows (above). Scott McLellan and Steve Hoelter, his friend and classmate, find it hard to train in the Maine winters (right). Scott appears frozen on the blurred background (top right). Photos by Scott Haskell, BDN.

FOREIGN FLAVOR

KLAUS KOPONEN — As a Finnish foreign exchange student spending my year at Bangor High School, I have appreciated the opportunity to become part of a community in the United States. I have greatly enjoyed the time spent with the members of my American host family and have made many new and interesting friends who have taught me many things about life here in the United States. I naturally miss my family and friends in Finland and the many activities I enjoy with them and therefore I look forward to returning home after graduating from Bangor High School, but I know I will take with me many fond memories of my year as a foreign exchange student. To my teachers and my friends at Bangor High School, I want to thank you all for a great year.

HUUB deVRIES — Since I have been in the states for

more than half a year, I have discovered many differences between the USA and the Netherlands. I really enjoy the wide variety of food available here, especially the junk food, it is different from home. I have also noticed that Americans are more optimistic and friendlier than the Dutch. The aspects of the Netherlands that I miss the most are the drinking age, no commercials during T.V. shows, no speeches from Ronald Reagan on all three stations, and my friends at home. But, I really enjoy being here and I would like to thank the people here for what they have done for me.

MARK TEEVWISSEN Although we did not hear from Marc by our deadline, We are sure that he too, enjoyed his time in the states and at Bangor High School, and know that he would like to thank all the people who have helped him enjoy his year away from home.

Homecoming 1985 was celebrated with spirit week October 21-26. The theme days included farmer day, cartoon character day, tourist day, and red and white day. Each class competed in decorating, poster, and mascot competitions. Weekend festivities began with a bonfire rally and the announcement of homecoming king and queen. Saturday's events included decorating class floats and a spirit parade. Plenty of alumni were on hand for the football game and in the evening the student council sponsored a super homecoming dance to end an exciting and funfilled week.

GO RAMS

SENIOR DAY 1985 "TOGA, TOGA, TOGA!"

To our seniors the highlight of homecoming spirit week was Roman Empire Day. The enthusiastic seniors donned bed sheets and "toga'd" them in at least a dozen different styles. The most common question that circulated throughout the day was, "Do you have a safety pin?" A delightful time was enjoyed by all who dared to bare a bit more than usual as our seniors enjoyed their day — ancient roman style.

Where and why I'm destined to go

**Right here and now
That's all I know**

**On either side
Future or past**

**Neither is real
Both fade so fast**

So one by one
We're given
These moments to live
Just as one by one
They're taken away

