"PURPLE and WHITE"

On November 26, 1942, the students of John Bapst received a pleasant surprise with the first issue of our school paper "The Purple and White". Its reception was certainly encouraging to its authors. Each new issue brought forth greater enthusiasm and praise not only from the students at Bapst but also from our graduates in the service. The latter particularly look forward eagerly to future issues, and their interest should urge the authors and all Bapst students to see to it that the paper continues to grow and to develop in the coming years.

In conclusion, we students at Bapst must not fail to give a word of praise and thanks to Brother Modard and the Second Commercial who are responsible for the publication of the "Purple and White". They are deserving of every praise they may receive. Congratulations!

A MESSAGE OF GRATITUDE TO 4C

As is the case with most new enterprises, the beginnings of the "Purple and White" found many obstacles to be overcome. The major obstacle was typing and stencilling the material gathered by the staff. This difficulty was cheerfully removed through the wholehearted cooperation of the Senior Commercial typing class. They have been ever willing to do every bit of typing and re-typing that we found necessary and much of the success of the paper is due to their excellent efforts in our behalf. This short tribute expresses but a part of the debt of gratitude which we owe to them for without their aid our work would have been in vain.

Sincerely,

"Purple and White"
Staff Members

D E D I C A T I O N

WE GRATEFULLY DEDICATE THIS FINAL ISSUE OF THE "PURPLE AND WHITE" FOR THE SCHOLASTIC YEAR, 1942-1943, TO THE JOHN BAPST MEN AND WOMEN NOW SERVING WITH THE ARMED FORCES OF THEIR COUNTRY, TO KEEP THEM INFORMED ON SCHOOL EVENTS AS WELL AS TO HAVE THEM KNOW THAT OUR THOUGHTS AND PRAYERS ARE ALWAYS WITH THEM. WE HAVE CHRONICLED FOR THEIR INTEREST EVERYTHING OF IMPORTANCE THAT HAS TRANSPIRED AT THEIR ALMA MATER DURING THE SCHOLASTIC YEAR NOW COMING TO A CLOSE. WE WANT OUR BOYS IN THE "COLORS" TO KNOW THAT WE ARE PROUD OF THEM, AND OF THEIR DEVOTION AND LOYALTY TO SCHOOL AND TO COUNTRY.

HIGHLIGHTS IN THE LIFE OF FATHER JOHN BAPST

1815. Born in Switzerland.
1845. Exiled from Switzerland with all other members of the Jesuit Order.
1848. Transferred from France to do missionary work among the Indians on Indian Island at Old Town. Maine.
1851. Transferred from Old Town to Eastport.
1854. Moved his headquarters from Eastport to Ellsworth, Maine, where he built a new Church and erected a central house from which he planned to serve all the Catholics in Eastern Maine who were inaccessible to the priests in Eastport. He took up his residence in Ellsworth early in January.
1854. (October 12) Tarred and feathered in hatred of the faith by a band of bigots (Know-Nothings) at Ellsworth.
1854. (October 13) Left Ellsworth to reside in Bangor. He never returned to Ellsworth, not even on a visit.
1854. (November) Tendered a tumultuous reception by the citizens of Bangor--men of all creeds, races and classes joining in the demonstration.
1854. (Dec. 8) Bishop Fitzpatrick of Boston, assisted by Bishop Bacon of Portland, laid the cornerstone of the present St. John's Church on York Street, erected under the supervision of Father Bapst. Beneath the cornerstone was placed a bottle containing a piece of clothing and some of the tar and feathers removed from Fr. Bapst at Ellsworth. Into the bottle went this explanatory note written by Bishop Fitzpatrick: "This is a piece of the clothing worn by the builder of this Church, Rev. John Bapst, S. J. on the night of October 13, 1854, when he was tarred and feathered, in hatred of the Faith, by the "Know-Nothings" of Ellsworth".
- 1854-1859. Pastor of St. John's Church on York Street.
1859. Transferred to Boston where he and Father Fulton, also a Jesuit, became co-founders of the present Boston College. The present Church of the Immaculate Conception, an edifice of massive proportions on Harrison Avenue in Boston, was erected under the supervision of Fr. Bapst.
1880. Wrote his act of resignation. "Sume, Domine, et suscipe accipe meum intellectum".
1887. He died on November 2, the Feast of All Souls, in Baltimore and his remains were interred three days later at Woodstock, Md.

