The 1978 CRUSADER staff dedicates this yearbook to the graduating classes of John Bapst High School. Throughout the 50 years that Bapst has been standing, forty-eight classes have graduated leaving the traditions of the past, memories of the days shared and expectations of the future years which have grown to become a part of us.

The tradition of Bapst is held in its distinguished history. Our founder, Fr. John Bapst, came from Switzerland on missionary duty to Old Town where he devoted two years of his life to helping the Indians and aiding other worthy causes. He was placed in pastoral charge of St. Michael's church in Bangor, as well as the head of several other missions including Ellsworth. It was at Ellsworth where Fr. Bapst became a victim of the Know-Nothing party. This organization persecuted Catholic citizens who refused to have their children taught the Protestant doctrines they were promoting. As a result, Fr. Bapst was tarred and feathered and then ordered upon penalty of death to leave the town at once. Fr. Bapst left after he conducted service the following day at Ellsworth.

Fr. Bapst was the driving force in the erection of St. John's church. The land originally purchased for the church is the land on which our high school stands now. Discontent among neighbors, forced Fr. Bapst to sell the land on Broadway and buy land on York St. In 1855 the first Mass at St. John's was celebrated at Midnight Christmas.

Fr. Bapst is to be remembered for many more prominent achievements. Other than being the first pastor of St. John's, he was also appointed the rector of the Church of the Immaculate Conception and the President of Boston College. Ten years later, Fr. Bapst was made Superior of the New York and Canada Province of the Jesuits and then appointed rector of St. Joseph's church in Providence. He died in Baltimore in 1887 on the Feast of All Souls but the results of his work remain with us today.

In 1922 crowded conditions in the Bangor Catholic Girls High School indicated a need to build a new high school. It was decided the school should accommodate not only girls but boys of the surrounding area. Money was raised and construction began on Broadway in 1926. By September 1928 the school was ready for use. On Sept. 8, 1928 the cornerstone was laid and with Most Rev. John G. Murray presiding, the school was dedicated to God under the patronage of Fr. John Bapst. On

Sept. 9, the school doors were opened admitting a full quota of girls, 35 freshman boys and 18 sophomore boys.

Since then John Bapst has grown. Winter Carnival was added in 1971 under the student council of Leonard Brennan and athletic director Gregory Mullins. The purpose of the carnival was to promote school spirit and student-faculty cooperation, through a winter program that encouraged the involvement of the entire John Bapst student and faculty body.

The carnival activities included class skits, basketball, volleyball, snow sculptures, the election of a school queen and a school dance.

The enthusiastic participation of the faculty and students resulted in a very successful carnival.

Another activity added was the Annual John Bapst Homecoming. The John Bapst Quarterback club is to be praised for this fine success. It began in 1971 as a reminiscent weekend for the alumni and an informative one for the students as well. This weekend arouses school spirit with rallies, a parade, a dance and an exciting football game. At halftime, alumni of the former Bapst football teams are honored and a queen is selected. Homecoming week is an important part of Bapst spirit.

What distinguishes one group of classes from another? Students will come and go leaving empty desks for new students to fill. Many faces will be remembered, but how many will be forgotten? Memories, happy or sad, will separate our span of years from others. Whether one may recall the LTC championship, freshman initiations, the girls PVC-B track championship, loyalty song, the remorse felt after losing a game, the retreats; they are ours to keep and hold to remind us of our high school years. Our span of years is unique and is different from others. We will be remembered for what we did in our four years at Bapst.

As we have watched other classes graduating, sometimes we may have thought what it would be like to graduate, to decide what college to go to, to make decisions, to be on our own. As we now look forward to our future we feel that our years at John Bapst have built a solid foundation with which to face whatever challenges our lives may hold. We leave one chapter behind with all the necessary information to move on to the next.

"What greater or better gift can we offer the republic than to teach and instruct our youth."

Administration . . .

The Nucleus Of The School.

For any institutional body to grow and function properly it needs a strong administrative organ at its heart. The Board of Trustees, Mr. Sekera, and his two assistants make up the administrative nucleus at John Bapst High School. This past year the Board of Trustees saw fit to appoint two assistant principals to assist Mr. Sekera in the monumental task of running a major secondary school. The duties of the two vice principals were divided along the lines of academics and discipline. Reverend Paul Cote now handles all of the academic affairs of the school while Mr. Raymond Giroux deals with all problems and interpretations in the area of discipline. The Administration received a positive boost as a result of the Board's decision to augment this particular area of the staff.

