# "WHEN IN THE COURSE OF HUMAN EVENTS"

it becomes necessary for the good of the household to get some new furniture, do not hesitate for a moment as to where you shall get it. There is one leading furniture store in Maine. It is

# THE ATKINSON HOUSE FURNISHING COMPANY

The farmer, the mechanic the laborer, we cater to these as well as to the merchant and banker, and our special contract system enables the people to supply their homes with pretty and necessary articles, while the payments are so arranged that no pressure is made on the purse. The terms we offer are

## IMITATED BY NO ONE

Then, too, remember that no matter in which of our stores you obtain your goods they will be delivered free at your nearest railroad station. Those who live away from the cities should remember this. If you wish we will give you estimates for furnishing your entire house Our stock is the largest and our terms the lowest in Maine.

## CHAMBER SETS

We can sell you a neat Ash Chamber Set complete throughout for **$18.** We have better ones for **$25,** neatly painted and of fine appearance. The prices run all the way to **$350,** but from **$20** to **$50** will buy a pretty set. We will furnish the chamber complete from the toilet set to the mattress and bed linen. We will sell you a carpet for the room, too, or a straw matting if you prefer it.

## PARLOR SETS

Do you feel able to afford a Parlor Suite this year? Now would be a good time to get it, and we have a fine stock to select from. Those Parlor Suites in plush for **$45** and **$50** are great value for the money and would give you a handsome room in which to receive company. If you would like an Organ or Piano, we have the best and at reasonable prices. A Parlor Carpet will cost you from **45** cts. per yard. Don't you need a Parlor Stove?

## LET US SHOW YOU OUR RANGES

The **"Quaker"** will save time, fuel and trouble, and your dinner will always be ready. Remember the twenty pieces of ware that accompany the Range.

## KEEP COOL

or if you won't keep cool yourself, keep your food cool. The hot weather is coming on and everyone can appreciate ice. The city man takes ice, the farmer has his own ice house. You must have a Refrigerator. Get the best. It is the "New Perfection." It is a charcoal lined, and is dry and clear Food does not take the flavor of other articles, as is the case in many. It is economical in use and fine in appearance. We have cheaper grades, but this is the one we are selling this year.

**Of Course We Cannot Enumerate all our Stock.**

## WE HAVE EVERYTHING IN HOUSE FURNISHINGS.

If you are in need of anything, if it is not convenient to call at one of our stores, catalogues, photographs will be sent you by mail. Your orders will receive prompt and careful attention.

The whole Department will respond in all cases to the third alarm.

One stroke of the bells when the Department is in service is a signal that more hose is wanted and the Hose Company nearest the box will immediately respond to the signal.

If at any time while part of the Department is in service, an alarm should come in from another box all Companies waiting for second and third alarms will immediately respond after the first round has struck out.

Two distinct blows on the bells after an alarm has been given is a signal that the fire is out and all Companies in waiting, or those covering some other Company, will be dismissed.

# PREFACE.

WITH volume two of the Directory of Bangor and Brewer, we take pleasure in presenting a new map of both cities, which for accuracy and detail can nowhere else be found, it showing the latest changes and street extensions; also one-quarter mile circles, having the Custom House building as a center.

When it could be ascertained, we have given the present residence of people whose names appeared in the last issue and have since moved away, and the date of death of those whose name appeared in the last issue.

We have adopted for the present volume a new departure, which will commend itself to all who use the book. Instead of repeating the same surname many times we print it once at the head of the list. This style is now being adopted by all leading directory publishers, and gives entire satisfaction.

As this year two directories are contending for patronage among our merchants, it might be well to call attention to the seasons the canvass for the different books were made. The Boston parties made their house-to-house canvass in January and February. Knowing that the largest number of removals occur in the spring, we waited until May and June before making our canvass, and have been able to correct the changes which have occurred since the canvass, so that in the present volume the residences are correct to date, and nearly six months later than our competitors.

As some of our citizens were induced to subscribe for the other book by representing that our directory would not be issued this year, we would remind them that it is to be issued annually.

We take this opportunity to thank all who have assisted us in our endeavor to publish a correct directory.