(In keeping with our dedication we reprint the following poem)

A SERGEANT'S PRAYER

Almighty and all present Power,
Short is the prayer I make to Thee,
I do not ask in battle hour
For any shield to cover me.

The vast unalterable way,
From which the stars do not depart
May not be turned aside to stay
The bullets flying to my heart.

I ask no help to strike my foe,
I seek no petty victory here,
The enemy I hate, I know,
To Thee is also dear.

But this I pray, be at my side
When death is drawing through the
sky.

Almighty God who also died
Teach me the way to die.

tralian Air Force.

STUDENT LEADERS SET EXAMPLE

Honor to whom honor is due. Below we list for posterity as well as for this present generation the names of students who have earned by application and intelligence a niche in our scholastic Hall of Fame. Besides enjoying the distinction of typifying the moral traditions of John Baptist, they also have the distinction of leading their respective classes in scholarship. Their earnestness and devotion have been an inspiration to their classmates and a comfort to their teachers. Many other students, encouraged by the success of these leaders, will exert

themselves more in the future than they have in the past.

Success in school as well as in business, is not a matter of chance - it is the "pay-off" for sweat and toil. Neither is it a matter of opportunity alone, for opportunity comes at least once to everyone, but unless one is mentally, morally and physically fit to perform the service, the opportunity will pass you by for someone better qualified. Of course, everyone wishes and hopes for success but only those will get it who pay the price - work and loyalty.

RECENT AWARDS

In a recent nationwide essay contest, sponsored by the Veterans of Foreign Wars, John Baptist students took first and second prizes in the city of Bangor. Congratulations to John Magee of 3A who received first prize. His reward was ten dollars and a gold medal. William Mehan of 3C gained the second prize of five dollars and a gold medal. May they and the other students at Baptist continue to bring honor to our high school.

DON'T STOP BUYING BONDS

DURING THE SUMMER

KEEP UP YOUR WAR EFFORT

THE CREAM OF THE CROP

The record that the 1A boys have set for having the neatest room for leading in the purchase of War bonds and stamps, and other activities, is outstanding in the school. Through the cooperation of the 1A boys and Brother Luke they have the most attractive room in the school. Their outstanding work is their beautiful Shrine with over eighty flags, each representing a man in the service. Each flag is a symbol of the boy to whom it is dedicated. His welfare is remembered in special prayers recited daily by members of the class.

In addition, this class also led the school in the War Stamp campaign for the whole year, and in scholarship also, they showed their heels to the rest of the school. Let's hope that they keep up the same fine record throughout their remaining years in John Bapst. They have a record to be proud of.

FAREWELL TO MR. GUTE

We, the students of John Bapst bid a fond farewell and best wishes in his work to a friend of all of us. No longer do we see Mr. Gute's genial countenance when we go the "caf" for our pie and ice cream.

Mr. Gute, who had been the chef for Bapst since 1929, left us on May 1st of this year. We were sorry to see him go as he always served us to the best of his ability.

In addition to being in charge of the cafeteria, and chef at the Coffee Parties, Mr. Gute was also sexton at St. John's Church, and there also his presence will be missed.

A CHEER FOR OUR CHEER LEADERS

Our hats are off to our cheerleaders who did such an inspiring job during the past year's sport season. They reflected the school spirit of the student body and kept that spirit alive. Many times when the going was tough, they kept our spirits up as well as the teams. They worked and drilled long hours for perfection in their cheers, and the results showed it. Win, lose or draw, they added a zestful and pleasing note of color to every game and we, the students, want to express our appreciation. The following girls made up the cheering squad: Nadine O'Brien, head cheerleader, Joanne Bolduc, Pat. McCarthy, Theresa Blanchard, Rosemary Albert, Rose O'Brien, Lila Williams and Eunice Willette.

OUR SCHOOL ORCHESTRA

Throughout the school year the school orchestra under the capable direction of Brother Victor provided welcome and enjoyable entertainment at many school functions. The group was small but efficient and their efforts were praiseworthy.