Mr. Sekera deserves much of the credit for and can certainly be proud of the achievements of John Bapst High School during the past academic year. The entire staff and student body can take pride in the fact that John Bapst High School was granted a full ten year accreditation by The New England Association Of Colleges And Secondary Schools, Inc.

Under the direction of Sister Martha, the John Bapst Drama Club offers its members a chance to perform in several one-act plays and to join the members of the Glee Club in presenting a Broadway Musical.

Participating in the one-act plays usually leads to performing in the musical. "My Fair Lady" proved to be a tremendously rewarding experience for participants and audience alike.

Those students who contribute their time and talent in acting or staging may earn a John Bapst Letter, although the sheer joy of being part of the musical, and the experience for the future constitute ample reward. Many of our thespians have used and will use their newly acquired talents in later dramatic endeavors.

The enthusiasm for this year's musical, "The Music Man" promises to equal or even surpass the success of "My Fair Lady," thanks to talented and devoted students, an outstanding choreographer, Mrs. Rita Watson, and dedicated directors, Bill Trowell and Sister Martha.

Glee Club

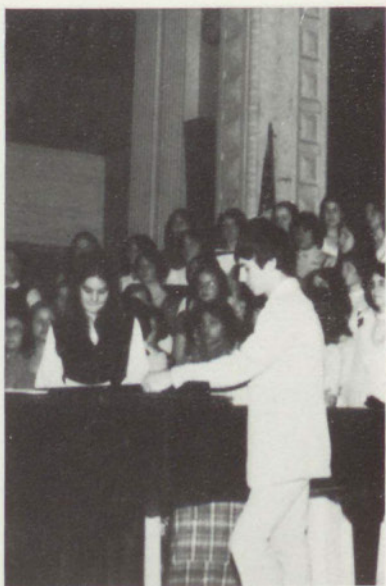

The John Bapst Glee Club and its Special Group, "The Travelling Singers," offer its members an opportunity to participate in several concerts during the school year. In the Fall, they perform at the gathering of the Parent-Teacher Club. At Christmas they present a Yule-Tide program featuring the famed "Hallelujah Chorus." During March they engage in a Spring Festival and, finally, in June they provide the music for the graduation exercises.

A special feature of the Glee Club is its presentation of a Broadway musical in April. As a joint activity with members of the Drama Club, the musical provides for group as well as individual vocalizing. "My Fair Lady" proved to be a smashing success and crowned the cultural activities at John Bapst in 1977. The production for 1978 is "The Music Man."

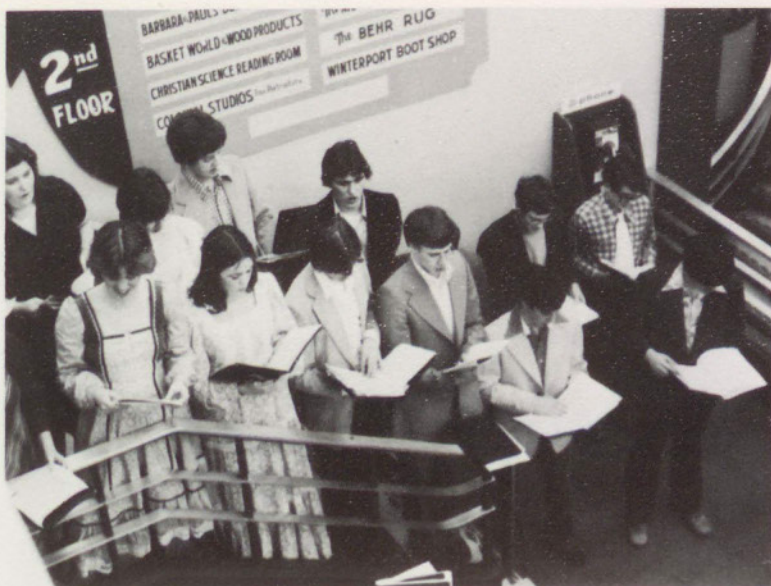

Practices are held each Tuesday from 8:00 to 9:00 A.M. Being faithful in attending these sessions in addition to participating in the Monday evening rehearsals of the "Travelling Singers" merits each participant a quarter of a Carnegie Credit.

Under the inspiring leadership of its musical director, Mr. William Trowell, who is ably assisted by Sister Martha, the Glee Club's performances highlight the special occasions at John Bapst High School by its fine choice of music and the professional quality of presentation.

