PRINCIPAL'S MESSAGE

Dear Members of the Class of 1987:

The 1987 ORACLE is a chronicle of personalities and events which were part of school life at Bangor High during the 1986-1987 school year.

For the advisor and members of the ORACLE staff, the yearbook is the culmination of months of hard work and worry, but the satisfaction of this accomplishment is, and should be, greatly rewarding.

We hope that each student will cherish the ORACLE, for its value and meaning will grow and grow with the passage of time.

To our Seniors, members of the Class of 1987, we recognize that this is your ORACLE. As you graduate and become members of the armies of alumni, we believe you are well prepared to face life's challenges and have confidence that you will pursue your goals with eagerness and determination.

We wish each of you good health, happiness, and prosperity.

A handwritten signature in cursive script, reading "John J. Fahey".

The sea hath bounds, but
deep desire hath none.

The man that hath no
music in himself nor is moved
with concord of sweet sounds
is fit for treason, stratagems,
and spoils; the motions of his
spirit are dull as night, and
affections are dark as Erebus;
let no such man be trusted.
Mark the music.

Dreaming of the Gold

Theresa Badger, a member of the class of 1987 started karate lessons in September of 1985. In less than two short years she has won more than twenty trophies, medals and awards, and she may have the honor of attending the 1988 Olympics in Soule, Korea. She has held the title of Women's Feather Weight Tai Kwon Do Karate Champion in the state of Maine for two years. Last June, Theresa took third place in the U.S.T.U. Junior Olympics in St. Louis, Missouri. This spring, she will travel to Los Angeles, California to compete in the U.S.T.U. Adult Olympics. If she places first, second or third place in L.A. she will qualify to be on the 1988 U.S. Olympic Karate Team. Everyone at Bangor High School is proud of Theresa and wishes her luck in her future karate endeavors.

HOMECOMING 1986

Homecoming 1986 turned out to be the best Bangor High has ever witnessed. It began with a week of spirit-raising with each class contributing to the festivities ... We ended Spirit Week with the traditional Friday night bonfire ... driving out any Halloween goblins, but more importantly, tossing the rival mascot into the flames. Saturday morning(after recovering from the SAT's) students decorated floats for Bangor's Homecoming Parade — which could be heard all over the state. Despite some crazy driving, everyone made it just in time to watch the '86 Rams break a six year Homecoming losing streak by crushing the Sanford Indians in a 33-11 victory!

The Key Club has been active this year with many service projects which included working at the Kiwanis Auction, washing desks for the school, making Thanksgiving baskets, and working with the Greater Bangor Area Shelter and The Bangor Convalescent Center. The district convention was held in Manchester, New Hampshire on April 16-18. By selling roses and balloons we donated \$750 to the district project, the Kiwanis Pediatric Trauma Institute.

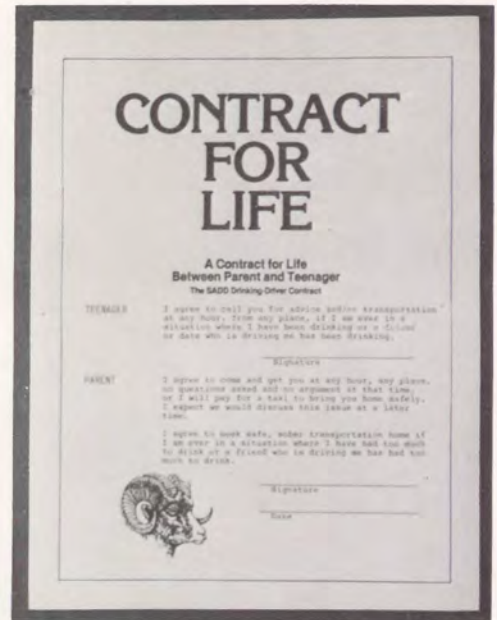

Key Club members sold balloons for Valentine's Day.