The orchestra personnel was composed of the most talented musicians in the school. Among the group, the following seniors have completed four years of tuneful effort; David Mooney, clarinet; Joanne Fungar, piano; Marie Crowley, trumpeter; and Frank Silver, clarinet.

The other talented orchestra members are Robert Schribner, drums; John Magee, accordion; Catharine Davitt, piano; Frances McDonough, violin; John Ryder, flute; Donald King, flute; Jean Jameson, violin; Mary Alice O'Leary, clarinet; Jacqueline Pooler, Mark Pooler, violin; and Margaret Abbot, violin.

WAR ACTIVITIES

Joining in the war effort with a vim, John Bapst did its part during the past year. The students showed a patriotic spirit of cooperation in every venture.

At the first of the year a call came out from Civilian Defense Headquarters for scrap metal and the students responded whole-heartedly, soon filling the bins in front of the school with scrap iron, steel, tin, and rubber. In this drive John Bapst showed a splendid record.

A special war stamp drive was inaugurated during the mid-year period and the results were gratifying. In a short campaign the students showed their patriotic fervor by passing the \$500.00 mark in stamps and bonds. In addition stamps and bonds were sold daily all-year-round with the two freshman classes being the best.

The school's appearance itself reflected the patriotic mood of the students as war posters of all types and kinds decorated the classrooms and corridors.

In the most intensified war activity of the year, a physical training program was begun in February. All the boys and girls showed their enthusiasm by participating with vim and vigor, the boys being under the direction of Bro. Medard and Bro. Canice.

Listed too, among the war activities of the school was a Red Cross First Aid Course directed by Bro. Martinian and Bro. Dennis for the boys and a home Nutrition Class for the girls. These courses were restricted to the Junior and Senior classes.

THE CALL TO THE COLORS

During the war we are all expected to do our part. Some buy war stamps and bonds, and they are to be congratulated on their work. Others, however, have done and are doing more, when they give themselves to the various units of our armed forces. Such has been the case at John Bapst. Early in the school year two of our seniors were caught by the draft. They were Thomas Landers and Francis Burnett. Tommy needs no introduction as he was the well-know captain of our 1942 football team. He is now stationed at Camp Stewart in Georgia. Francis Burnett, not athletically inclined, made his mark by his whole-hearted participation in the speech program. Francis also resides in the sunny South--Camp Davis, North Carolina. We lost another senior, William Davis through his voluntary enlistment in the Navy. "Whitey" was well know in and out of school as an ever-smiling, genial character. At present he is in training for submarine service.

Later the school lost the services of four boys from 3C. Robert Duddy was the first to go. He voluntarily enlisted in the Navy. Bob was outstanding in football for many years, in fact he was in line for captaincy of the 1943 football team. To the Navy also went Leo Matheson, a quiet reserved boy. "e are sure that success will always crown his endeavors. Later Leo Ashey joined the Navy. While with us he participated in all athletic activities of the school. Only a few weeks ago the draft took Richard Kolsey. Dick was a promising football and basketball player. At present he is taking his basic training at Miami, Florida. Good luck to him and to all the others.

HONOR PARTS

The highest honor of all in the school was bestowed upon Constance Coyne when she was named Valedictorian for the Commencement Exercises of John Baptist High School graduation. The second highest honor went to John Day who was named Salutatorian. The first honor essayists are Joanne Fungar and Edward Mooney. The second honor essayists are Irene McCarthy and Walter LaPointe.

Special awards were also announced: the Gold Cross for excellence in Christian Doctrine to Joanne Fungar and Robert D. Brennan; the Gold Medal for General Excellence in the Academic Department to Constance Coyne and John Day, and in the Commercial Department to Irene McCarthy and Eugene Smith.

The graduation exercises will take place Sunday, June 13, and the theme will be "Peace". The first

speaker will discuss the Atlantic Charter and the next four speakers will discuss the Four Freedoms as set forth in the Atlantic Charter. This year the outstanding Catholic layman to be honored is Joyce Kilmer.