In its first year in Indoor Track competition, the Crusaders showed that Bapst is always a team to contend with even when that team is new and small. The Bapst team never had more than fifteen men in a meet, yet managed to score more than its share of the points, often defeating teams that were three and four times larger. The Bapst athletes made their presence felt especially at the Eastern Maine Indoor Track Leagues Championship and at the Maine State School Boy Indoor Track Championship, held at UMO. In the E.M.I.T.L. meet, the Crusaders finished third out of eight teams, easily defeating Hampden, Old Town, MDI, Brewer and Ellsworth while giving winner Bucksport and second place Orono some stiff competition. Standouts were Captain Chris DeSalvatore, who alone scored 28 points by winning the Long Jump and Triple Jump, while placing 2nd in a near dead-heat finish in the 60 Yard Low Hurdles. John Patin picked up 2nd place in the High Jump, while Ron Jordan and Dave Pardilla were 2nd & 3rd respectively in the 60 Yard Dash. Ron and Dave with the help of Billy Meehan and Rod Paulette also picked 2nd place in the 4x220 Relay. At the State Meet Bapst once again showed off its Champions. Tied with Orono for 4th place going into the final event (4.220) the Team made up of Ron Jordan, Dave Pardilla, Bill Meehan and Chris DiSalvatore ran a near record of 1:37.0 relay only to be disqualified by a controversial inspector's call. They scored 38 points and ended up 5th out of 12 teams.

Mission Accomplished

The Crusaders of the 1977 Varsity Football team, under the supervision of Coach Robert Brennan, were able to defend their high rating in the Little Ten Conference by ending the season with an 8-2 record. Determination, teamwork, and perseverance played an important role in the production of the Crusaders' successful season.

Mark and Rod close in.

Our efficient managerial staff.

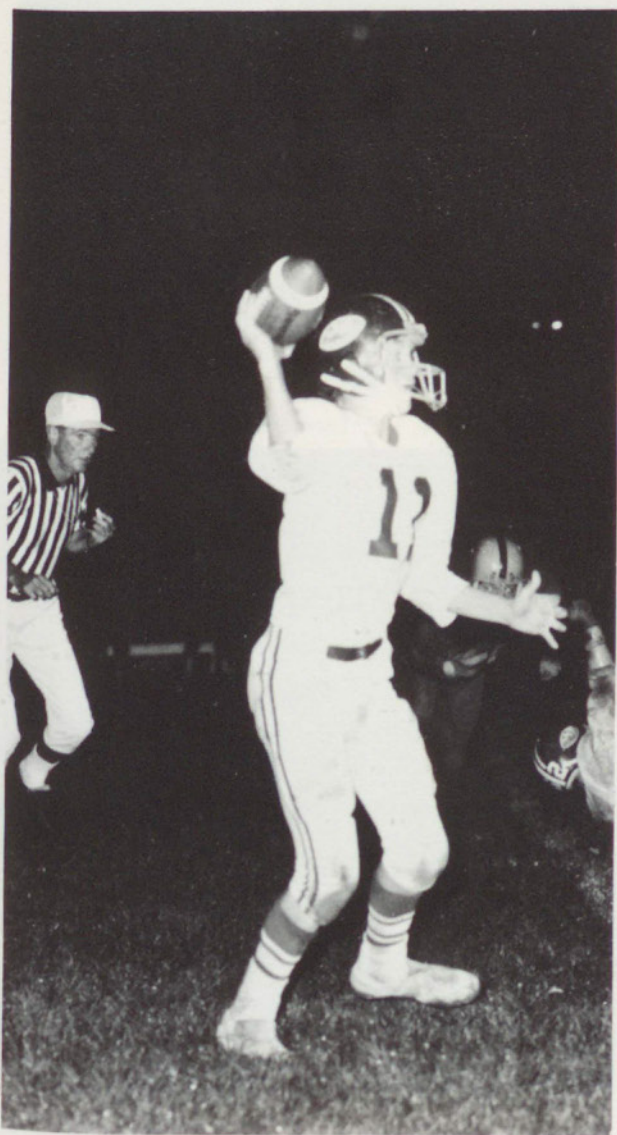

By Crusader Spirit

The loss of several of the 1976 starting seniors forecasted a doubtful record for the young 1977 team.

