HOW TO RECONCILE YOUR ACCOUNT

1. Reduce your checkbook balance by the total amount of bank charges, such as "Service Charge" (SC) and "Debit Memos" (DM) if any.
2. Compare the amounts of each check returned against the statement entry.
3. Compare the deposit entries with your deposit records.
4. Subtract the total of all outstanding checks from the balance shown on your statement, and add any deposits made since the date of the statement. **THE BALANCE SHOULD AGREE WITH YOUR CHECKBOOK.**