We are all justly proud of the accomplishments of the honor winners and wish them continued success in the world throughout their coming years.

STUDENT COUNCIL

Late last September, Brother Noel, Moderator of the Senior Class, organized the Student Council. Almost immediately several unsatisfactory conditions were corrected. Boisterous talking, shoving and rushing in the corridors stopped. The students worked very courageously and efficiently at all times. Whatever trust or responsibility they received, they discharged with the utmost fidelity. It is doubtful if a more trustworthy group of boys could have been selected for the assignments in the hall patrol. They are:

Aidan Cushman	Frank Rogers
James Flanagan	John Day
Albert Hickson	Robert Mitty
John McGuff	Walter LaPointe
Gerald Plourde	John Shaw

Student councils are helpful to the student as well as to the school. They help the student by providing opportunities for him to train in reliability, fidelity and loyalty; they aid the school by providing supervisors for places which the teachers cannot conveniently reach. Even if the teachers were available for duty at all times, it is better that the students now be given the training which their duties as members of the council provides. Apart from this fact, the school owes to this organization a vote of thanks for the highly efficient work it has done.

STUDENTS ANNUAL RETREAT

Under the direction of Rev. Father MacFarlane, S.J. the students of Bapst held their annual three day Retreat from May 12 to May 14. Formal classes were suspended during this period.

The students assisted at Mass daily in the school auditorium. Two conferences were held daily, and the exercises ended with the recitation of the Rosary and Benediction. In between times the students busied themselves reading pamphlets on religious topics. There is no doubt that all of us who made the Retreat benefitted greatly in a spiritual way from it, and we are grateful to Sister Callista and to Brother Samuel for arranging this spiritual exercise for us.

RELIGION CONTEST VICTORY

A very important contest held during the year and terminating early in April, was a quiz, written and oral, on the prayers and ceremonies of the Holy Sacrifice of the Mass. At the weekly assemblies, the students were given mimeographed copies of 150 questions. These were explained and answered by Brother Samuel. Then followed a written quiz of ten questions all limited or taken from the original set of 150. The twenty-five students who earned the highest ratings in the written quiz qualified for the oral quiz held before all the boys in the high school. All but eight were eliminated in the first session of 45 minutes. Near the close of the second session, only three

remained in the contest--Donald King, (1A); Walter LaPointe, (4A); and John Royal, (2A). Then King and LaPointe dropped by the wayside, leaving the invincible John Royal as the winner. He was awarded as a token of his supremacy, a copy of the Life of Saint Joan of Arc. Congratulations!!

THE IRISH MINSTREL

On May 5 of the year, the students of Bapst once again entertained an enthusiastic audience with their annual Irish Minstrel under the auspices of the Alumni Association. Bro. Samuel arranged and directed the successful program and the results were worthy of his efforts.

The program consisted of Irish songs, dear to so many, dances, speeches, and jokes. The school orchestra furnished the music. A large crowd attended the performance and all enjoyed the evening immensely.

R. Riley

ALUMNI REUNION MASS

Among the activities connected with the school was the Reunion Mass held at St. Mary's Church on March 28 under the auspices of the John Bapst Alumni. Over 250 graduates assembled to pray for the welfare of the Bapst men and women now fighting to maintain and uphold the American way of life. Father Cox said the Mass and preached an appropriate and inspiring sermon on war and its causes. Father Cox graduated from Bapst in 1931. Moving pictures were taken of those present to preserve memory of the occasion.

Hugh Goodness

SCHOOL ASSEMBLY PERIODS

Many interesting assemblies were held for the students during the past year. The subject and the occasions for the meetings were varied and interesting and served a useful purpose in furthering the education of the student body.

In September Rubinoff and his violin came to entertain and instruct the students on the value of music. The Declamation Finals were held before the entire student body, as were the Debate Finals later on in the school year. In these assemblies the efforts of those engaged in public speaking were crowned with school honors. In November the students held a farewell assembly for Farther Sullivan of St. Mary's who had labored many years in the school. A program of speeches and songs was held, followed by the presentation of a gift from the students. Farther Sullivan in response gave a stirring speech on the value of a Catholic Education. There were two talks on Vocations, one by Farther Driscoll of the society of the Divine Word. He presented a graphic verbal picture of the happiness to be gained in the mission fields winning souls for Christ. Recently Bro. Samuel spoke on the vocation of a teaching brother, explaining the training of a brother and the joys and hardships of the life. There were several other talks relating to entrance into the armed forces. Lieut. Gilfoyle of the Navy told the students of opportunities to be found in the Navy and answered a great number of questions on this topic.