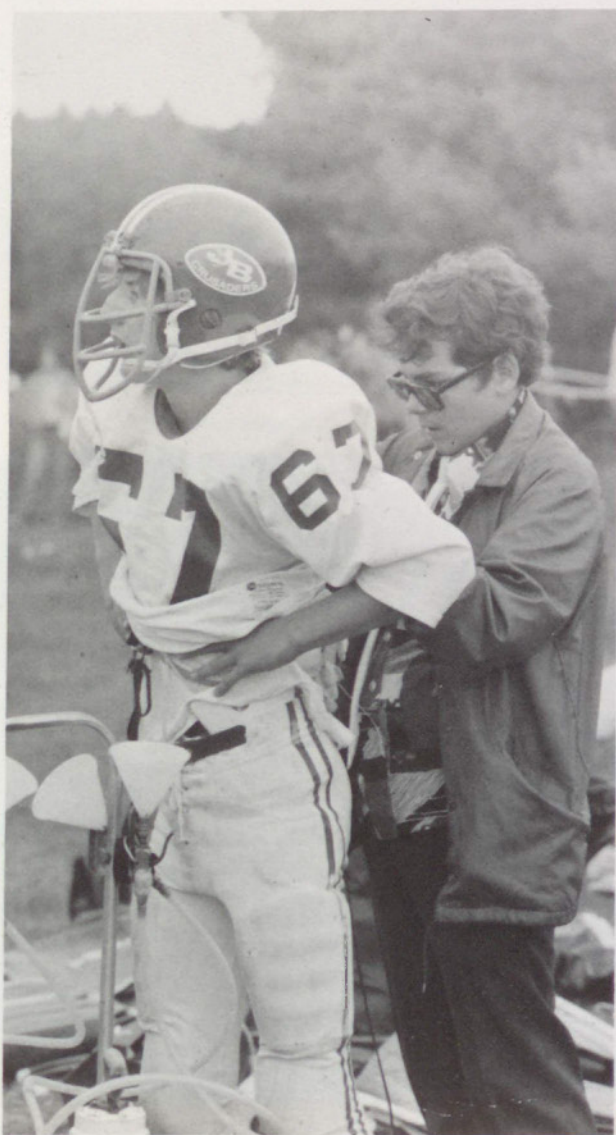

Co-Captains Rod Paulette and Bob Dionne led the team through their demanding practices and grueling double sessions. The team was determined to put out its best.

Does anybody want a football?

Individually, the team included such hardworking stickouts as juniors Brian Murphy, Tom Cummings, Pat McCarthy, Tiki Moore and Pete Geissler and seniors Tim MacKay, Chris DiSalvatore, Rod Paulette and Bob Dionne. Inevitably though, the teamwork exhibited by the numerous multi-talented young men was overwhelming and certainly well-rewarded.

Leo exhibits his managerial skill.

Although the Purple and White suffered a crushing loss to the top seated Orono Red Riots early in the season, they remained undaunted and persevered with great confidence in themselves as a team. They sprang back to win their next six games including the Homecoming Game played against Hebron Academy a team never encountered by the John Bapst Purple and White before. The coaching staff for the 1977 Crusaders included coaches LeBlanc, Zuch, Liebow, Connolly and of course, Coach Brennan. Putting in many hours each, the coaches gave as much of themselves as was possible and were an indispensable asset to the team and its successful season. These five men proved to be always

willing and enthusiastic.

Coach Brennan, what is there to say? Well, mostly there is THANK YOU. Once again your unconquerable spirit and pride has been an example of the devotion you placed in the team you guided to a winning season. Respect and admiration for you filled your team, your coaching staff and your fans. Thanks.

Overall, the Crusaders worked extremely hard earning everything they gained and produced a very favorable year. Special credit goes to the Seniors who played their last game for the Purple and White Crusaders on November 5, 1977. They are: Rod Paulette, Bob Dionne, Tim MacKay, Tim Higgins, Joe Higgins, Mark Higgins, Chris DiSalvatore, Jim Pardilla, Pat Perry, Bill Meehan, and Mark Sockbeson.

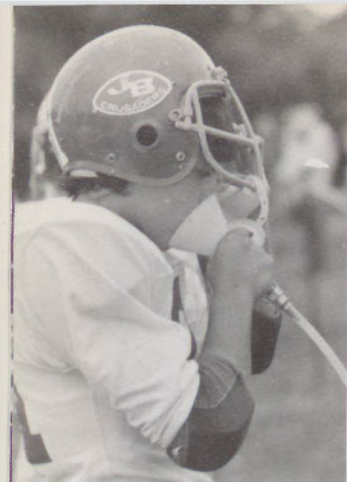

Congratulations, and Good Luck next year to Coach Brennan and the John Bapst Crusaders.

The 1977 Junior Varsity football team posted a promising 4 and 3 record. The purpose of the J.V. team is to prepare the boys for their up-coming varsity years and their goal was accomplished.

