THE CLASS OF 1985 WOULD LIKE TO DEDICATE THIS
YEARBOOK TO YOU,
Deanna L. Jones

Deanna Leigh Cairns was born on April 7, 1947. She is the eldest of three daughters born to Norman and Beverly Cairns.

Mrs. Jones childhood was spent in Glenburn.

She attended schools in Glenburn for the 1st through 8th grade.

Mrs. Jones graduated as class Valedictorian from Higgins Classical Institute in 1965. She then attended the University of Maine and in 1969, after graduating, she began teaching at Bangor High School.

The whole art of teaching is only the art of awakening the curiosity of young minds for the purpose of satisfying it afterwards.

— Anatole France

Deanna and Stephen C. Jones of Bradford were married the summer of 1969. They lived on Grove street in Bangor until they built their home in Glenburn where they now reside with their son Trevor.

She decided to teach while in the eighth grade. It was here that she was deeply influenced by her teacher. Ever since she has tried to motivate and recognize others as she had been.

We find difficulty in attempting to express in words what the

years of your service and friendship have meant to all the students whom you have touched. Your wit and sense of humor have warmed our hearts. You have moved with the same spirit of change which has motivated all of us.

To Deanna L. Jones, a gifted and inspired individual, a noble and generous friend, the class of '85 affectionately dedicates this book.

This is in honor of those teachers who have indicated they are leaving B.H.S. this year. They will be greatly missed.

Many run in the race but only one wins the prize.

Mrs. Browne began her career of teaching in 1951 in Bradford, Me. She came to Bangor High in 1953 and has since devoted her time in various speech and drama activities. She will be remembered for her sense of extravagance and her outgoing personality. **Farewell Dah-ling.**

It is hard to talk sense, but harder to find listeners if you do.

Although many people recognize Mr. Coco for his guidance work, they are not aware of his talents in music. Beginning in 1953, Mr. Coco has been involved with music as a supervisor in Washburn, Me. and Pawtucket R.I. Mr. Coco came to B.H.S. in 1963 and will be regarded as a man of understanding and intelligence.

Nothing is worth more than a mind well instructed.

Since 1944, Mrs. McAlary had been devoted to excellence in her teaching. She spent ten years involved with the school department and in 1973 became a member of the Bangor High faculty. As a teacher she has established herself as a woman of patience and has earned the respect of her students and peers.

Always look for the sunny side of life.

Mr. Diamond was engaged in private business before he entered teaching, and since 1963 has been involved with the Math Department at B.H.S. He will be remembered by those who had him for his **one-liners**.

Principal's Message

The 1985 edition of the ORACLE, like other yearbooks of the past, provides a recorded testimony of many segments of school life at Bangor High. It is, foremost, a tribute to our seniors, members of the Class of '85.

As years pass, the ORACLE, perhaps as no other single vehicle, will have the power to bring into focus memories of three years spent as part of the B.H.S. family.

It is our wish, that as the ORACLE is read and re-read; pictures scanned, and then studied, that the intangibles of three years of one's life will be remembered.

In retrospect, much of what has been experienced these past three years will assume new dimensions. None-the-less, you have made your mark. You have contributed to and shared in the life of B.H.S. Hopefully, our relationships have been mutually beneficial.

We wish for each graduate the very best life can bring; we want for each, the realization of potential, strength of character, dedication to high physical and moral standards, good health and much happiness.

*Not — "How did they die?" But — "How did they live?"
Not — "What did they gain?" But — "What did they give?"
These are the units to measure the worth
Of a man as a man, regardless of birth.
Not — "What were their stations?" But — "Had they a heart?"
And — "How did they play their God-given part?"
Were they ever ready with a word of good cheer,
To bring back a smile, to banish a tear?
Not — "What were their shrines?" Nor — "What were their creeds?"
But — "Had they befriended those really in need?"
Not — "What did the sketch in the newspaper say?"
But — "How many were sorry when they passed away?"*

During my moments alone, my
mind slowly wanders back to the
first time I met you . . . Each of us
uncertain and yet intrigued. But as
the days passed, we became a
part of one another, sharing our
hopes, our dreams, and love. The
gentleness of your touch and the
warmth of your gaze filled my
world with joy. It is in times like
these, when you're gone, that I
remember just how much I love
you.

MAFIA DAY

SENIORS RULE

Senior day was a tremendous success this year! The mighty class of 1985 showed their superior school spirit by dressing up as gangsters and

flappers. Although a few of the teachers and underclassmen were mortally wounded by the seniors' water pistols, the class of 1985 finally proved that seniors really do rule!