W. Ambrose

EDUCATIONAL FILM SHOWN

During the past year "movies" played a larger part than ever

before in the school program. The pictures shown covered a wide field and proved to be of great interest and value to the students. In the early part of the school year a sport film was shown of several Boston College games. Later a technicolor film of the work of the Maryknoll Fathers in China was displayed. In connection with a medical examination E.D. A Film was shown. During the winter we saw a film entitled "First Steps in First Aid". A very much enjoyed film was on flying in the Navy, brought here by the Navy recruiting officer of Bangor. During the Minstrel Show there were the picture of the Reunion Mass at St. Mary's, and recently Bro. Samuel brought a film depicting the early training of the brothers at the Juniorate. And finally there was a film on Safe Driving.

NEW COURSES ADDED THIS YEAR

RED CROSS COURSE

At the beginning of the second semester, the Seniors and Juniors started the Standard Course in First Aid with Brother Dennis Joseph and Brother Martinian as instructors. Both of these teachers are certified by the Penobscot County Chapter of the American Red Cross. Classes were held on Mondays and Wednesdays before school and much interest was displayed by the students in learning the various skills of the Course. The results of the final examination are now being eagerly awaited. Certificates will be awarded to all who successfully complete the Course.

H. Goodness

BOYS PHYSICAL TRAINING

This course was begun in February of this year and immediately made a big hit with the students. Classes were held weekly in the gym under the direction of Bro. Medard, assisted by Bro. Canice. The course consisted of calisthenics, commando-type drills, endurance tests and volley ball. Interest and enthusiasm was high and the only complaint was that the classes were not frequent enough. This will be remedied next year when a much broader and strenuous course will be given several times a week.

J. Ryder

GIRLS PHYSICAL TRAINING

Also following the wishes of the government the girls inaugurated a physical training course this last semester. Two women teachers from the University of Maine conduct the course. The girls took a little longer than the boys to accustom themselves to the workouts but their enthusiasm for the course was every bit as high.

J. Royal

AERONAUTICS

Last September a new science course was added to the regular curriculum at John Bapst. This course in aeronautics has been under the able direction of Brother Martinian. Realizing the pending draft status of most seniors, Brother Martinian accelerated the program and covered efficiently the scheduled two year course in one year. Their course included the Theory of Aircraft Studies, Aerodynamics, Powerplant, Meteorology, Communications and Navigation. Throughout the year, classroom work was supplemented by laboratory demonstrations and home projects; one project especially interesting and instructive was the visit to the Maine Aircraft School in South Brewer. At present, only juniors and seniors are eligible for the course.

J. Day

GIRLS' NUTRITION CLASS

During last semester, the seniors have been taking a course in Nutrition, sponsored by the Red Cross. All the seniors were enrolled in the course. The subject concerned the preservation of food and the right foods to eat, in order to get the proper vitamins. The class also learned to plan meals and to produce an excellent meal from a small amount of food. It was pointed out that certain foods are of the utmost necessity for the maintenance of good health. This course will be a tremendous help to the girls after graduation.

SOPHOMORE

We hereby appoint Brother Noel, C. F. X., sole executor and trustee of this document.

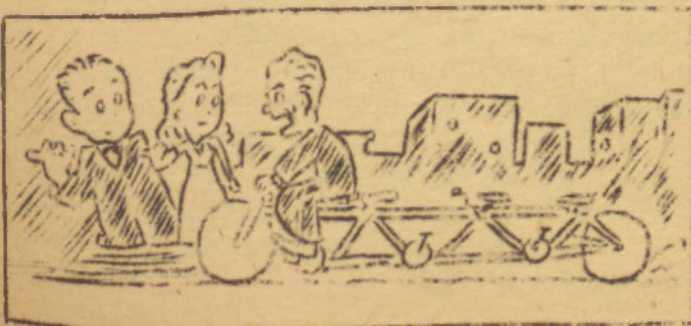

In testimony whereof, we, hereinto, set our hands and seal this first day of June, Nineteen Hundred and Forty-Three.