PEER SUPPORT / SADD

Members of Peer Support making posters reminding students to drive responsibly during the Holidays.

Parent and Teenager drinking-driving Contract For Life

This year the Peer Support Group continued to spread awareness of the dangers of drinking and driving by displaying creative posters and by presenting an informative program. The SADD Group, Students Against Driving Drunk, encouraged parent and child communication by making available the Contract For Life. We were also able to voice our opinions and ideas about drug prevention in the schools during an informal discussion with parents, Governor McKernan, and a representative from the Presidential Drug Program. We topped off the year performing skits on the challenges facing young people at area middle schools.

Our novice debaters have had a fine 1986-87 season with tournament victories and top speaker awards. They all have contributed their time and talent to make this year's team top-rated among first year debaters in the state. Jerome Spencer and Trevor Pendleton have represented Bangor High School in the varsity division and also have achieved first place tournament successes against all varsity teams in the state. Their efforts have helped to restore Bangor's prestige in debating, and they, as well as the novice debaters, deserve much credit for a job well done.

Special thanks to Rachel Booker for her untiring work handling the secretarial duties so important to the debates team. She has helped to make Bangor's year both successful and pleasant for all concerned.

Varsity Football

1986 Football finished with a 6-3 record (6-4 including a loss in the State Championship game against Thornton Academy).

Beginning with 3 straight losses, the team rebounded with six straight wins, including a 45-7 drubbing of Biddeford which gave the team a shot at the State title. Every player participated in the last 5 victories as the offense rolled and the defense shut the other teams down.

Captains Pelkey, Jones and Guernsey deserve a great deal of credit for leading the fifteen seniors to the end of a truly fine season.

Freshman Football

The Freshman Football team concluded its season with a 4-6-1 record. After a slow start, they won four of their last six games. The season was considered successful due to the vast improvement by all players. The team and coaches wish to express their thanks to all those who supported them, and extend their congratulations to the Varsity for a tremendous season.

Girls' Swimming

Trying to get one of the biggest teams ever unified was one of the most difficult challenges of the year. Nevertheless, the Girls' Swim Team had the strength to pull through and make the season both successful and memorable. With the tremendous support and discipline from coaches Connie Hallett and Bob Hale they not only survived double sessions but improved very much on the whole and ended the season with five incredible divers who scored big points for the team. Managers Julie McClellan, Dawn Albrecht and Mahala Bishop helped the team by keeping their enthusiasm up and taking down times in both practices and meets. Captains Corey, Debbie Read, Gretchen Burger, and Mischa Fitch unified the team, made individuals see the rewards of dedication and continued the special swim team traditions. Hard work and support from the Boys' Swim Team and Coaches helped the season be a tremendously successful one, culminating in another state championship on March 28.

On Sunday, February 23, 1987, the Student Council decided to have some fun and try to liven up the dreary winter months by building a giant snow sculpture. Although it was a bit chilly outside, a good time was had by all.

This is the Time to Remember . . .

... Cause It Will Not Last Forever.

These Are the Days to Hold on To . . .

... Cause We Won't Although We'll Want To.

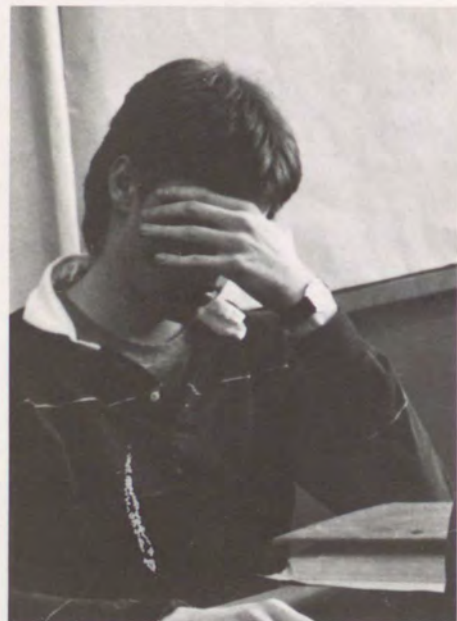

This is the Time . . .