Most of us have changed during our years at the High School and we will continue to change as we grow older. Although some people will change only to a small degree, others will develop entirely new priorities and goals. It is important to grow and to expand and to learn more about the world around us, but it is also important to look back and to remember the people we were. Collecting objects, whether they be pictures, clippings or ricket stubs, has always been a way to record the passage of time and to mark the changes in ourselves as well as in our environment. Yearbooks record past events; help us savor special moments and triumphs; and immortalize people, places, and experiences.

In the future we will look back on our years at Bangor High through the eyes of the different people we've become, and we will be transported back in time — to a time when our every minute was scheduled and we moved to the sound of bells, to a time when we rode with our friends on the rollercoaster that is teenage life. We hope that this yearbook will be the key to that transportation. We would like to take this time to thank all of the people who helped in the production of this yearbook. Rosalie Whermore: our photographer, J. Cole Harris: our publisher, Mr. Salisbury: our advisor, and our editors who each contributed so much to the making of this book. We would also like to express our appreciation to the Faculty and Administration. Your support and dedication to us has helped in so many ways. And to the Class of 85, the best of luck always.

BANGOR HIGH SCHOOL PRESENTS...

GYPSY

a musical fable

This year's Student Council play was a tremendous success with almost \$2000 in profits. Under the superb direction of Mr. James H. Pike the entire cast showed an abundance of talent and left the audience captivated throughout the production. Because of the bulk of underclassmen involved in this year's play, Bangor High School can look forward to many more great plays in the next few years. Best of Luck to the SENIOR members of the cast . . . and BREAK A LEG!!!

Competition

HOMECOMING '84

Spirit was the key element in this year's Homecoming. Dress-up days such as Crazy Hat and Shades Day, Tourist Day, and Red and White Day helped us to show our school spirit.

Class Competition again was a major factor during Homecoming. Poster Day, Class Decoration Day, and the Rally itself gave each Class the opportunity to express its school spirit. This year's election of Homecoming King and Queen went a bit differently with the addition of a Homecoming court. To conclude the festivities Kate Farrington and Jim Rygalski were selected as Homecoming King and Queen. On Saturday morning students were hard at work preparing for the Homecoming game with the Portland Bulldogs. The game resulted in the Ram's only loss during the regular season, but the one thing that will be remembered most is our unified school spirit.

During homecoming week, the highlight of the season was the win in the quarter finals against Houlton, after four overtimes. Field Hockey

Led by coach Barbara Kelley, and assistant coach Cathy Treer, the 1984 B.H.S. field hockey team bettered its 1983's season's record by finishing with a 6-7-2 season. The team boasted three All-Star team members, Jessica Sullivan, Joan Farrington, and Karen

Pooler and three PVC All-Star members, Kate Farrington, Jessica Sullivan, and Kim Adelman. With eleven members graduating, next year will be devoted to rebuilding. Not only will they miss their daily running laps, but also Mrs. Kelley's favorite SAT course.

The 1985 Hockey Team, which finished with a 10-8 record, was one to remember. The team, led by coaches Tim McDougal, Ted Crowell, and senior tri-captains Jim Babcock, Mike Saxl, and Aaron Dunn, had a very productive season. They were in the race for a

playoff spot when finally at the season's conclusion they found themselves only one place out of the playoffs. The 1986 team will miss its seniors, Keith Norton, Mark Spear, Stephan Fitch, Jeff Goss and Randy Brenton, when it moves up to Division A.

Freshmen

The mighty Bangor Ram basketball team, under the leadership of second year coach — Carl Parker — ended their regular season with a 14-4 record. This was good enough to earn them 4th place in the standings for the Eastern Maine Tournament. During the quarter final game at Bangor Auditorium the Rams took revenge against Brewer for two of their four regular season losses. This defeat of Brewer moved the Rams into the Semi-Finals against Waterville. The Waterville Panthers, later to become State Champions, avenged the only loss of their regular season when they downed B.H.S. by a score of 59-52.

Led by Coach Andy Soldatti, the 1984-85 girls' basketball team was a hard working, dedicated squad that never stopped hustling. Leading the twelve member team were captains Jodie Bryce, Shelly Antone, and Beth May. After compiling an impressive 14-4 record, the Lady Rams entered the Eastern Maine tournament in 6th place but unfortunately were eliminated after rallying to a 42-46 deficit against Cony High School.

Next year promises to be a great year for Girls' Basketball because of the experience gained by returning underclassmen. Good Luck to the 1985-86 Ewes!!!