Under Coach Connolly the team exhibited their skill and sportmanship along with their continual improvement. In playing J.V. football the boys received experience and confidence, both valu-

Freshmen Footballers

The John Bapst Freshman Football squad compiled a somewhat misleading 2-6-1 record in 1977. The team had several close and excitement-packed contests which were not decided until the last few minutes. Most notable of these hard-fought battles were the 8-0 final second loss to Garland Street, and the 8-6 heart-breaker to Stearns. However, the team performed exceptionally well in the 12-6 victory over MDI and the 14-0 rout of powerhouse Lincoln. The team was led by captains Al Moreno and John Breedlove. The rest of the team consisted of 11 Freshmen and 3 eighth-graders.

The one most important contribution to John Bapst Football by the Freshmen this year was their ability to hit hard and their intense desire to win. Every member should be a factor in the future success of the program.

Cross Country '77 Is

In its first season since 1972, the Cross-Country Team performed far above expectations. Compiling a 9-17 over-all record, the thin-clads downed such powers as Bangor, Orono, Brewer and Hermon.

Anchored by Spring standouts, Tim Donovan, Doug Stanchfield, and Kevin Kenny and captained by Joe Whitney, the Crusaders commanded respect wherever they appeared. Junior runner, Tim Donovan captured second place at the

State Meet, held in Portland, and was followed closely by Stanchfield and Kenny. It was the overall strong team performance which allowed the Crusaders to surprise many larger and more cross-country orientated schools at the Portland affair.

With the return of all but one member of this years squad the future is surely bright for Rev. Côté's youthful charges.

An Unexpected Success!

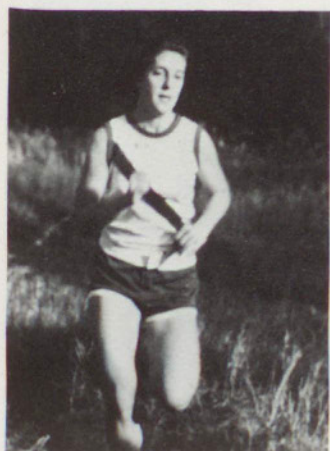

In 1977 the first girls' cross-country team ran into the sports world at John Bapst. Eight dedicated girls decided early in the season that with hard work and spirit they could build a good team.

The girls' combined abilities formed a strong nucleus. Renee Morneault, the team's Most Valuable Runner, finished first for the team in every meet. Running close behind her, Maureen McKenna, Capt. LuAnn Morneault, and Val Reardon bore the bulk of the scoring burden. Rounding out the team were Suzette Huntley, Sydney Unobskey, Sue McQuarrie and Tina Poitras.

High For Varsity Boys.

The John Bapst Varsity boys' team completed the 77-78 season without a win. However, the record in no way tells the whole story. This year's team had only two seniors with the bulk of the playing time going to sophomores and juniors. It was a lack of size and not a lack of ability, hustle or determination which accounted for the poor won-lost record.