**So one by one
I'm taking each day
In my stride
And one by one
The memories stay**

**Good times
Are still there to find**

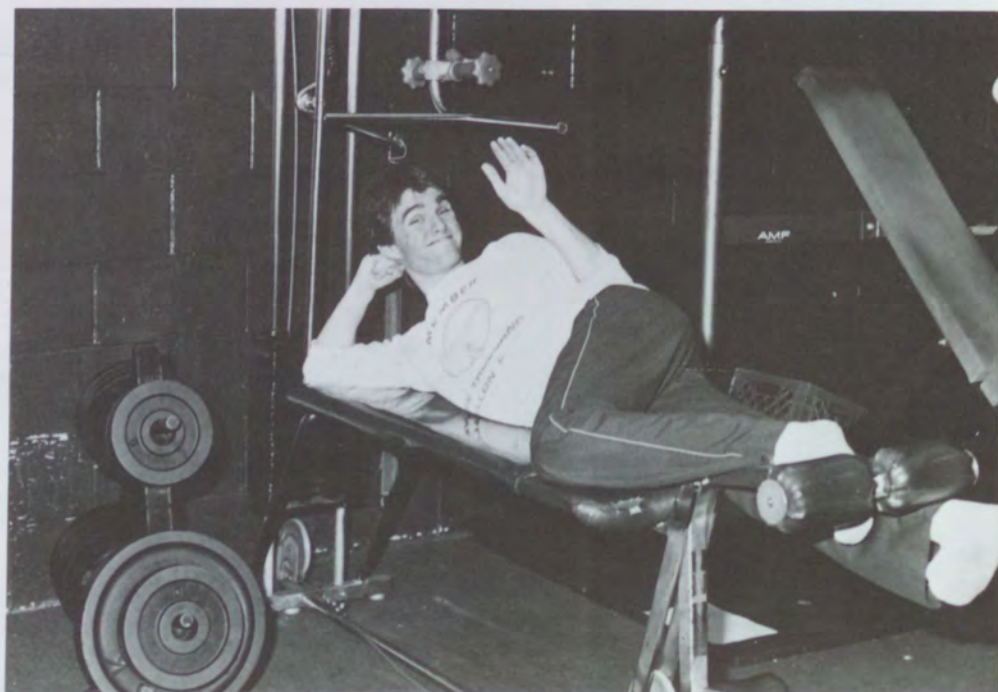

**When times
Are their worst
Keep your eyes
Open wide**

'Cause through it all
Are moments that shine
And moments that glow

**I'm gonna be there
For mine**

**Even when you're close to a dream
It can still let you down
You'll always have a chance to give up
So why do it now**

Michael McDonald**

TRAVEL CANDIDS

The Group, minus photographer Sue Bailey.

At last — with a move from April to February Vacation this years trip to England makes the yearbook.

Bombings and Terrorist aside twelve determined souls, under the guidance of travel club advisors Mr. Salisbury and Mrs. Sirois, left Boston on Feb. 14. London was home base for their week in England.

Tours and visits were made to Westminster Abbey, the Houses of Parliament, Whitehall, Trafalgar Square, St. Paul's Cathedral, the Tower of London, The British Museum, Portobello Road, Speakers' Corner at Hyde Park, Players Theatre (a Victorian Music Hall) and to see the plays "Othello" and "Cats".

In addition three trips were made outside the city. They were as follows: PORTSMOUTH — Home of the Royal Naval Base, Henry VIII ship Mary Rose and H.M.S. Victory; Lord Nelson's Flagship. CAMBRIDGE — The world-famous university city. WINDSOR — With its great castle, founded by William the Conqueror, and a principal residence of the Royal Family; Madame Tussaud's Royal Train Exhibit.

So that's it — A selection of some of the things done during a very full and busy week in England.

Editor's Thoughts

Well its finally happened — the last class of the three year high school and the junior highs is going to graduate — the Class of 1986. After twelve long years this is the yearbook for our class, and soon there will be nothing left of our years at B. H. S. except the memories in it. As I have worked on this years *Oracle* and in looking back over other yearbooks it seems that the quality improves each year. I would expect that this years freshmen, as seniors, would find their yearbook an even better one.

Putting together a 200 page yearbook that costs around \$20,000.00 is a long, hard process, but the experience has been tremendous and I have had a great deal of help from many people who I'd like to thank here.

First my editors: Jim, you did a great job for the business staff, and thanks for the job of bringing in over \$1,000 in ads yourself. Melanie, your job was appreciated not only for your work with the activities section, but for your overall assistance when needed. Sharon, you did a great job too, after I bugged you to do it, but you came through in the end — unlike others. Laura, when your homework wasn't in the way, you did many things for us from counting money to drawing artwork and running errands. Thanks also to Kim for your help in the begining of the year with publicity.

Mr. J. Cole Harris, our representative from the publishing company, did a big favor for me by making sure we got an IBM PC Computer for the yearbooks use only. It turned out to be fun for me but frustrating to Mr. Salisbury for he had never used a computer before. Mr. Higgins and the other janitors helped us move to a better room for the production the yearbook and loaned their tools when needed. Mr. Sands and Mr. Krupke helped me with their artistic and graphic arts supplies and talents. The Administrators understood when we needed to interrupt classes for pictures. Mrs. Thomas you encouraged and lifted my spirits when I needed it. You understood my depressions and always knew what to say.

Last, but not least, I would like to thank Mr. Salisbury for his advice as my Advisor to the yearbook and as a good friend too. Yoy always came through with your famous quote to me when I didn't want to hear it "Not That I Would I Say Anything." I hope your Retirement is a fun and healthy one. Good Luck Sals !!

Good-bye and good luck to all the members of the class of 1986.

Thanks Everyone
Andy

The Best of Friends

Hanging on to yesterday with clenched fists.

Tears stream down my face when I think of all that I have missed.

Our futures lie ahead of us, our childhoods we're leaving behind.

The closeness we share, I'll never again find.

Thank-you Eva, Stacie, and Kim for all that you have been to me.

And God, I thank Him too for giving me the three of you!

All My Love,
Michelle