In Witness thereof:

Dave Mooney, Bob Mutt, Jimmie Flanagan, John McGuff

On Monday, June 7 at 9.30 A.M. the students will be entertained in the Auditorium as guests of the Seniors at their Annual Class Day Exercises. For the enlightenment of the uninitiated, it may be reported that these Exercises will mark the Seniors farewell to the Undergraduates at Bapst. The parting ceremonies are somewhat formal and symbolic. The Class Mantle, emblematic of Senior responsibilities and distinctions will be draped over the shoulders of a Junior; the Key of Knowledge, bright and glistening from frequent use, will be likewise entrusted into the keeping of a Junior; the Class History, Ode, Will and other scholastic documents will be revealed; the Class Song will be sung for the first time. Students who have never attended these Class Day Exercises will find them interesting and entertaining.

JUNIOR PROM

The Juniors will hold a complimentary Prom for the Seniors in the High School Auditorium sometime during the week of June 7. The date, tentatively set is Friday, June 11. All John Bapst students are urged to turn out en masse, even if only to give the Graduates of 1943 a glorious send-off. The auditorium, certainly the best in Bangor, will be tastefully decorated for the occasion and the atmosphere will be one of dignity and festivity. Students need not be reminded that this dance will be the first ever held in the High School and the Committee hopes that it will be a great success--socially, financially, and culturally. The Committee: The Misses Teresa Guite, Patricia McCarthy, Lila Williams, Dorothy Mooney, Lucille Johnson, Catherine Geaghan. The Messrs. James Coughlin, Garrett Lovett, Robert Arnold, James Moriarty, John Magee, William Ford.

Sports Review

BAPST FOOTBALL SQUAD

FOOTBALL

When the season started it appeared that Bapst would have one of its best teams in years. As the season progressed and injuries took a heavy toll, it was apparent that some changes would be necessary. Bro. Medard remedied the situation by making a wholesale chargeover and against Orono and OldTown the team hit a scoring high. In the last game against Dexter, Bapst played a lone touchdown.

Co-captains Tommy Landers and Larry King inspired the team by their fine playing. "Unk" McDonald, a late starter, was one of the best ball carriers on the team. Bob Brennan, new to the quarterback post, proved to be a fine play caller and an excellent blocking back.

In the line, Billy Nelligan was an outstanding tackle, winning honors for his play. Kenny McAllister, our hard playing center earned similar honors for his sparkling play. Bob Duddy, tackle was in for all but five minutes of play throughout the entire season and was in on every tackle. Jim O'Connor proved to be a stonewall to the opposition at his guard position. The end posts were very capably handled by Al Hickson, who turned in a consistently steady job, George Higgins, who played an excellent bit of end for us, and last, but not least, "Bunk" Sweeney who performed his duties with the grit of a Commando. Able reserves for the first team were "Nellie" Degrasse, one of the finest passers around Bangor, Dick Kelsey and Johnny Davis, promising backs, and Phil Sherwood, Bob Carney, John Royal, Charley Marston and Ken Smith.

G. Cushman

The following members of the Varsity received major awards and sweaters for their efforts on the football team:

Tommy Landers and Larry King Co-Captains. Bob Brennan, Jim O'Connor, Bob Duddy, "Unk" McDonald, Bob McDonald, Billy Nelligan, Al Hickson, Nelly DeGrasse, Bunk Sweeney, and Charley Marston.

Bapst Players Win Honors

Several of our players won honors for their outstanding playing during the season both on the Eastern Maine All Star Team and on the Maine Schoolboy All Star Team.

Billy Nelligan and Kenny McAllister were chosen for the right tackle and center positions by unanimous choice. There is no doubt in our minds that they both well earned their positions for their sterling play. This feat is all the more remarkable due to the fact that it was the first year of the football for both players. Congratulations to both of them and also to Larry King, co-captain and hardplunging and star defensive back, and Bob McDonald, stellar backfield ace, whose outstanding efforts earned them positions on the second team.