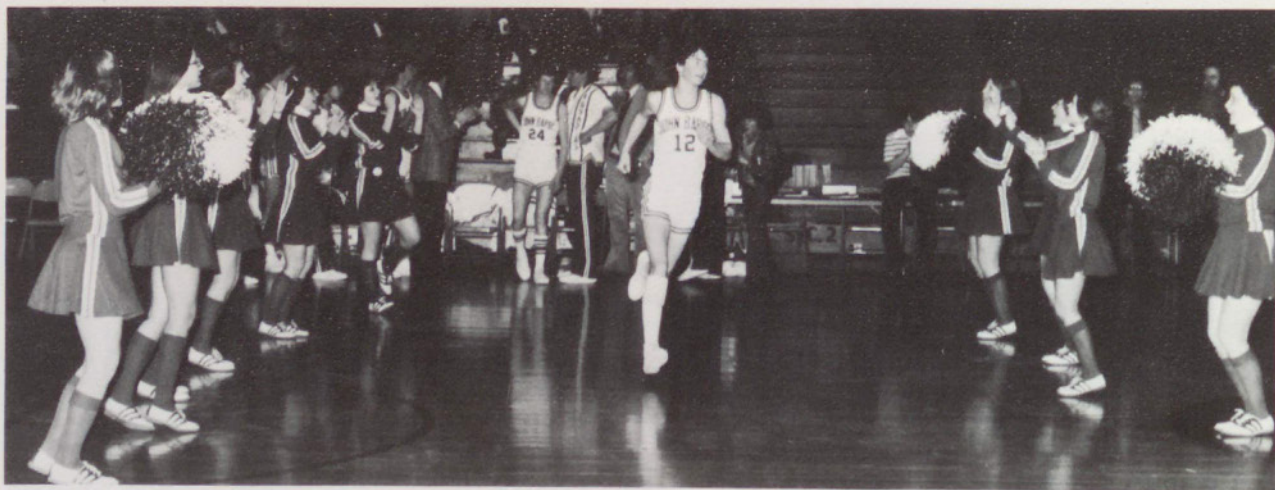

Juniors John O'Donnell and John Mullins and Senior Mark Higgins led the team in the rebounding department. The Crusaders received balanced scoring on the offensive end of the floor, with Senior Joe Whitney and Juniors John O'Donnell and Brian Murphy taking scoring honors.

Junior Varsity 1977-78

The Junior Varsity team is the training ground for the future members of the varsity team. During the 77-78 season, Coach Liebow used all twelve members of the team extensively to provide the maximum opportunity for learning experience. Although the young Crusaders were able to come up with only four victories, they did receive consistent scoring from Ed Gosselin, Mark Peters and Russ Scribner while Andy Sockbeson and Bud Cushman added some strong rebounding.

As is always the case the future success of any program lies in the success of its junior varsity squad.

Female Crusaders Show Promise For The Future

High hopes, disappointment and improvement can summarize the 77-78 season for the lady Crusaders. "In" every game til the very end and losing several games by small margins, the Bapst girls never quit.

Freshman surprise Tammy Stone led the team in the scoring column through 16 games and received scoring support from co-captains Aimee Burke and Linda Hughes. The bulk of the rebounding chores were handled by Aimee Burke, Rhonda Rioux, Joan Montgomery and Mary Patin.

With the return of seven steady players the girls' varsity team should be a real contender in 78-79.

"Rocky" Stone drives by two defenders.

Darcy heads for the hoop and another two points.

J.V.'s Finish 9-5

If the future success of a varsity team depends on the present success of the junior varsity team, then the female Crusaders have a bright future. Led by Tammy Stone's 289 points and Chris MacKay's and Darcy O'Donnell's strong rebounding the young Crusaders compiled the only winning record Bapst received in basketball this season. Steady performances by Mary Sullivan and Laura MacDonald and the addition of "Sparky" Speckhardt contributed to the J.V.'s strong showing.

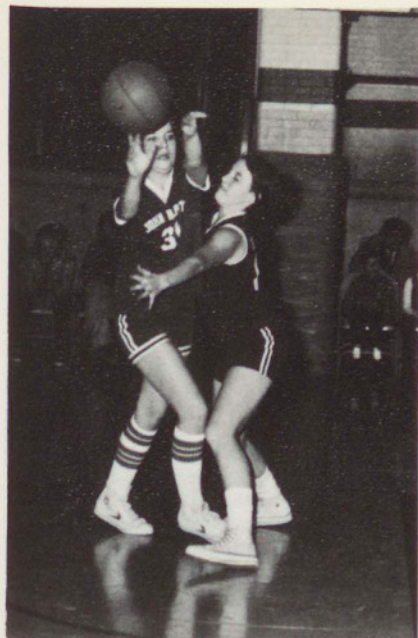

Darcy tries to feed the ball into Chris against defense.