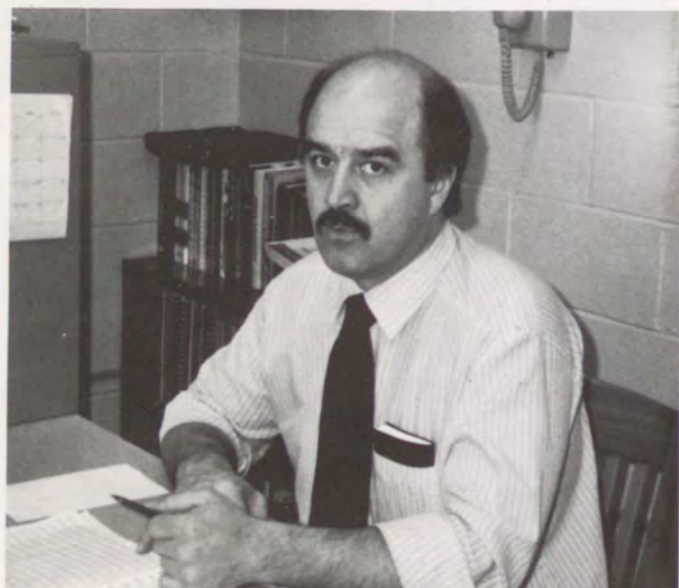

... And Time is Going to Change.

Best Performance!

For years, A.M. Best Co. has been recognized as the life insurance industry's performance rating authority.

Recently, in review of the 20-year net cost for a \$10,000 policy issued to a 35-year-old male*, they substantiated what we've always known: no other insurance company's dividend performance measures up to ours.

It's that kind of performance that's given our policyowners the best overall protection and value per premium dollar in the past. And it's something to keep in

mind when you plan for your future.

Our final year of high school . . . for some the thought of leaving BHS is the best in the world, for others it leaves an unexplainable feeling of melancholy. Yet, whether you leave happily or with regrets, our senior year has been one to remember. It has been a time to rule the school; a time of dawning, sometimes frightful independence; and a time of difficult decisions. But we made it! The first four-year class in over forty years is ready to graduate, leaving Bangor High with a diploma in our hands and memories in our hearts.

This *Oracle* is a book in which those memories can be stored and retrieved as often as desired. Along with its pictures, and the notes and letters of your friends, this book chronicles school life in the past year. My wish is that this *Oracle* helps you relive this year for the rest of your life.

... from the editor

As editor, I am fortunate to have the opportunity to deliver some well-deserved "thank-you's" to the people who helped transform this yearbook from a dream to a reality.

To my editors: Amy, Dan, Dawn, Heather, Kim, Lea-Anne, Monica and Stephanie, I can't thank you enough for all your ideas and hours of hard work. I asked a lot from each of you and you always came through.

To the entire faculty and administration, I am also grateful to all of you for continually being there to identify people in pictures, letting me use the phone and granting me last-minute favors.

To Rosalie Wetmore, our photographer, I really enjoyed the days we worked together, exchanging comments about the students and faculty we observed between picture-taking.

To J. Cole Harris, our Taylor Representative, the friendly manner with which you told me I screwed up was greatly appreciated, as was your advice in other matters as well.

And, of course, I thank Mr. Salisbury for his patience, generosity and ability to put me in my place when necessary (with no second thoughts!).

And, finally, to the class of 1987, good-bye and good luck to all of you.

Always,

Mark Vining

*There was a time when meadow, grove, and stream,
The earth, and every common sight,
To me did seem
Appareled in celestial light,
The glory and the freshness of a dream.
It is not now as it hath been of yore-
Turn whereso'er I may,
By night or day,
The things which I have seen I now can see no more.*

- William Wordsworth