We are all very proud of these boys and the team will sorely miss their excellent play next season with the exception of Bob McDonald who is the only one returning.

CRUSADERS END SUCCESSFUL SEASON

Our Varsity squad had a very successful this year winning 14 games and losing seven. The boys did a splendid job in beating some of the best teams in Eastern Maine. We are also proud of the great job our players did in the Queen City scoring race. Al. Hickson, our star center, won the title of high scorer easily by rolling up the total of 254 points. Close behind him were Capt. Billy Nelligan and Bob McDonald.

The boys were hot and cold at times during the season, but when they were hot they were unbeatable. The schedule was not an easy one and this year's team ranks as one of Bapst's better teams.

Next year's team will feel the loss of two key men Capt. Billy and Al. Hickson. No team can afford to lose two men of their ability, but we have many capable men left on the squad.

It would be hard to pick out the outstanding member of the team because in their positions the boys were tops and the squad had not one star but five.

Capt. Billy played heads up ball at both guard and forward positions and proved to be a steady influence in every game.

Al. Hickson was outstanding in the scoring department and proved to be a continual headache to every team we met. He was deadly in close or outside and

Could'nt be stopped.

Bob McDonald, once his injuries healed, proved himself an outstanding playmaker. Many officials and coaches regard him as the best floor man in there parts and he can shoot from anywhere.

Red Mahaney was a standout in the guard spot. He played his opponents into the floor. High scorers running up against "Red" became low scorers and Red did all right in the scoring department himself.

Bob Scribner rounds out the regular five. He started out as a forward but a shift to the guard spot found Bobby "in the groove". He did a swell job and was a big factor in our last half drive.

Vinny Gillis comes next. He was the "needle". Anytime the boys slowed up, Vinny went in things started busting. Vinny proved to be a grand little player and a regular sparkplug.

Long John Magee who played part of every game showed marked ability at guard and center. His height will come in handy nexy year.

"Dick" Kelsey another little sparkplug saw lots of action this season and played well defensively and offensively proving himself a dependable substitute.

Eddie Elliott also saw much action in the guard position and performed consistently well.

Harry Perry, the Hampden Flash and Johnny Trainer round out the squad. They saw little action but show much promise.

We do not want to forget Mr. Barrett, Coach, who did such a fine job of bringing the team along after a slow start.

S P O R T S

Now for the benefit of those fans who will receive copies of this paper while far away fighting for our Country we are presenting a summary of the seasons results.

JAYVEES FINISH SUCCESSFUL SEASON

We have written before of the prowess of our Jayvees and they have justified our boasts ending their season with 14 wins and 3 losses. The team played as difficult a schedule as any Jayvee team in the school's history and come out with flying colors. Bunk Sweeney was the outstanding player on the squad and from his guard position was a beautiful playmaker and a steadying influence, and in addition was a beautiful guard on the defence. Capt. Leo led the squad in scoring with 124 points with William Booker at center a close second with 111 points. James Mc Carron at the other post piled up 93 points. Johnny Elliott at one guard position dropped in 71 points. This group comprised the usual starting five.

Joe McClellan, Johnny Mooney and John Royal also saw much action. In addition Alfred Paschal, Eugene Ranks, Tommy Trainer, William Rivers, William Mahoney and Alphones Desrosiers also played in many games and showed much promise. Nelson De Grasse another Jayvee player who did not have an opportunity to finish the season with the team was a standout at forward position when he played.

Among the Jayvee victims were the Orono, Dexter, Old Town Jayvee Hampden High, Pittsfield Boys Club, Hiram High and Fifth Street Junior High. Congratulations to the boys and to Bro. Canice who did a swell job of coaching them.

JAYVEES FOOTBALL

The Jayvee Squad under the capable direction of Bro. Martinian and Ora Black, ended the season with a record of one win and one loss, both to Hampden Academy. Several Freshmen showed promise including, Bill Booker, Charles Tremble, John Mooney, James McCarron, and Leo Burke among others.