Baseball 1977

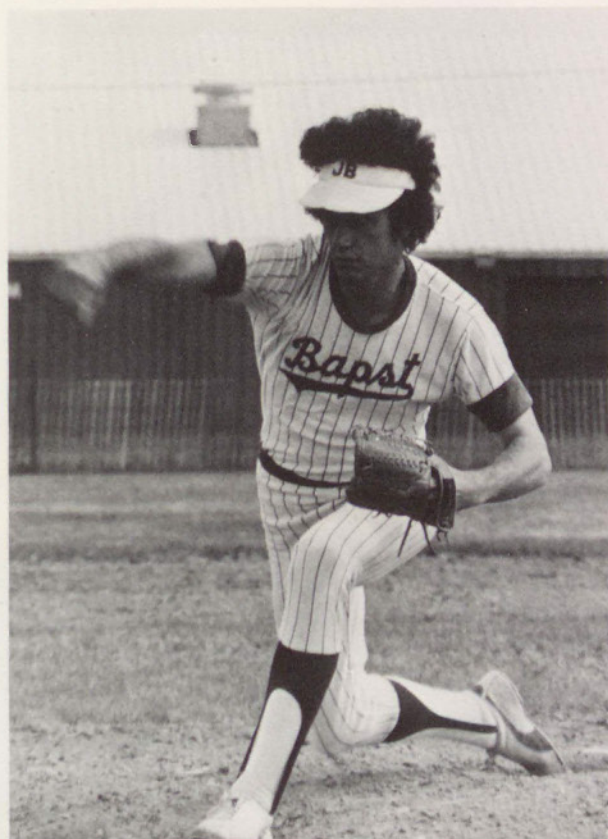

The John Bapst Crusader Varsity Baseball Team showed continual improvement during the 1977 season under first year head coach Mike Connolly. The team picked up valuable experience even though the defeats outweighed the victories. Veteran pitcher Tom McCarthy along with first baseman Mike Dionne aided the team in their cause. Some impressive play was also shown by Bob Dionne and newcomers John Mullins, John O'Donnell and Tom Aucoin. Although at the end of the season the Crusader's record was posted at 5 and 10, their spirit and sportsmanship compensated for the point difference in the won and lost columns.

1st row, L-R: Coach Connolly, S. Hartman, T. McCarthy, T. Curley, J. Mullins, J. Lynch, T. Dunbar. 2nd, L-R: G. Chasse, R. Dionne, R. Paulette, D. Whitney, J. Whitney, M. Dionne. 3rd, L-R: P. Hannan, J. O'Donnell, T. Aucoin, C. Rice, R. Dionne, C. Sullivan.

First year coach, Tony DiSalvatore, led the Freshmen through an encouraging season.

The '77 Freshmen Baseball Team finished the season with a 5 - 7 mark and played even better than their record indicated. Led by Coach Tony DiSalvatore the junior Crusaders were "in" nearly every game and several of their outings were decided in the final inning. Strong pitching by Jay Burt, fine hitting by Ed Gosselin, and great defensive performances by John Higgins, Paul LeBlanc and Mark Peters were the keys to the young teams success.

The team always managed to bounce back after a defeat and won many of their games after trailing in the early innings. The '77 Freshmen will be a great addition to the varsity baseball program in the next couple of seasons.

Varsity Golf - 1977

Kneeling: S. Bertolacinni, P. Slyne, J. Toole. Standing: Coach Nahra, D. Daphne, M. Slyne, J. Lynch, B. Murray, J. Mooney. Absent: R. Scribner.

The '77 golf team, coached by Mr. James Nahra, had a very encouraging year. Although they were sometimes disappointed by losses they did manage to best many of their opponents. The team consisted of five seniors and four sophomores and was led by the outstanding performances of Mike Slyne. The "duffers" of '77" performed consistently well and showed continual improvement as they finished high in the PVC standings. With the return of four veterans the Crusader golf team holds the promise for an even more successful season in 1978.

Softball - 1977

Through hard work and determination, the 1977 Girls' Softball Team closed out the season with a record of 7 wins and 8 losses.

Miss Houlihan's youthful charges demonstrated considerable skill both in the field and at the plate and proved to be tough competition for their foes. Although the purple and white did not always come out on top in the scoring column, they continually pulled together toward their common goal, victory.

Holding down the primary pitching duties was Valerie Reardon who was also one of the teams' leading hitters along with Linda Hughes. With the return of four senior lettermen and first year standouts Laura MacDonald and Becky Chasse, the future can be nothing but bright for the promising female Crusaders.

Lindsay, Coach Murray.

The boys' track team in its final year under Coach Murray compiled a 6-2 record. Along with improvement in individual events the teams' strong performance was high-lighted by a fourth place finish in the State Meet. Coaches Murray and Cote saw their cindermen make track history by toppling five individual records and establishing a new 440 yard relay mark which bested Class C competition at the State Meet.

MVP honors were garnered by Russ McKenna while MIP laurels went to Tom Russell. The Coaches Awards for the '77 boys' team were earned by Jed Russell, Tom Russell, and Tim MacKay.

For the second straight year the thinclads finished runner-up in Loop B of the PVC as a result of a six point loss to Bucksport.

The '77 girls' track team culminated its first winning season and claimed the first girls' athletic trophy for Bapst by clinching the PVC Loop B championship. The '77 team also established nineteen new school records and a record in the mile relay at the MDI Relays at which they claimed runner-up honors. It was a team effort which allowed the girls to run off eight consecutive victories before suffering their only defeat, a five point loss to Old Town.