*There's a time when the traveller is fated to find
That insight has turned his gaze behind — behind
And the steps taken yesterday will beckon again
And lead to his weary journey's end — journey's end*

*There's a sound in the wind that blows
Through the wild mountain holds
Like the sighs of a thousand crying souls;
Crying souls*

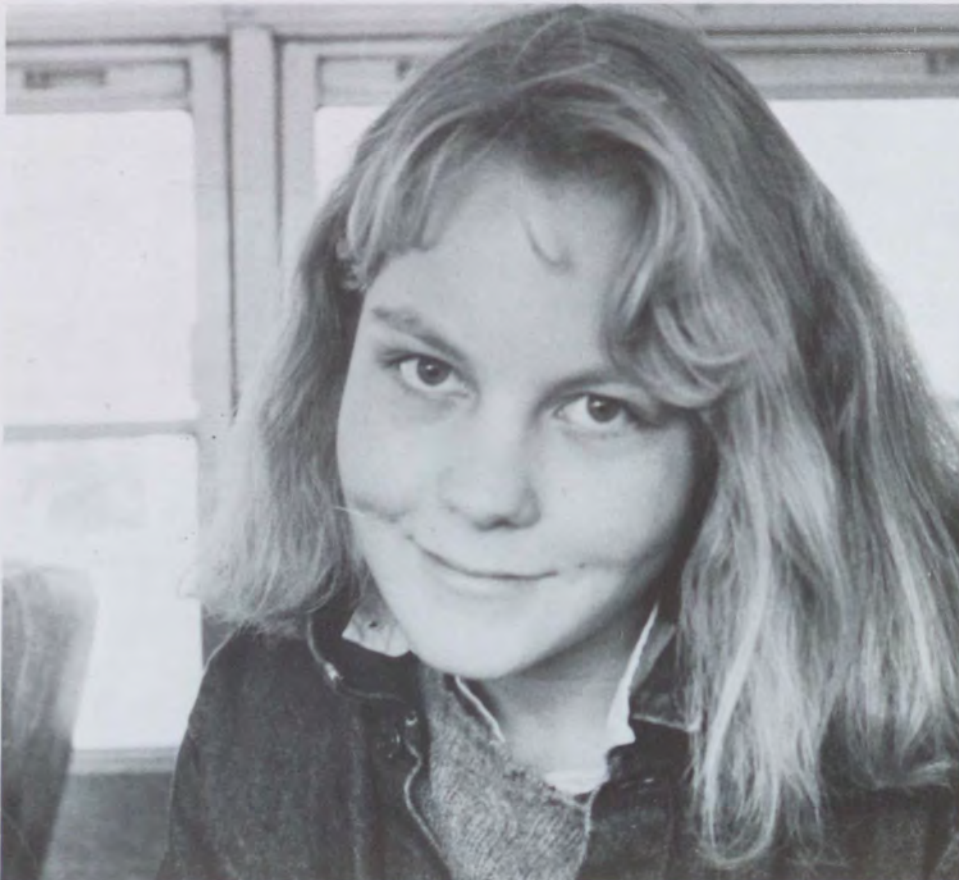

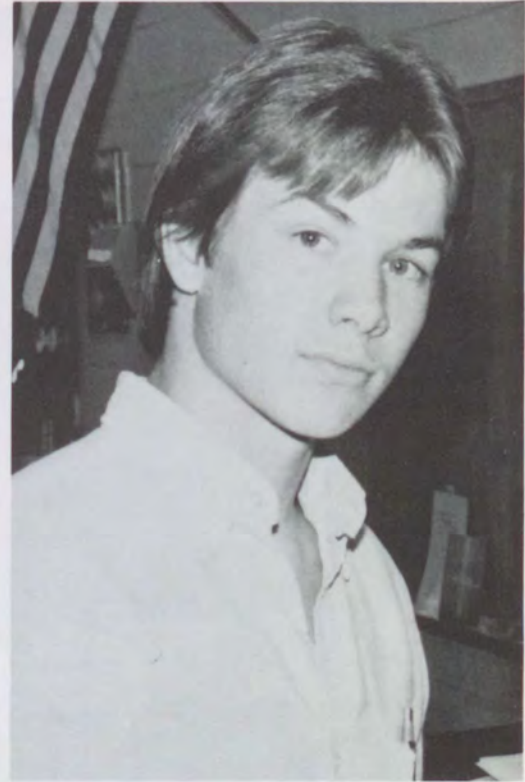

*And in the passage from the cradle to the grave
We are born, madly dancing
Rushing headlong through the crushing of the days
We run on and on without a backward glance*

*In the fast fading century
As we spin through the years
I pray that our failing vision
Clears — our vision clears*

*The places dash and the faces dart like fishes in a dream
Hiding 'neath the murky banks of long forgotten streams
The lines of life are never long when seen from end to end
The future's never coming and the past has never been*

*There's a ring around the moon tonight
And a chill in the air
And a fire in the stars that hang — so near; so near*
