Rev. John Bapst, S. J.,
(1815-1887) founder of
St. John's Church

Through the years it has become customary that the editors of this annual leave a few words to the remaining students at Bapst. We eagerly use this privilege to look to our past and Bapst's future.

Our four years at John Bapst have been a tremendous experience; it has been a great joy and yet it ends upon a note of sorrow --

Looking back, we find that we have been provided with a superior education, surpassing any readily available. It was more than academic schooling, though, for we were engaged in a lesson in life. Making new friends, changing ideas, facing crises, all were part of our education.

We would wish to leave this treasure for those who follow also to experience, yet we find this inheritance endangered. Our school, like our country, is embarking upon a new era, an era which shall determine whether or not it shall survive. The future is bright, but there are many pitfalls along the way. Only you who follow can make the foggy dream of a continuing John Bapst a reality.

Most Reverend
Edward C. O'Leary D.D.,
Auxiliary Bishop of Portland

It is truly an honor to claim Bishop Edward C. O'Leary as an alumnus of John Bapst High School. His Excellency is the second native of Maine to have been elevated to the episcopacy and the first from Bangor. Bishop O'Leary is a tremendous individual. He is a fine priest, a devoted mentor and distinguished counselor. Always a friend to those suffering hardships, either material or spiritual, he is everybody's priest. From the beginning of his priesthood, he has shown the quality of serving. It is only fitting that his Coat of Arms read "One who serves." And so we salute you Bishop O'Leary.

FOOTBALL TEAM REGAINS SPIRIT

Although their record is not impressive, the 1970 football team regained for themselves what had been dwindling for the last two years -- their sense of spirit and pride.

Under the direction of their able coaches, Bob Brennan and John Friel, the Crusaders battled their way through the last year of the Pine Tree Conference play leaving behind many bruised opponents who will testify to their ability and perseverance.

"I have not yet begun to fight!"

The Bapst defense waits to take over the job.

GIRLS' BASKETBALL

A BUILDING YEAR

Under the direction of Coach John Friel, the Girls' Basketball team had a building year. Although they had only three victories this season, they would have won every game had spirit counted. Even lacking student support, the girls never gave up. After this year's experience, we hope that next season they will be able to compile a winning record. Members contributing to the team's performance were Mary Friel, Margaret Hayden, Lisa Cyr, Patricia Higgins, Cheryl Higgins, Tammy Higgins, and Pam Stover.

CRUSADERS FIGHT TO THE FINISH

Having beaten Hampden in their first game, the Crusaders started the season off with high hopes for more victories. Unfortunately, the hard work and determination of the team didn't pay off -- at least in the win column. Although Bapst gave some of the toughest teams in the division, including unbeaten Bangor, a hard workout, with only two games left in the season, the Purple and White have a 1-15 record for the year. The Crusader hopes that next year, the team has better luck and that the spirit of the school will carry them through to the tournament.

You're about to take a giant step forward into your future. We think we can make it the bright one you want it to be at New England Telephone. With a job that's every bit as big as your ambition. You see, we need people. With all kinds of talents. And especially, people who really want to get going with their future. And want to be rewarded with automatic raises. Your High School diploma is all the experience you need. If you want a job and a future that's tailored to your talent... along with unusually generous fringe benefits, stop in and see your guidance counselor. Ask when and where you can apply for an interview with the people who want to make your future as happy as you want it to be.