It is impossible to recognize all the girls who excelled, but special recognition goes to Francine Littlejohn, the MVP, who dominated the sprint events and accumulated 128 points, Mary Patin, the MIP, who led the girls in the distance events, and Aimee Burke who established new records in the three weight events. Coaches Awards went to Ethel Sullivan, Mary Sullivan and Mary Patin.

Winter Carnival '78

Winter Carnival this year took on a flair for the unique. Everything was different, especially the talent night. It ran in succession and at a steady, well-organized pace. It was both entertaining and informative ... We now know that Tim MacKay can put on his underwear all by himself ... Mary Patin has shown signs of what a little Mark Eden course can do for a girl's career ... and, of course, in the sophomore section it was proven beyond a shadow of a doubt that good triumphs over evil when Little Red Riding Hood decks the big bad wolf.

Seriously, even though this Winter Carnival seemed to start off with a loud bang, it appeared to go off without a hitch, almost, here it gets rough. The talent of the four classes was very good. Usually everyone expects the least from the Freshman, but this year they surprised us all, including the cameraman who got caught without film. Sorry!

Our own set of sports enthusiasts, the juniors. Rocky and Apollo Creed go at it for the big title.

Ahh, and the activities go on. Russ swings as Daphne taps away. The juniors sing take me out to the ball game ... while at rehearsal Mr. Floyd begs to get out of the crowd!

The sophomores step out of fantasy land to share some time through the looking glass, while the seniors spend their time in the corn field singing and chewing weeds.

"If we don't win, we can always flunk them."

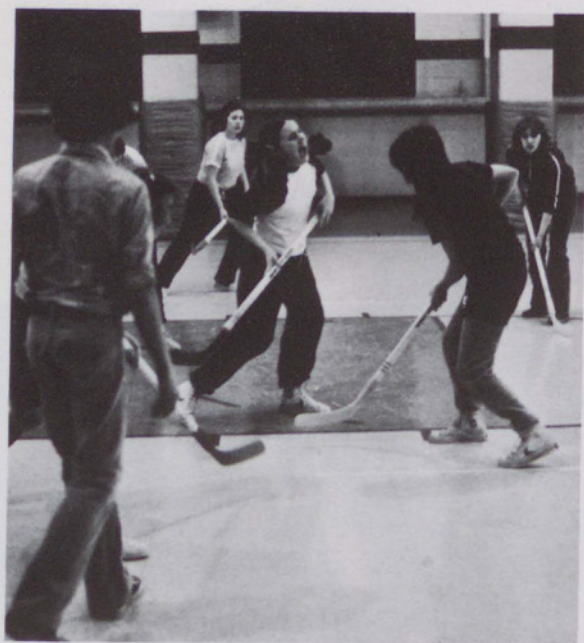

The Seniors take on the faculty.

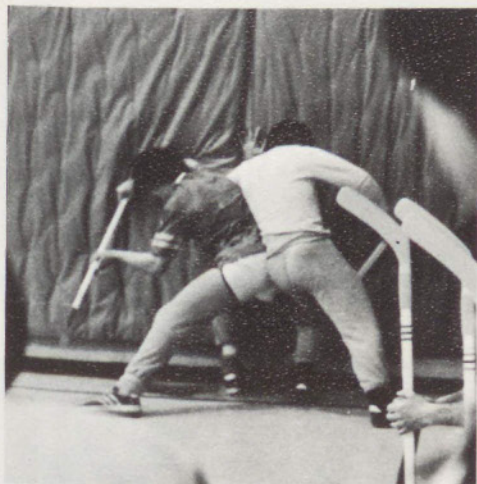

The Juniors win!!!

Winter Carnival sports were dominated by the upperclassmen. Volleyball, basketball floor hockey, tug-o-war, were all enjoyed by the students and faculty. The faculty men made their presence known by scoring victories in hockey and basketball. Many participated and whether their class won or lost, the sports were enjoyed by all.

Mr. Floyd and Paul do the "bump".

Jennifer lunges for the puck.

"Hit the hockey puck, not me!!"

Pull!!!!

Mr. Dow and Mr. Smith collect some splinters.

"We have to stop meeting like this."

The Class of '78 took home the title for pie eating ...

Thanks alot Tim!

..... PIE EATING THE SPORT THAT SEPARATES THE MEN FROM THE BOYS! For another test of artistic ability, or at least the test to see which class can contrive something reasonable out of snow ... sometimes not even that! As you can see from these fine examples. The winners? The judges gave it to the seniors, sorry about that underclassmen!

"Only God can
make a cow!"
Didn't anyone
tell the seniors?

With legs around like these, it seems the wrong people in society are wearing the dresses!