MR. BARRETT RESIGNS

A few weeks ago Mr. Danny Barrett announced his resignation as teacher-coach here at Bapst. He came here two years ago from Machias High School. During his stay here, he turned out two excellent basketball teams, winning 38 games and losing 11. The 1941-42 squad won 24 and lost 4, winning the Eastern Maine Championship. This year's club was a strong contender, but no tournament was held.

We all enjoyed his pleasant and smiling personality, and we bid him Godspeed and best wishes for success in the future.

INTRAMURAL SPORTS

The curtain has fallen on sports for the school year with the closing of the baseball season. Intramural contests were held continuously during the past year from December to June under the direction of Brother Medard. Basketball started in late December, and games were played twice a week. After the Varsity season ended in February, the two leagues were rearranged into twelve teams playing two games daily. Around seventy boys from high school and twenty from grammar schools participated. Plenty of action was displayed in the games and several good looking varsity prospects were uncovered. The season was long, due to bad weather and the tournament was not held until the week before Easter. Medals were awarded to the winning teams in each section. The summaries are listed below.

Intramural baseball was started on May first, with about forty boys on four teams taking part. The games were played daily at the Newberry Street Playground.

The large number of boys who took part in Intramural sports certainly enjoyed the games and with continued support the Intramurals will be bigger than ever next year.

CHAMPS CROWNED IN TOURNAMENT GAMES

Two champs were crowned in the tournament finals before an enthusiastic crowd of students on April 13. The Sox, led by Jimmy Flanagan and Aidan Cushman, proved to be too strong for the surprising Dodgers, and trimmed them 42-25. The Dodgers were the surprise team of the tournament beating the Yanks, league leaders, 39-22 in the semi-finals.

In the Freshman finals the Kittens, led by W. Booker and Dick Ford upset the high-flying Lions and took the tournament.

INTRAMURALS BASKETBALL

The Intramural basketball team finished a most successful season, April 10. The Yanks, of the upper league, came out on top in the regular season games. The Yanks won seven games and lost one, while the Kittens chalked up thirteen wins to three defeats.

ANNUAL FIELD DAY

On May 26, Broadway Park was the scene for our annual Field Day and it was a great success, aided by the enthusiasm of the participants, favored by good weather and cheered on by the girls from the school who provided a lovely and interested audience. All but a few boys in the school took part in the events. The Field Day was arranged and directed by Bro. Medard, assisted by the other members of the faculty.

The day began at nine o'clock when the entire student body put on a fifteen minute demonstration of many of the drills and exercises learned in the Physical Fitness Program taught at the school. After this came the track and field events. Competition between classes was keen especially in the tug of war. The three legged race and the piggy back race were the high points for laughs and enjoyment. Volleyball, softball and baseball games followed the track and field events.

The results showed the two Senior Classes, 4A and 4C, tied for first place honors with 36 points apiece, The Sophomore Commercial (2C) was next with 30½ points, followed by the Junior Academic (3A) 30 points, the Sophomore Academic, 26 points, the Freshmen Academic 15½ points, Junior Commercial 6 points, and the Freshmen Commercial 5 points.

Paul McDonald (4C) led the individual scoring with 17 points, in-

cluding two firsts. Next in order came John Royal (2A), 14 points, Norman Campbell (4C) 12½ points, John Callaghan (4A) 12 points and Al Hickson (4C) Harry Perry (3A) with 10 points each.

John Bapst graduates who have not yet reached their twenty-second birthday and would like to take the Federal Examination on April 2 to qualify for the Officers Training School - army or navy, may secure information concerning this examination at the high school office. Those who pass it successfully and satisfy physical and moral requirements will be placed in college at Government expense and under Government discipline. Upon completion of their college courses, they will be officers in either the army or the navy of the United States. The examination is nationwide.

Note: The roster which follows is, we believe, an accurate compilation of the John Bapst Graduates in the armed forces of the United States. Of course, a complete list today may not be complete tomorrow since additional men are being called to the colors daily. This list will, however, help you to visualize the splendid contribution in manpower your high school has already made, even at this early stage of the conflict, to the fighting forces of your nation. We have not included in the list the names of young men who withdrew from John Bapst before graduation unless they withdrew to fight for their country.
